**Much Activity in the Engineering Department During the Past Week.**

W. S. Ayars resigned his Professorship with the college to accept a position as chief designer with the Moran Shipbuilding Co. at Seattle, Wash

Prof. Ayars leaves behind him a long list of friends among both student body and faculty.

Bids are now being asked for the erection of the heat and refrigeration laboratories, to be built directly south of the engineering extension. The department of Mechanical Engineering is also making arrangements for obtaining a complete refrigeration plant and heating units to be used in connection with it

Mr. Thomas Hall, Sup't of the Ridgeway Dynamo and Electric Co. has promised to deliver a lecture before the combined engineering societies on April 27. His subject will be "The Design of High Speed Steam Engines." Mr. Hall gave a lecture of unusual interest and value last year.

Prof. Elton D. Walker lectured on April 12, before the Engineers' Club of Erie, Pa., on "Sewage Disposal."

A. W. Lomis, '07, of the Westinghouse El. and Mfg. Co. talked to the Senior Electricals upon new developments in Westinghouse works and the problems that the young engineer should expect to face on leaving college

J. M. Hays, of the Westinghouse Electric Co. lectured before the Junior and Senior Electrical and Mechanical Engineers on Monday April 4.

**MEDICINE, DENTISTRY, PHARMACY and PHARMACEUTIC CHEMISTRY**

If your chosen profession is along these lines no better preparation for it can be had than at this College. It is advisable for every young man to investigate the merits and facilities of The Medico-Chirurgical College before he decides definitely upon any particular one.

The Faculty consistently maintains a reputation for ability and modern methods of teaching, and includes many authors of widely-used text-books. The College is situated in the midst of a large manufacturing district. The hospital and accident cases from this source are extensive and varied in character and, with the largest and finest Clinical Amphitheatre in the world and modern and thoroughly equipped Laboratories and two Hospitals, afford unsurpassed clinical facilities. In each department degrees are granted at the end of carefully graded courses. Students have the advantage of Practical Instruction, Free Quizzes, Limited Ward Classes, Modern Seminar Methods and Clinical Conferences. Fourteen Laboratories.

Upon presentation of proper credentials students from other recognized colleges are admitted to higher standing. Address the Dean of the department in which you are interested for illustrated catalogue, describing the course in full and containing information as to fees, etc.

with Dickinson on May 21. Up to the present time, Manager Sumner has had some trouble in scheduling home meets on account of the many intercollegiate meets to be held this year. On May 6 the annual interscholastic field meet will be held on New Beaver Field. It was a great success last year and all indications point to a big event this year. Relay races are to be held at Philadelphia on April 30. The team is fast rounding into shape. The most promising candidates are Smith, Miller, Bevan, Berry, Redkefus, Chubb and Hoskins.

**Freshmen Defeat Juniors.**

The freshmen tightened their hold on first place in the Interclass Baseball League last Saturday afternoon by defeating the juniors 18 to 5. The game was long and uninteresting and replete with errors. Hartz's one handed catch of what looked to be a sure hit off Glenn's bat was the feature of the game. The score by innings:

Juniors	0	3	0	0	0	0	0	0	2	5
Freshmen	1	3	0	2	1	0	0	1	1	18

Batteries--1911, Meade, Alexander, Spangler and Watson; Lentz, 1913, Geald and Vosburg. Umpires--Piolette and Hermann. Time of game--3 hours.

R. M. Pennock '09 is with the Elgin, Joliet and Eastern R. R. and is stationed at Joliet.
