

TWO VICTORIES OUT OF THREE GAMES

State Loses to Princeton by a Close Score But Downs Dickinson and the Navy.

The past week has seen Penn State's nine in action three times and on two of these occasions the Blue and White waved victoriously. On Wednesday, May 4, Princeton nosed out Captain McCleary's team 3 to 1 at Princeton; on Friday we defeated Dickinson here 10 to 5, and last Saturday the Navy went down before our hitters at Annapolis by a score of 4 to 1. Coach McIlveen's men have learned to play the "eat and run" game as well as the "hit and run" game, as two victories out of three games goes to show, since our nine has been kept continually on the go.

The Princeton game was a pitchers' battle in which both Lynch and Greenbaum were effective. Our men hit hard against the Tiger twirler but the drives went direct into some fielders' hands with discouraging regularity. Bien secured a double and a single and hit well in the three games. The new combination with Eberlein at first, Blythe at second and Bien at short has been working extremely well now that Hirshman and Kelly, two very valuable men, are out of the game. Blythe scored our only run at Princeton when he reached first on an error and scored on Bien's clean hit. The home team had to work hard for each one of its three scores and was rather fortunate to win considering the hard smashes from the bats of our men which didn't go "where the fielders weren't."

A batting bee that pleased the large crowd of spectators present at the Interscholastic Field Meet here last Friday featured the Dickinson game. State's batters hit hard all through the game while the Carlisle

men got in some timely swatting toward the end after Klepfer had put the game "on ice." In the first inning Blythe hit over the middle fielder's head for a home run with Eberlein and Haddow on base, but went over third base instead of touching it, so that he was called out and the hit went for a double. In the seventh inning "Spi" duplicated his first drive

when his hard hit over second bounded over Conway's head and Blythe completed the circuit. Harry Bubb hit safely the first three times at bat and nearly beat out a bunt on the fourth attempt; the throw to first went wild, however, and was chalked up as an error for Beauchamp. Eberlein, Workman and Haddow also had on their counting clothes and State was nine
