Beyond a doubt we have the best track team this year that we have had for a long time; in fact many are inclined to believe that it is the best we have ever had. The showing made by the men so far this year pronounces the team a "hummer" in decided terms and we may well feel proud of our knights of the cinder path.

Next Saturday the team will be divided, some going to Annapolis for a dual meet with the Midshipmen and the rest remaining here to battle with Dickinson. By a judicious division of his track men, "Pop" Golden feels that we can win both events, for the sturdy array of track men here this spring is . indeed promising
