Safety Razor

"Any Old Way"—You Can't Shave Wrong

That's a great point in favor of the Keen Kutter Safety Razor—it isn't necessary to hold it in any *particular* way to get a good shave; if you hold it so it will shave, at all, it will shave right

The Keen Kutter "Safety" gives a true sliding stroke. Goes together in the tenth of a "jiffy" and works equally well, up stroke or down. It's the one razor made that's perfectly adapted to easy shaving.

Comes in a neat case, fully guaranteed, with 12 ready stropped blades.

Silver plated in Genuine Black Leather Case, \$3.50.
Gold plated in Genuine English Pigskin Case, \$5.00.

The best "pocket piece" a man can carry is a Keen Kutter pocketknife

Second Interscholastic Meet.

On Friday May 6 the second annual Interscholastic Field meet will take place on New Beaver Field. The first prep school meet was held last year at the dedication of the New Field; the events proved interesting and the visiting athletes were well entertained. As last year the State-Dickinson baseball game will be held in the afternoon of that day and other means of entertainment will be provided in the evening. By holding the meet on Friday all the participants are able to return home before Sunday if they wish to.

"Pop" Golden has sent out invitations to almost 125 schools and the number of acceptances already received is gratifying according to the athletic director. Creditable records in the hundred-yard dash, shot-put and mile-run were made in the 1909 event, and the increased number of entries this year insures an even better prep-school meet than last spring. Our splendid New Beaver Field track with its 220 yard strightaway is an ideal place for such an event and no doubt "Pop" will make this coming meet highly successful. The New York Alumni are to be complimented on the splendid medals awarded for the Interscholastic Meet last year as well as for those to be awarded this year.
