THE UNIVERSITY CLUB

Club House for Members of the Faculty Has Finally Become a Reality at State.

The University club, composed of members of the faculty and general officers of the college, has opened its new house on Frazier street under the most auspicious circumstances. There has been a movement for many years to bring the older and younger members of the faculty on more intimate relations and the success of the University club will depend upon this relationship. There are at present sixteen members living in the house and thirty-five members taking their meals there. The lower portion of the house has been fitted out so that there music, pool, writing and dining rooms. A private dining room has been provided and will be used for special occasions. The upper portion of the house consists of twelve suites of rooms and has been attractively furnished throughout.

It has been the purpose of the members to have social events of various kinds during the winter and the first was a delightful house-warming held last evening at which some three hundred guests were shown about the house and enjoyed the hospitality of the members.

All Out Tonight!

Do not neglect the mass meeting tonight promptly at 6:45. If you are interested in the basketball situation and have any ideas you wish to bring out or if you are anxious to hear the opinions of others, be on hand on time. As this is a vital question with us, it is the duty of every man in college to take part in the discussion of the situation.

Gym Work

The gymnasium will be open on Monday and Thursday evenings of each week for all students who wish to do any gymnasium work. Mr. Lewis will have personal charge of the floor and he wishes all those who are unable to participate in the gymnasium exercises during the day would come out on those evenings.

Football Returns.

Arrangements have been made by the athletic association to have the returns of the Penn and the Pitt games given here on an electric score board which will in all probability be placed in the old chapel. A private wire will be secured in each case and the play will be duplicated in detail on the board.

This scheme has been found to work satisfactorily in the past and it affords an opportunity to all students who cannot attend the games to see the action of the play.

Tickets have been printed entitling the holder to see both games and these can be secured at any time. There will be positively no tickets sold at the door and as the seating capacity of the old chapel is somewhat limited, it will be well to secure these tickets as soon as possible.

There will be but eight hundred sold, the price of which is twenty-five cents for the two games, so procure them immediately from any of the following men: J. M. Snyder '11, H. R. Moffitt '11, E. O. Arthur '11, C. M. Preitinger '11.

Scranton Club Meeting.

The Scranton Club, B. R. Evans, '11 presiding, held an important meeting on Wednesday evening for the purpose of making arrangements for a smoker at the time of the Christmas vacation.

Extensive plans were outlined and the affair this year is to be made larger and more complete than ever before. Under the aggressive leadership of Mr. Evans, we can expect nothing but the best, and the function will undoubtedly interest many new men in the vicinity of Scranton, in the affairs of the Pennsylvania State College.

The man who has something
He wants to sell,
And goes and whispers it
Down a well,
Is a lot less likely to
Collar the dollars
Than the fellow who
Climbs up a tree and hollers,
