### Drawing to a Close.

The Interclass Baseball League season is fast drawing to a close. Only three regularly scheduled con-

tests remain to be played before the schedule of 18 games is completed. The Junior team has two postponed games, one with 1912, the other with 1910, and a tie game with the Freshmen to play off. At the present writing the Senior team with 5 games won and 2 lost heads the column. On May 24, they meet 1913. If they win this game, it will throw 1913 out of the race for the top notch position, and leave the Junior team as the only possible contestant for this place. The 1910 team will wind up the season by playing their postponed game with the Juniors. If the Seniors win this, they have the pennant, and even if they lose, 1911 must win every game on the schedule to even tie with 1910, which would be a rather difficult task for them unless they show more real baseball than they have produced thus far. The Junior team has been the stiff-

est proposition of any of the teams for 1910, as each of these two teams has won and lost one game to the other. It is not so easy to pick the team that will hold down second place, as all thru lower class teams have strings on that position, but, judging by the results of previous games, 1913 would seem to have a shade on the other two class teams. Should 1910 get second place, they would at the same time practically push the Juniors into the cellar position, and leave 1912 in third place. Of course, this is only a possibility and as 1911 has 5 games to play, they may yet spring some surprises that will considerably change this probable order. Most of the games thus far in the league have been interesting, and in fact some very exciting contests have been played on Old Beaver Field. The remaining contests should be hotly contested and more spirited than those already played in the league.

Last week the sophomores played two games, winning one from the Freshmen and losing to 1910. The scores were as follows,—

1912	0	0	4	1	0	3	0	0	1	—11
1913	3	2	0	3	0	1	0	1	0	—10

Batteries—Anne and Manion; Heckinger, McKibben and Vosburg. Umpire—Hirshman.

### Saturday's game

1910	0	1	2	0	0	1	1	2	—7
1912	1	0	0	0	0	0	0	0	—1

Batteries—Herman and Butt, Anne and Manion. Umpire—Piolett.
