## Rules for Pushball Scrap.

### Article 1.

This scrap shall be substituted for the picture scrap between the sophomore and freshmen classes, and shall be a regularly scheduled contest.

### Article 2.

The scrap shall be held on the second Saturday afternoon following the opening of the college year.

### Article 3

Sec. 1. The scrap shall be held on some suitable field which shall be so chosen and so laid off as to give neither side the advantage.

Sec. 2. In laying out the field a center line shall be drawn across its entire width, with parallel lines every five yards to each goal line.

Sec. 3. The judges shall choose the field and fix the boundaries making them as extensive as practicable. They shall also superintend the laying out of the field.

### Article 4.

Sec. 1. At the start of the scrap the ball shall be conveniently located on the center line of the field.

Sec. 2. A picked team of five men from each class shall group themselves about the ball.

Sec. 3. The classes shall arrange themselves on the five yard lines from the center line.

Sec. 4. The first choice of sides shall be determined by lot, but the contestants shall exchange sides for each period.

### Article 5

Sec. 1. At a preparatory signal, the picked teams shall raise the ball and poise it in the air.

Sec. 2. At the report of a pistol

the scrap will begin, and shall continue for three periods of ten minutes each, the object of each class being to push the ball into the enemy's territory.

Sec. 3. The judges shall announce the end of each period by means of some previously arranged signal.

Sec. 4. If the ball be pushed out of bounds, the referee shall put it in play twenty-five yards inside the boundary line, and place the classes in a similar manner to that of the start.

Sec. 5. When the ball touches the ground, it shall be declared dead by the referee, and both classes shall withdraw from the ball immediately.

Sec. 6. The referee shall then put the ball in play at the point at which it was declared dead by placing the classes in a manner similar to that at the start.

### Article 6

Intermission between periods shall continue for five minutes.

### Article 7

Sec. 1. A goal shall score two points.

Sec. 2. At the end of each period, the side that has the ball in the enemy's territory shall score one point.

Sec. 3. The class that scores the greater number of points shall win the scrap.

### Article 8

Sec. 1. The referee shall be a member of the faculty, or an alumnus of the college who has been graduated at least three years.

Sec. 2. The judges shall consist

of the senior and junior class presidents and one other (a member of the faculty or an alumnus) chosen by them. Aside from choosing and laying out the field, the judges shall have charge of construing these rules, and making temporary rules to cover unforeseen circumstances.

Sec. 3. The judges shall select ten members from each of the upper classes to oversee the scrap, and to enforce fair play.

### Article 9

Sec. 1. Athletes in training may, or may not, enter the scrap, as the coach, and the physical director decide.

Sec. 2. All men participating in the scrap must wear tennis shoes.

### Fall Tennis.

The inter-fraternity doubles tournament is well under way, the semi-finals having been reached. The final round will be played by October 5th, weather permitting. W. P. Twaddell '10, who with Reber '14 is expected to reach the finals in the doubles, has returned to college to take a special course in horticulture, and will materially strengthen Penn State's tennis team next spring. It was the intention of the tennis committee to hold the inter-department singles this fall, but whether this will be done has not yet been decided. Through the courtesy of Mr. Gilliland, the manager of Meek's Drug store, gold medals will be presented to the winners in both the fraternity doubles and department singles.

One hundred and fifteen new men have already joined the Y. M. C. A. Why not get in line?
