

STATE AND INDIANS TIE

Talbot Breaks Intercollegiate Record in Hammer Throw and State Records in Discus and Shot Put—Watts Breaks State's 2 Mile Record and Armsby Equals High Jump Record.

In one of the most interesting and exciting track and field meets ever seen in Carlisle, State and the Indians ran neck and neck until the finish, and the meet resulted in a tied score of 56 to 56. Never in our history have we been able to defeat the Indians in a meet of this kind, but except for a little bit of hard luck last Saturday the trick would have been turned.

Nevertheless we can feel mighty proud of our team, for one Intercollegiate record and four State records were broken by our men as well as several Indian records, and one State record was equalled. Lee Talbot broke the worlds intercollegiate record, 164 ft. 10 in., for the 16 pound hammer throw with a mighty heave of 173 ft. 6 in. He also broke States discus record and his own made at Philadelphia one week before, by throwing the discus 130 ft. 4 in. and in addition he put the 16 lb. shot 45 ft 9 in., breaking our old record of 40 ft. 2 1 2 in. Watts who last year broke our two mile record, running it in 10 min. 16 3 5 sec. clipped off 24 3-5 sec., almost a half minute, from his former time running it Saturday in 9 min. 52 sec. Armsby, who has been showing up very well of late, distinguished himself by neatly clear-

ing 5 ft 8 in. in the high jump, thereby equalling States record, held by Saunders. '05

INTERSCHOLASTIC MEET

Fast time made by the Prep. School Boys—Castaneda Breaks State Record in the 220.

The second annual Interscholastic Athletic meet held on New Beaver Field on Friday May 6, was a complete success in every way. Teams from ten high schools, normal schools, and preparatory schools, representing practically all parts of the state, participated in the meet, and helped it on toward success. Entries had been received from a larger number of schools, but thru various reasons some of them were compelled to withdraw, leaving the contest finally to the following schools: Dickinson Seminary, Bloomsburg State Manual, Indiana State Normal, Central Normal, Berwick High School, Bellefonte Academy, Canton High School, Juniata Prep., Danville High and Johnstown High.

As in the case of last year, splendid medals were given by the New York Alumni, for the winners of 1st, 2nd, and 3rd, places in each event. To assist in making the entire day a most successful one, a game between State and Dickinson was played in the afternoon, and the Cadet Regiment gave a dress parade in the morning. The greatest zeal was everywhere apparent in making our visitors comfortable, and great credit is due the men in the dormitories and fraternity houses for the way in which they entertained the guests. The meet was well handled by the officers, and event
