ENGINEERING NOTES.

Professor J. A. Moyer has been elected a member of the Committee on Standards and Motor Testing in the American Society of Automobile Engineers. The only other college professor on this committee is R. C. Carpenter of Cornell University, who has also a national reputation for experimental work in Mechanical Engineering and engine testing. At present this committee is engaged particularly with arranging standard conditions for the testing of automobile engines and carburetors.

The industrial work carried on in the State College Boro. schools as extension work of the School of Engineering under the guidance of the Industrial Engineering Department will be extended to the last year of the grammar section. Mr. Tompkins will conduct the work, with an advisory committee consisting of Mr. Broderick and Mr. Bowman, both of whom have had practical experience in teaching industrial work in the grammar grades of public schools.

Musical Notes.

A special musical program is being prepared for the usual Pennsylvania Day exercises. The orchestra, glee club, and male quartet will participate. On the following Sunday, November 24, a concert will be given by the combined college musical organizations—glee club, quartette, band, orchestra, and mandolin club.

The Pilgrim Girls.

The Pilgrim Girls will give a performance in the Auditorium on Saturday evening under the auspices of the Y. M. C. A. The entertainment will prove to be a very excellent one. The tickets are now on sale. Do not miss the show—everybody goes.

Mr. F. Buchman will speak at the Penn State Educational Association at Harrisburg on Dec. 26. His topic will be "Moral Education in Higher Institutions of Learning."

PENN STATE WINS THE DUAL MEET

Penn Runners Outdistanced by Captain Keyser's Runners. Score 25-30.

Penn State was not only victorious in football Saturday, but in the morning Fairmount Park was the scene of a decisive victory for our cross-country team in the dual meet with Pennsylvania. Because of the fact that the contest with Penn was the first time that our teams have ever entered a dual meet with the large universities, the victory Saturday was a big achievement for the Blue and White. Great credit must be given Coach Wright and Captain C. A. Keyser for the manner in which interest in cross-country has been revived and the showing made by our team.

Keyser finished first in the run over the course and, of the first five men in, three were Penn State men. The victory was clean cut for us and was a great surprise to the Penn team and supporters. At the turning point, four of the first five men were State College lads, but on the return trip they fell back. Keyser was in the lead and Lum running just behind. Lum caught up and both ran abreast until about 200 yards from the finish, when Keyser sprinted and crossed the line an easy winner.

Langner, of Penn, finished third in the race and made a desperate attempt to gain on Keyser but failed. Huston came in fourth. Schroder, a new man at Penn State this year, won fifth place and was beaten by Huston by only 5 yards. Keyser came within 20 seconds of equaling the record for the course.

The statistics of the race are as follows:

Contestant	College	Time
Keyser, Penn State	Penn State	28.13 4-5
Lum, Penn State	Penn State	28 19 1-5
Langner, Pennsylvania	Pennsylvania	28 32 1-5

Harrison, Penn State	Penn State	29.17 1-5
Cranski, Pennsylvania	Pennsylvania	29.55 4-5
Webster, Pennsylvania	Pennsylvania	30 01 1-5
Team score: Penn State		1-2-5-8-9-25.
Team score: Pennsylvania		3-4-6-7-10-30.

The meeting of the Christian Association next Sunday will be addressed by Mr. Henry Israel of the International Committee of the Y. M. C. A. and also editor of "Rural Manhood". His theme will be on the subject of rural awakening which is such a live issue at this time and which presents so many problems for solution. This will afford a good opportunity to become better acquainted with the facts.

FRESHMEN FORFEIT

Dispute Arises in Regard to a Forward Pass, and Indignant Freshmen Leave Bellefonte Field.

While the varsity team was acquiring its laurels in Philadelphia, the Penn State freshmen experienced rather a deplorable episode on the Bellefonte field. As the 1916 delegation did not deem it advisable to accept a certain decision of the officials, the game was forfeited to the Bellefonte Academy by a score of 1-0.

A large majority of the freshman class had assembled to support their team. In the first half the teams were about evenly matched, for neither side managed to score. The two opposing factors were quite proficient in offensive tactics, but both teams were weak in the defense.

All the friction occurred in the 3rd quarter, when several questionable decisions were made. It was maintained by some of the spectators that Bellefonte was allowed five downs in which to secure its touchdown.

In the next scrimmage, Devine intercepted a forward pass, and then ran 35 yards for a touchdown, but he was called back because Referee Bower asserted that the ball had touched the ground, contrary to the testimony of numerous observers.

According to the version of the freshmen, the officials were so lax or incompetent, and the attitude of their opponents so hostile, that they did not consider it advisable to continue the game.

Although there are two sides to every story, it is hardly conceivable that the 1916 team would have acted thus, had it not been justified in so doing.
