## INTERCLASS FOOTBALL GAME

Experience of Sophomores Makes Them Favorites Over Freshmen

TEAMS ARE EVENLY MATCHED

Underclassmen Will Clash on the Gridiron for Football Honors Tomorrow Afternoon. Hard Game Expected with Outcome Very Much in Doubt.

During this week the coaches and managers of the football teams of 1913 and 1914 have been working with unceasing energy to round their teams into shape for the game on Friday. The addition to the teams of several varsity candidates has caused a shake-up in positions, but matters are straightened out now in good shape. Although a definite line-up will not be chosen until the last moment, the men to represent their classes will probably be as follows:

1913	1914
Weston	le
Skinner	lt
Kincaid	lg
McCreary, Dolan	c
Whitney	rg
Kirkpatrick	rt
Page	re
Clark	qb
Weston T. H.	fb
Brown	fb
Bevan	fb
The officials will be	Scholl, Referee, Wood, Umpire, Hollenback, Field Judge, McCleary, Head Linesman

The 1913 team this year contains only four of last year's regulars, but the team appears much better than that which represented the class last year. The coaches, Mauthe and Darragh, and the manager, R. B. Robison, have been working most faithfully with the men, and the result is a fast hard team which is going to make itself felt on Friday afternoon. Besides the players already mentioned, the Sophomores have some splendid material in reserve. Among the other promising men are Selkregg and W. R. Wilson, at Fullback, Barrett and Moffat, guards; Aldinger, tackle; and Leonard and Valentour, ends. Although 1913 is expecting a hard game, the team feels confident of defeating 1914.

The Freshmen, on the other hand, are just as determined to win. They have assembled a mighty strong team, and the men are fast gaining the spirit which will be necessary to make them play better than their best in tomorrow's game. Several causes have been at work to handicap 1914 in the work this season. In the first place, the lack of organization was felt. No "Preps" were present to help in the work this year, and difficulty was experienced in getting the candidates together. The number of coaches, also, has been lamentably small. Klepfer and Weaver have rendered great assistance to the team, but they could not always attend practices, and the candidates were then left to their own resources. The manager, however, J. S. Leffler, has been working most strenuously to help his men at every practice. Among the players who have not already been mentioned, the following have been fighting hard for places on the team: Hess and Ford, Tackles, Adair, end; Moyer, guard, Lowden, halfback; and Davis, fullback. A game has been arranged with Dubois High School. It will be played in Dubois on Thanksgiving day.

At the game tomorrow the Freshmen will occupy the east side of the

field, and the Sophomores the south bleachers. The grand stand and the north bleachers will be used to accommodate our visitors. An admission fee of twenty-five cents will be charged all spectators, whether visitors, upperclassmen, or lowerclassmen. The game is going to be a fast, hard played contest, one well worth our interest and attention. Let us be on hand to root for our favorites. Three o'clock in the time, Beaver Field the place.

## STATE ADDS ANOTHER

St. Bonaventure Smothered but the Game Was Interesting Throughout.

Last Saturday the St. Bonaventure college team of Allegheny, N. Y., was easily downed 34 to 0 on new Beaver field. The visiting Irishmen were not as strong as our Celtic opponents of one week before and even with Captain Gray, Johnson and Barrett out of the contest entirely and numerous substitutions, the Blue and White won without difficulty.

The first touchdown came within four minutes of the start. Very kicked off to Pickett at 3:06 p. m. St. Bonaventure was compelled to punt. Very receiving Bolander's boot and gained 5 yards. Miller tore off 14 around right end, Harlow was held for no gain, and Piolet made 12 on a long end skirt. Then "Dad" Engle made 17 yards and a touchdown on three powerful attacks on the line. Piolet kicked the goal and the score was, State 6, St. Bonaventure 0.

