## SOPHOMORES DEFEATED

### Freshmen Play a Wonderful Uphill Game.

### BOTH TEAMS SECURE A TOUCHDOWN

The Freshmen Rejoicing and Jubilant Carry Canes to Chapel on Sunday Morning.

In one of the best inter-class football games ever seen on a State gridiron the freshmen came off victorious by the close score of 6-5. By taking a magnificent sprint in the second half of the game, 1914 secured a touchdown thereby tying the score and forging one point ahead by kicking the goal. The inexperience of the players and the presence of the large crowd seemed to tell on the freshmen at the beginning of the game but they overcame this handicap towards the end of the second quarter, coming back into the game with the determination of winning the important struggle. The winners would have been hard to pick before the game, both teams being so evenly matched and in good shape after several weeks of hard, strenuous coaching.

The first quarter started with the freshmen kicking off to the sophomores. The sophomores resorted to a kicking game calling upon Bevan to do the punting so as to work the ball into 1913 territory. They succeeded in doing this and by the steady work of the backs and ends the ball moved toward the freshman goal. The 1914 linemen did not hold until the ball was on their own one yard line when 1913 was held for downs. The freshmen punted out of danger but by a series of punts and a fumble the coveted pigskin was again in the possession of the sophomores on their opponent's 20 yard line. A number of cross kicks brought the ball within one foot of the ever desired goal but again the opposing line held like a stone wall and 1913 was held for downs. The sophomores secured their first touchdown in the second quarter as the result of a blocked kick. McCleary who played a good game throughout for the sophomores broke through the line, blocked the kick, and fell on the ball back of the freshman goal. Clark failed at goal.

Few substitutions were made at the beginning of the third quarter. From this time on the tide of fortune favored the freshmen, who played the sophomores to a stand still and gained ground at will. Johnson, Shupe, Rose, Baldwin and Lindsay carried the ball for a number of gains through the sophomore line and around the ends, but every inch of the way was secured only after a hard fight. Vogel made several yards about the end from tackle position. Karcher and Clarke handled the punts of Rose and Hittner unerringly.

The touchdown that won the game for the freshmen was made as the result of a blocked kick similar to the way in which 1913 secured hers. The ball was on the sophomores' 15 yard line when Bevan attempted to kick it into safer territory, but the line gave way, a freshman blocked the kick and the ever present Baldwin fell on the ball back of the posts. Johnson kicked the goal that won the game.

All the men played good ball. Skinner, Karcher, Wilson, Bevan and McCleary showed up well for 1913 while Baldwin, Johnson, Foster, Hittner, Rose and Vogel aided materially in bringing victory to the freshmen. In several instances the game was rough and several penalties were handed out by the officials.

There is great rejoicing in the freshman camp over their first victory. On Sunday morning it was an easy matter to distinguish the freshmen, for on their faces was the proud look of triumph and in their hands were canes which they will treasure throughout their whole college career. However the sophomores are not discouraged and will come back at the freshmen with renewed zeal in the remaining inter-class conflicts. The line up follows—

## THE BAND CONCERT

Delightful Program Rendered in Auditorium Last Sunday Evening Was Well Attended By Many of the Pennsylvania Day Visitors.

The Auditorium was crowded to its fullest capacity last Sunday to enjoy the musical treat of the Cadet band under the leadership of director Snavelly '12. The program was most artistically arranged and in the instance of every selection the appreciation of the audience was very plainly manifested by the pleased look on the faces of those in attendance. Mr. H. P. Armstrong's solos were beautiful beyond comparison and his selections were one of the predominating features of the concert.

The program as given was as follows: March Washington Greys; overture, Wilhelm Tell; valse, Venus on Earth; selection, Ermine; piano duo, Symphony in C, minor, op 11, (a) Molto allegro, (b) Andante con moto, Miss Atherton and Miss Katharine Foster; baritone solo, (a) His Lullaby, (b) From the Land of the Sky Blue Water, H. ## THE SENIOR DANCE

Most Successful and Largely Attended Social Function Ever Held in Armory.

Last Friday evening in the Armory will never be forgotten by anyone who had the pleasure of being there, for it was on that evening that the seniors tendered their annual Pennsylvania Day dance to the visitors of the college.

The Armory was decorated in its usually attractive style, Vollmer of Harrisburg having this work in charge, and his decorators are to be congratulated on their exceptional ability in this line. The college orchestra rendered an exceedingly good program and everybody who attended is fully convinced that it is entirely unnecessary to step outside of the college to obtain good music for occasions similar to this. The floor too, was in excellent condition for good dancing and it was a very pleasing spectacle to watch the couples go gliding by to the strains of a popular waltz or two step. And of course it would not do to pass on without saying a few words about the young ladies and their gowns. It is not for us to criticize the latter nor to make many remarks about the former. However we will say that it was one of the best, if not the best looking and most beautifully gowned company of young ladies that ever attended an affair similar to this at this institution. We would say more, but hardly think it wise. Let each fellow who was there, speak for himself.

All in all, the affair was a most delightful and enjoyable one, and the attendance was larger than ever before, more than four hundred persons, taking part in the festivities. Dancing began at nine and continued until almost twelve when a very delightful and acceptable lunch was served by caterers Dunn and Wood, after which dancing was again resumed and continued until half past two.

The committee is to be most highly commended for its untiring efforts and great thoughtfulness in arranging and carrying out everything which added to the comfort and enjoyment of the guests.

### Trustees' Action.

At a meeting of the Board of Trustees held on Friday last, the laying of a water main on Fraternity avenue to supply the fraternity houses was ordered.

The resignation of Professor George A. Whittemore was accepted to take effect at the end of the semester and Mr. Edwin A. Cottrell was appointed assistant registrar in his place.

John M. McKee of the class of '10 was made assistant in agronomy instead of F. S. Bucher, resigned.

Dr. Benjamin Gill was given a leave of absence until the end of the semester.

Miss Simmons was given a year's leave of absence to pursue advanced study.

A contract was made with the Bell Telephone company to extend and improve the college service.

The gymnasium fee was ordered reduced from \$6 to \$4 beginning in September, 1911.

A second High School Principals' Conference was authorized. The same to be held during the spring of 1911.
