

## NEW CLASS SCRAP SUGGESTED

The Collegian is in Receipt of the Following Letter Which Contains a Hint Relative to a New Class Contest.

To The State Collegian,  
Gentlemen:

Rope off an area on Old Beaver Field (or, better, on the new-field) equal to the football gridiron. Station all Freshmen back of one goal, all sophomores back of the opposite goal. Divide each class into teams consisting of twenty-five each. Only two teams, one from each class, are to contend at one time; all others to keep off the field. A sophomore team is to be stationed in a straight line across the center of the field, as at the kick-off in the football game. The officials should be stationed immediately back of this line of sophomores in order to be near the line of scrimmage. A freshman team will be stationed along the freshman goal line awaiting the signal to charge. At a pistol shot the freshman team charges down the field toward the line of sophomores who advance to meet them in football style. No mass plays, slugging or spiked shoes to be allowed.

The freshmen strive to break through the sophomore line and reach the latter's goal. The sophomores strive to capture as many freshmen as possible. This scrimmage lasts for three minutes. At the end of that time, all freshmen who have been unable to reach the sophomore goal are prisoners of the sophomore team. On the other hand, all sophomores who are dragged over their own goal line are prisoners of the freshmen. As soon as time is up, each team leaves the field taking its prisoners to some appointed place where they are to be fantastically decorated and placarded by their captors, and later
