WEDNESDAY, OCT. 30, 1912

Probably the largest Off for number of students from Penn. this college that ever witnessed a Penn-Penn State game will leave on the special trains for Philadelphia this week. The size of the crowd that will represent the best interests of our Blue and White next Saturday is dependent largely upon the wonderful victories of Captain Mauthe's team over W. & J., and Cornell. The class banquets of the junior and sophomore classes will also be an inducement for many men to take the trip.

The Pennsylvania game has always been the hardest game on our schedule. Large numbers of our student body have gone year after year in the hope of seeing a victory. Last year the long hoped for time did come when Captain Very's team decisively beat the Red and Blue. Will any man who saw this game on Franklin Field ever forget it, and will any person who heard the returns in the Old Chapel ever regret anything more than the failure to see this game? This year we can sacrifice many things in order to see what promises to be a splendid game and more than that another victory for Penn State. The team will leave Thursday at 5:15 p. m. Let us all give them a rousing send off and then as many as possible be on hand at Franklin Field Saturday to do what only a large number of supporters can do for a loyal eleven. In the representation of our college by such a large number, actions will speak louder than words. The conduct at previous Penn games has never been questioned and it is up to the fellows who take the trip this year, to hold the good reputation thus far established by Penn State students while at Philadelphia.

All persons desiring to read papers from other colleges and universities can find copies of a large number of the same in the Y. M. C. A. rooms in Main Building. These papers come as exchanges from other institutions, and contain some interesting news. Any persons desiring to have other exchanges placed in the racks can

consult the editor of this paper, and an attempt will be made to secure them. In the past considerable interest has been shown in these publications and many fellows read them. Please do not remove any issues, and do not cut clippings from any unless you have the paper reserved after every person has had a chance to read it.

Last year it was decided to do away with the announcement of county club meetings and other announcements that are uninteresting to the majority of the fellows who attend Wednesday morning mass meetings. If mass meetings are to be successful they must be interesting and must deal with affairs that concern the student body as a whole. The "Collegian" will print announcements of any meetings, provided the same be handed in before Monday evening.

For the benefit of those who do not understand, we wish to say that our Student and Faculty Directory will be given free to everyone who subscribes for the "Collegian," not only to those who subscribed at the \$1.25 rate, as was supposed by some. Work upon the directory is being rushed, and the same is rapidly nearing completion. We hope to present it at an early date.

BY THE WAY.

The opening of the Rose Vanderbilt football game at Nashville, developed a brand new wrinkle in football. Following the kickoff Rose lined up hurriedly, then shot a long pass toward the side line to a man in citizen's clothes. He ran forty yards and was downed by the Vanderbilt end. To the astonishment of all, he then took off his hat, coat, trousers, and shirt, and was found wearing a regular football uniform underneath. The Vanderbilt players had not noticed that only ten Rose players had lined up in their regular positions.

Annette Kellerman, the popular little diving girl, got another taste of college life at Syracuse University last week. She gave an exhibition of swimming and diving in the pool of the men's gymnasium to which all the members of the university were invited.

In their respective football careers so far Princeton has run up the enormous total score of 234 points, and Carlisle has passed the 200 mark. The high scores made by smaller colleges against larger universities has been the predominating characteristic in football activities so far.

In a straw vote taken at Bucknell University Theodore Roosevelt was the successful candidate.

Resolutions of Condolence. Whereas God in his infinite wisdom, has seen fit to call from this earth the father of our classmate, Ralph W. Harvey, be it resolved, that we, the class of 1914 of The Pennsylvania State College, extend our sincere sympathy to our classmate and his relatives in their bereavement.

And furthermore, be it resolved that this resolution be entered upon the minutes of the class and published in the Penn State Collegian.

And furthermore, be it resolved that a copy of these resolutions be sent to the family.

Committee: C. Edward Lyon. Clarence D. Gibbs, Paul P. Suiter.

The Socialism Study Society.

For the purpose not only of studying the principles and aims of Socialism but also for the consideration of the political and economical questions of the day, the Socialism Study Society has been organized here. A definite course of study has been outlined which deals with the condition underlying the unrest which has given birth to socialism and socialist remedies for existing evils due to these conditions.

"Present conditions" were discussed at the meeting held last Wednesday night, and an earnest argument for and against the socialistic view resulted. The meetings are open to all, and everybody is free to express their views concerning the topic under discussion. The next meeting will be held November 6, at 7 p. m., in Room K. Library. The subject will be "The Economic Interpretation of History."

An Excellent Recital—Free. The first recital by pupils of Prof. and Mrs. Robinson will be held on Wednesday October 30, at 8 p. m. in the Foyer of the Auditorium.
