

**Do Not Forget!**

A very important meeting of the Athletic Association will be held in the Old Chapel, Monday, May 2, at 7 p. m. to vote on the proposed amendment to the Constitution. That a department of Wrestling be established as a part of the Athletic Association. At the meeting there will also be nominations for assistant football managers, three to be elected, from the present sophomore class, and nominations for the officers of the Athletic Association for the coming year. Be sure to turn out; your vote is important.

Prior to the meeting proper, S's will be awarded to the football and basketball men who have won them during the year. Several active and influential alumni from Pittsburg and vicinity will be here to make short addresses and to take part in the awarding of the letters. Every fellow should come out and show the alumni that we have as much college spirit as ever.

**The Intercollegiates.**

The Intercollegiate meet takes place next Saturday at the University of Pennsylvania on Franklin Field. State has been represented at this event for several years by a relay team, which, although it has not come out on top, has nevertheless made a comparatively fair showing. This year, however, we will be represented in more events than in former years. The relay team is made up of Berry, Chu, Miller and Smith with Reckefus as a substitute. Talbot will enter the weight events and he is a sure point winner. Mathers, who has been doing such great work in the broad jump, will in all probability add a few more points to our total, and if "Sid" Armsby recovers from his illness in time to run the hurdles for us, our representation ought to come back with more points to their credit than ever before.
