

### We Wonder.

If, after next Saturday, Cornell will consider her future contests with Penn State of minor importance.

How many class banquets will be held in Pittsburg during the football trip.

If it is possible to abolish hazing at Penn State entirely.

If it not time to elect a baseball manager for the collegiate year of 1911-'12.

What the loyal rooters for Penn thought when the news of our decisive victory over Gettysburg reached them.

How many students we will send to the football games with Penn and Pitt.
