

Froth! Froth! Froth!

What does it mean? Who is responsible for it? Whence does it come?

Not an unusual word, surely, and yet one the meaning of which over two thousand brains in State College are actively striving to solve. It is here but not among us. The mystery of Froth is deeply enshrouded and is of tormenting vexation to our scientists here, who are endeavoring to unfathom its secrets and unknown phenomena.

It cannot be seen by us now, so the learned philosophers say, as a result of their most careful deductions, but it will be plainly visible the early part of June.

Froth is not a Halley comet and there is no danger to life. But it is believed to be contagious and most certainly we will all get it!

Forestry Feed.

Half a hundred Foresters, from all the classes, spent a most enjoyable evening around the campfire on Friday night. The huge fire in the midst of the circle gave a most romantic setting for the program of eats, speeches and songs. The president of the Forestry society, J. F. Forsythe, acted as toastmaster, and he called for speeches from Prof. Clarke, from the Senior Foresters and from several of the Juniors. Songs and yells completed a joyous and novel meeting.

Thespian and Pharsonian Tickets.

Seats will be on sale to all for the Commencement performances of the Thespians and Pharsonians on Friday evening, June 3, 7 p. m., at the Business office in the Main Building. The two organizations will sell their tickets at different windows in order to facilitate the method of sale and accommodate the purchasers.

V. V. Veenschoten '07 is employed at the Gatun Power Plant as Switchboard Operator.

Reach
Base Ball Goods
 are the standard of the base ball world. The Reach Ball is the Official Ball of the great American League. It is official with the majority of the minor league and college teams.