Engle was hurt in carrying the ball over the line. The accident was especially regrettable because "Dad" had been showing old time brilliance in hitting the line. He pluckily remained in the game for the rest of the first quarter although several muscles in his chest had been badly torn. Neill Fleming, '14, weight 120, took Engle's place for the final three quarters and played one of the prettiest games we have ever had the pleasure of seeing on Beaver field. Such grittiness as Fleming's is the making of an eleven that can down Pitt and we are eagerly looking forward to such a display by all our men in the Bucknell and Pitt battles.

Our second touchdown came when Dexter Very cleverly secured Miller's wellplaced on side kick and ran 10 yards over the goal line. The goal was missed and there was no more scoring during the first quarter.

St. Bonaventure opened the second period by holding us for a third down on their 2 yard line. The visitors here made a nice forward pass that netted them 15 yards. This was their only means of gaining ground during the game except half a dozen short off-tackle runs by Pickett. Our men did not break up forward pass plays any better than against the Villanova team.

About this time "Chief" Weaver did his time honored stunt of blocking a kick which Bolander recovered, however. Then we secured the ball on downs; Miller ran 25 yards around left end, Fleming added 9, and Harlow secured the score on a neat forward pass. "Tom" kicked the goal, he was the acting captain and displayed his usual brilliant form in tackling.

Fleming ran back the next kick-off 28 yards and got 6 more off-tackle. Then Clare secured Miller's

inside kick but St. Bonaventure could make no headway. The second period ended: State 17, St. Bonaventure 0, just one half the final score.

Dashes by Fleming, Workman and Miller gave us the fourth touchdown, Workman making the score through the line. Besides Workman, Bebout and Clark both entered the game at the beginning of the third quarter and all three played excellent football. Indeed every substitution worked very satisfactorily. St. Bonaventure had its only opportunity to score during the third period when Regan failed to kick a field goal standing on State's 27 yard line. The attempt was a poor one, the ball scarcely going above the ground. St. Bonaventure's proximity to the goal resulted from a punt fumbled by our backs, which Kelly recovered and ran back 30 yards before Fleming downed by a clean tackle.

Rogers made a touchdown on a long forward pass from Miller as he stood in the center of the field to the extreme east side, the little end racing 8 yards for the score. Then Wilson made the final tally when he secured Miller's low, driving kick as the latter stood on our own 25 yard line. The play netted us just 85 yards and was the most spectacular of the game. Rogers kicked the final goal from touchdown which made the score 34 to 0 for State.

Our eleven showed flashes of good form and the Collegian feels most optimistic regarding the coming games with Bucknell and the University of Pittsburgh.

## STATE'S NEW COACHES

Alumni Who Have Made Past Records on the Gridiron at State Are Here to Assist the Coaches.

Last Saturday two new coaches were added to the former staff consisting of head coach "Jack" Hollenback, Penn '04, and "Henny" Scholl, State '00. These welcome additions were Fred Heckel '99, who was substitute quarterback in his freshman year here and played a strong game on the varsity in his final three years at the same position; and E. K. Wood, who was a lightning end during the season of '99. Both these men played more or less with "Henny" Scholl in his four years of varsity football at Penn State and have returned to their alma mater to offer their services in helping to down Bucknell this Saturday. "Dudley" Heckel called the signals in '98 when Lafayette was met on the gridiron for the last time and downed 5 to 0, Princeton was held to a single touchdown that year also with Heckel at quarter. He played on his class baseball nines while in college and the State spirit is still very active in him. Wood played a splendid game at the left terminal of the line in 1899, when the Army was beaten 6 to 0; afterward he coached here during one season and then coached at Indiana Normal, as well as playing on

## THE WRESTLING MEET

Sophs Win Annual Wrestling Match.

Bouts Were Slow and Less Interesting Than in Former Years.

By winning the wrestling match over the Freshmen last Friday night in the Armory, the Sophomores added another victory to their list of victorious inter-class scraps. The freshmen grapplers succeeded in winning in only one out of five bouts that being in the heavy weight class.

