THE SOCCER TRIP.

Penn State Team Makes Good Showing on First Soccer Trip.

On Tuesday morning, Dec. 19, the Penn State soccer team left for the first trip. Haverford, Westtown School, and the University of Pennsylvania teams were played, the results being a defeat at Haverford 3-2, and ties scores at Westtown and Penn 1 to 1, and 0 to 0, respectively. As this was the first time that the Blue and White was ever represented by a soccer team in the east where the sport is so popular, the outcome of the series was somewhat doubtful. However the result was most creditable.

The treatment which our fellows received was splendid. This was especially noticeable at Haverford, where in addition to the regular guarantee, sleeping quarters were provided in the dormitories and every possible kindness shown to the visitors.

The first game played was with Haverford. Penn State held the team which last year won the inter-collegiate championship in soccer to a 3 to 2 victory for the home team. The contest was hard fought throughout. Although we lost the game, the showing of our players was splendid. Savery, Tobin and Stewart were the stars.

The second contest was with Westtown school. As the 1 to 1 score signifies the match was very close. Valentour made the only goal for State early in the game, and this was soon followed by Westtown's single score.

The last game of the series Dec. 21, resulted in a scoreless tie with the University of Pennsylvania. The last game was the closest and the best of the three. On the strong Penn team, several Englishmen playing on the team had introduced a great deal of science into the Penn style of play, but the spirit and the gameness of our lads kept the opponents from scoring. "Dex" Very was easily the star of the game, several times dribbling the ball the whole length of the field.

Mr. J. M. Spangler, '11, is with the signal department of the New York Central and Hudson River railroad.
