You read about the Olympic games; the contest for supremacy, men competing in skill, swiftnsss, strength.

Business is like that; a little. We're trying to excel in our business; not so much to beat somebody else, but to excel ourselves.

Our goal is "the highest service to our customers;" we want every man who comes to this shop to get what's best for him.

We shall sell ready to wear and custom made clothes, haberdashery, hats, in newest approved fashions and best qualities, because they belong to just such a shop and just such a service idea as this.

The stocks will be constanly replenished and new fashions as as introduced will be added as duickly as brought out.

We shall try to merit your patronage by the service we give.