A large crowd gathered around the mat to witness the contest and to see a match that was fast, clean and decisive in all the bouts. When the wrestlers from both classes appeared they seemed to be in the pink of condition, each man feeling confident of victory. In most all the events the freshmen lacked the experience necessary to bring victory into the 1914 camp, nevertheless the new men can be commended on their gameness in making such a fight against the seasoned wrestlers of 1914. Both freshmen and sophomore wrestlers were as evenly matched as possible except in the heavy weight class where Vogel '14, had the advantage in weight.

When Jarrett '13, and Jones '14 came upon the mat in the 125 pound class, it was difficult to pick the winner. After a few moments Jarrett assumed the aggressive and had his opponent's shoulders pinned to the mat at the close of three minutes and 51 seconds. In the second bout of their class the freshmen fought gamely but was finally downed in 4 minutes, 59 seconds.

The exhibition of the evening was seen in the 135 pound class between Karcher, '13 and Fisher, '14, although Karcher had slightly the better of the argument Fisher never hesitated to try to secure a hold on his opponent even when he was the under man. This match went the limit in both bouts, the decisions going to Karcher '13, for superior aggressiveness.

In the 148 pound class, Johnson, '14 put up a good fight against Fulkman, '13, never giving up until he was finally thrown in 4 minutes 13 seconds. In the second bout he came back strong with the endeavor to wipe out his previous defeat. Fulkman played him out by his quickness and the sophomore secured the decision for superior aggressiveness after 9 minutes.

Shollenberger, '13 made short work of Grimbling, '14, in the 158 pound class. He secured a neck hold and in 33 seconds Grimbling had his shoulders to the mat. The second bout was a repetition of the first, Grimbling going down after 45 seconds.

The heavy weight wrestler for the sophomores, Warner did good work against his heavier opponent Vogel, but could not overcome this severe handicap. Vogel, '14, was given the decision for superior aggressiveness by referee "Pop" Golden.

The meet while a decisive victory for the sophomores, lacked the usual spice that has made the event so successful in past years. The bouts were slow and in many instances too one-sided to be interesting. The freshmen, however, are to be commended on their efforts.

Herman Here.

B. M. Herman '10 returned to college the early part of the week and will give his attention in aiding the coaches in perfecting the team for the remaining games this season.

## THE BUCKNELL GAME

Lewisburgers Determined to Give the Blue and White a Hard Battle.

STATE'S TEAM IN GOOD SHAPE

Large Delegation of Bucknell Students to Accompany Orange and Blue Team Here for Saturday's Game—Confident that their Team Will Unexpectedly Surprise the State Aggregation.

Next Saturday our team will line up against our old-time rival Bucknell. And as the time draws near our coaches and players realize more and more that we are not going to have quite so easy a time as was expected earlier in the year. Although the Orange and Blue team did not make a very good showing in the early part of the season, they have entirely redeemed themselves and nothing but a hard game can be looked for day after tomorrow.

Bucknell was downed 33 to 0 at Lewisburg last fall and 33 to 6 on Beaver Field the year before. It has been beaten by the Indians 39 to 0, by Dickinson 9 to 6, by Lafayette 12 to 0 and by Gettysburg 9 to 6 this year. Even though the Lewisburgers have downed Lock Haven Normal 6 to 0 and West Virginia 9 to 0 during this season, their record is not a formidable one even though they outplayed Gettysburg last Saturday and made a good showing against Lafayette. Nevertheless there is no overconfidence in our camp as the Villanova game is not yet forgotten.

In the past we have won 10 out of 13 games from Bucknell, scoring 219 points to their 63. The Lewisburgers have held us up in a financial way this year but that has not lessened in any measure the desire to defeat them and we certainly hope to see one more Orange and Blue scalp taken when the sun goes down next Saturday night.

The Bucknellians have been preparing for the coming game as they have for no other this season and they will surely be a hard eleven to handle. Fellows, with the loyal support of every last mother's son of us, our team can equal last year's score, so let us go to it and give the team what it rightly deserves and our visitors the most rousing cheering and the best college singing they have ever had the privilege of hearing. The lineup has been doped out as follows:—
