

Continued from page 1

back on the All-Star eleven from Pennsylvania colleges. In all-around ability we not only consider him the best among college elevens, but one of the best of the year found in the whole country. Mauthe is a great punter. In this art he more than held his own with every man he measured kicks with this year. He was one of the best men this year in secondary defense."

Mauthe is also a good basketball player. In the interclass basketball league Lester was always a hard man to stop when he started down the floor with the ball. This year he is playing varsity basketball.

All honor is due Captain D. W. Very and let us all hail the new leader of 1912, Captain J. L. Mauthe.

COLLEGE NOTES.

January 11, 12, and 13 are the registration days for the second semester.

G. C. Chandler '04, formerly an instructor in chemistry, and who has been engaged in work along practical lines for the last three years, will return to his former position in the department of Chemistry at the beginning of next semester.

Plans have been submitted to the State Board of Health for the new sewage disposal plant and five sites have been offered, all being between State College and Lemont. As soon as one of these locations is decided upon, the work of construction will begin.

Dr. Baker has resigned his position as head of the forestry department to accept a call to the University of Illinois.

H. M. Glazier, instructor in Architectural Drawing, has resigned and will go into practical work.

W. H. MacIntire, assistant in Experimental Agronomy, has accepted a position at the University of Tennessee.

Out of 541 new students registered as freshmen, only 5 have been dropped from college so far this semester. This is a remarkable record in as much as it eclipses in this respect the showing made in former years.

The Minor Sports constitution was unanimously adopted by the members of the Athletic Association at the Wednesday morning mass meeting.

The Engineering Experiment Station will, in a short time, issue a bulletin on "Hot Blast Heating for Factories and Shop Buildings." The bulletin will be about eighty pages in length, and the text will be illustrated.

Professor Wood has begun the work of recalibrating the dynamometer car.

The excavation and grading for the foundations of the new Engineering Extension is about completed, and construction work will soon be started.

New Penitentiary Plans.

The options for the new State penitentiary site, which is to be located in the region of the Peru station on the road between State College and Bellefonte, were submitted to Gov. John K. Tener and Attorney General John C. Bell the first of this week at Harrisburg. The site takes in over 4000 acres of valuable agricultural and timber lands. They also discussed at that time the matter of starting to work on plans for the new institution, and the proposition to consolidate the Western and Eastern Penitentiaries.

Notice

The next issue of the Penn State Collegian will appear on Thursday January 11, 1912.

EXCHANGES.

On account of numerous failures, the entrance age limit at the University of Washington has been increased to twenty-one years.

Gifts to Columbia University during the past year aggregated nearly three million dollars, which will be used to construct buildings and will raise the endowment fund to \$52,000,000.

Hereafter at Michigan no summer practice is to be allowed by the football men as a body.

Byrn Mawr has been left \$750,000 by an alumnus who was recently killed in an automobile accident.

Professional coaches for the crews have been abolished at Yale. The same will soon be done for baseball.

At a recent meeting of the Senior class of the University of Chicago it was announced that the moustaches of the Senior men should be shaved off at once, and that anyone who is caught with that "hirsute" adornment should be cast into the swimming tank.

Basketball has been dropped at Trinity. The manager submitted his schedule to the faculty, but they would not approve it, and have forbidden any games. Trinity has thus been forced to cancel all her games. The students, however, are taking steps to have this action reconsidered.

Harrisburg Club Dance.

The Harrisburg Club will hold its Second Annual University Dance. Tuesday evening, December 26, at the Masonic Temple, Harrisburg. Undergraduates and alumni of this college or of any other college or university of this country are invited to attend. This dance tends to be one of the biggest during Christmas week at Harrisburg.

Also, on Wednesday afternoon the club members will hold a theatre party at the Orpheum.

Geo. W. Groff Married.

Notice has been received of the marriage of George Weidman Groff '07, to Miss Eva Aivilla Brinser on Tuesday December 19, 1911 at Harrisburg. In June, Mr. and Mrs. Groff will sail for China where the former has been connected for a number of years with the Canton Christian college.
