### The Northern Trip.

Yesterday our baseball nine left for its Northern Trip; this afternoon Cornell is scheduled for a game at Ithaca, to-morrow Syracuse at Syracuse, and Saturday Bucknell at Lewisburg. The Cornell-Penn. State series on the diamond is especially interesting as we have downed the "Big Red Team" in three out of the four past struggles. In 1906 the Corneliens won in sixteen, innings, but we turned the tables in '07, although it took seventeen rounds to accomplish the feat. Below is a summary of our baseball games with Cornell, the 1909 contest being prevented by rain.

In '08 Captain Cree's great team defeated Syracuse 4 to 3 in the only encounter Penn State has ever had with the "Orange" on the diamond.

Against Bucknell the final opponent on manager Chubbuck's "Northern" jaunt, the Blue-and-White has waved triumphant in ten games out of fourteen. Only two out of nine struggles were dropped to the Lewisburgers previous to 1899, while our teams have taken three out of five battles since the renewal of athletic relations in 1908. The two splendid 2-to-1 victories gained by Captain McCleary's players last spring over Bucknell are especially noteworthy as Klepfer twirled brilliantly and our men hit in timely fashion. Here is the Penn State-Bucknell baseball record in condensed form.

Year	Score	State Pitcher
1888	Penn State 9 Bucknell 0	"Lefty" McIlveen
1888	Penn State 2 Bucknell 11	Bob Vorhis
1893	Penn State 10 Bucknell 2	"Cy" Miller
1893	Penn State 10 Bucknell 8	"Cy" Miller
1896	Penn State 5 Bucknell 4	Bruno Klepfer
1897	Penn State 0 Bucknell 0	
1897	Penn State 4 Bucknell 3	
1899	Penn State 10 Bucknell 8	
1899	Penn State 6 Bucknell 4	
1908	Penn State 0 Bucknell 2	
1909	Penn State 4 Bucknell 2	
1910	Penn State 2 Bucknell 1	
1910	Penn State 2 Bucknell 1	

Next week captain Kelly's nine will play Grove City College here on Tuesday and Villa Nova here on Friday and Saturday.

### An Interesting Letter.

The following letter, which Professor Espenshade recently received from an entire stranger, will it is believed, be of general interest to the readers of the State Collegian:

The Art Club of Philadelphia  
April 26, 1911

"Prof. A. H. Espenshade,  
State College, Pa.  
"My dear Sir:—While in Lancaster a week ago, I stopped at the same hotel with your Dramatic Club (The Thespians), and witnessed their very excellent production, which created a splendid impression upon all who saw it. But what impressed me most was the quiet and dignified manner in which the young men conducted themselves at the hotel. Having produced plays in a great many colleges and in the last universities both in the east and the west, I was naturally interested, and I should like to say that I have never seen a crowd of young fellows under more perfect discipline, or who were kept so well in hand and deported themselves in a manner which reflected so much credit on the college which they represented. Believe me most sincere when I offer my small word of praise and congratulation.

"Sincerely,  
"Donald MacDonald."

### State Third in Penn Relays.

State made a creditable showing at Philadelphia last Saturday. "Speed" Miller our first runner got away poorly, dropping in to fourth place and finishing in the same position. Fisher our next man ran a careful race finishing in second place, an Indian runner being in the lead. Leyden in the third race beat the Indian to the tape by three yards, thus starting our fourth man, Chubb, off in the lead which he maintained till about 100 yards from the finish when he was passed by an Indian. When within two yards of the tape Swarthmore forged ahead of State giving the Blue and White third place.

State was entered in the next place to the one mile championship. The colleges entered in the first class, colleges, finished in the following order, Carlisle, Swarthmore, Penn State, Columbia, Lafayette, and Amherst. The time of the winning team was 3:29 3-5.

### Opening of Class League.

The Interclass Baseball League opened last Saturday with an exciting contest in which 1914 was victorious. The initial struggle was marked with plenty of class spirit and this along with the good attendance showed that the interest in the class league is increasing rather than decreasing. The feature of the game was the exceptionally good playing of the freshman outfield.

The score at the end of the game stood 6-4 in 1914's favor. Heckinger, the sophomore pitcher fanned 11 men, and Duncan, the freshman twirler, 6. The former granted 4 passes, and the latter 5. Two base hits were made by Murphy, Smith, and Graham. The teams gained 9 hits apiece.

### Senior Wins Prize.

The Daughters of the American Revolution of Pennsylvania have for several years past offered a prize of fifty dollars for the best essay written by a Senior girl student of any college of the state of Pennsylvania. Miss Katherine Kessler of the class 1911 of this college has succeeded in winning this prize. Miss Kessler's subject was "Women of Most Potent Influence in Philadelphia during Colonial Times." Too much praise cannot be given to Miss Kessler. This is also the third time that the prize has been awarded to a student of the Pennsylvania State College.

## Have You Ever Traveled for Business or Pleasure?

Why Not Combine the Two

Our proposition assures your expenses and you can make a considerable sum for next college year. The work is the most valuable training a young man could have.

Physicians are the best class of men to do business with and are accustomed to buying from salesmen.

Later on you will be tied down by your chosen occupation and a season on the road will be something pleasant to look back upon. There is nothing that broadens the young man and puts an edge on a keen mind like road work.
