BY THE WAY.

With the holiday granted to them by President Hibben because of the outcome of Tuesday's voting, the Princeton students remained up until the small hours of the morning on Wednesday of last week, celebrating the election of Woodrow Wilson to the presidency. Bonfires were started in Nassau street, the principal thoroughfare of the town, and these were built into great piles that lighted up the whole town. The fires blazed until daylight and some of them later.

On the eve of a national presidential election William Jennings Bryan Jr., celebrated a victory that his distinguished father failed to win, for the son of the Nebraskan is now the president of the freshman class of Georgetown University. The members of the class will meet next Saturday to elect the remainder of the class officers.

No "steam roller" methods were employed in young Bryan's election, the electors joining in common cause against the upperclassmen, who tried to break up the class meeting.

Several important articles were handed in too late for this week's "Collegian."

Football Squad Honored.

As an example of appreciation of the splendid work done by our football team, the senior class unanimously passed a resolution having as their guests the varsity squad at the Senior Dance at Pennsylvania Day.

Pittsburgh Club Smoker.

The Pitt Club will hold a smoker in the Engineering Building this Thursday evening at 6:45. Professor Bechtel will entertain those present with an oration on "The Phonograph Dog".

Senior Manager.

G. P. Murphy '13 was elected manager of the senior basketball team of the interclass league.

Interclass Cross-country Run.

The annual interclass cross-country run will be held on December 7.

Mr. Willis Whited, chief engineer of the State Highway Department, addressed the senior engineers on Tuesday afternoon on the subject of "The Engineer and the Business Man".

President and Mrs. Sparks will attend the football game between Ohio State University and Pennsylvania State College this Saturday.
