#### Engineering Lectures.

Mr. W. M. Skiff, Chief Engineer of the National Lamp Mfg. Co. gave an illustrated lecture upon the manufacture of incandescent lamps, on Thursday afternoon, March 3.

He covered the development of the lamp from its crude condition as invented by Edison, to the latest type of high efficiency Tungsten lamp.

The lecture was followed by remarks on the duties of the commercial engineer by H. H. Geary, Treas. and Mgr. of the Fostoria Lamp Co. Mr Geary is a State man, having graduated with the class of 1895.

#### How to Kill a College Paper.

1. Do not subscribe; borrow your neighbor's paper; be a sponge.
2. Look up the advertisements, then trade with the other fellow; be a chump.
3. Never hand in a news item but criticize everything in the paper; be a coxcomb.
4. If you are a member of the staff play football and tennis when you ought to be attending to business; be a shirk.
5. Tell your neighbors that they pay too much for their paper; be a squeeze.—Exchange.

Robeson H. Allport '09 is located in Las Espanasas, State of Coahuila, Mexico, and reports a very promising field for college men. He has a good position in charge of the chemical laboratory of the Mexico Coal and Coke Co.
