

The : Pennsylvania : State : College

EDWIN ERLE SPARKS, Ph.D., L.L. D., PRESIDENT

Established and maintained by the joint action of the United States Government and the Commonwealth of Pennsylvania

FIVE GREAT SCHOOLS—Agriculture, Engineering, Liberal Arts, Mining, and Natural Science, offering thirty-six courses of four years each—Also courses in Home Economics, Industrial Art and Physical Education—TUITION FREE to both sexes; incidental charges moderate.

First semester begins middle of September; second semester the first of February; Summer Session for Teachers about the third Monday in June of each year. For catalogue, bulletins, announcements, etc., address

THE REGISTRAR, State College, Pennsylvania

Interclass Football Game.

With men in pink of condition and both managers confident of victory, the sophomore and freshman football teams will battle for supremacy on New Beaver Field at 2:30 o'clock on the afternoon of Pennsylvania Day, November 22nd. The teams of both classes have been working hard to fit themselves for this contest and Coach Page, of the sophomores and Lubby, of the freshmen, express their satisfaction with the showing made by the teams thus far. McDonald, Vogt and Dunbar have excelled in practice for 1915, while Wood, Haven and Craig have been the stars of the 1916 squad. The former team averages about 165 pounds; the latter about 160 pounds.

The probable lineup for the game is as follows:

1915	1916
Stwart or Whrtstne R. E.	Haven
Rapp	R. T. Wheeler
Gryscza	R. G. McDowell
Stewart, D. H.	C. Watson
Gold	L. G. Grimm or Tylor
Campbell	L. T. Yerger
Dunbr or Metzgr	L. E. Devine
Smith	Q. B. James
Weston	R. H. Craig
McDnlid or Yawn	L. H. Mlony or Tevlin
Vogt	F. B. Wood

Two of Our Faculty Honored.

Professor Shattuck and Mr. Crandell have been elected permanent members of L' Association Internationale Permanente des Congress de la Route. The headquarters of the association are in Paris, and it was there that Mr. Crandell met M. Mahieu, Secretaire General, last summer and acquainted him with the work the Pennsylvania State College is doing in Highway Engineering. Both M. Mahieu and Mr. Rees Jeffreys, the British secretary, expressed the wish that the college would send an exhibit to the congress to be held in London during June 1913. The bulletins published by the society are on file in Professor Shattuck's office, Engineering Building, and may be seen by anyone interested in the subject of highway engineering.

The Collegiate Quartette.

Last night The Collegiate Quartette gave the second performance in the series of entertainments given under the auspices of the Y. M. C. A. The artists proved themselves well capable of entertaining an audience. The quartette proved itself especially proficient in unaccompanied part singing, which is impossible to achieve except by constant practice and effort.

The repertoire of the company consisted of all styles of music, ranging from the Classic and Operatic to excerpts from Oratorio and the lighter form of Glee and Madrigals. As their selection of music was so well adapted to the occasion, and as it was so well rendered, the evening proved to be a very satisfactory one.

Engineering Notes.

Mr. Bowman has designed and built a stock bin for the stock room for sheet metal and pipe fitting which, in arrangement equals the best modern practice in stock keeping.

The November "Annals of the American Academy of Political and Social Science" contains an article by Professor Hugo Diemer entitled "Factory Organization in Relation to Industrial Education".

PENNSYLVANIA DAY

Big Celebration Planned—Governor Tener and Major General Stewart Will be Here—Attorney General Bell Will Address Mass Meeting.

Pennsylvania Day this year promises to be an event unprecedented in the history of the college.

Penn State may count itself fortunate in having Governor Tener, Major General Stewart, Attorney General Bell, many prominent legislators, and members elect of the legislature, as its guests.

It has been so arranged that the day shall be comprised of the most interesting series of events, that the students can produce, so that the entertainment of the guests will not be lax.

The first event of the day will be the Industrial Parade, which will be made up of floats and original student stunts. The procession will leave Old Beaver Field at 9:30 o'clock. At the close of the parade, the dedication of the new engineering building will transpire, at which some prominent man will officiate, whose name as yet has not been disclosed.

Probably one of the most important events of the day will be the mass meeting, which will be held in the Auditorium at 10:30. Here the opportunity is presented at which the prominent executives of the State may become acquainted with the student body, and the fellows get to know the faces of their legislators. At this meeting Governor Tener, Attorney General Bell and many other men of prominence will commune with the "studes", and for this reason every man should be there.

At 1:20 the Cadet Regiment will participate in a Regimental Parade, which will be reviewed by Major General Stewart. This event will be followed by the annual football game between the sophomore and freshman classes. Judging from all appearances this game promises to be a lively contest.

In contrast to the preceding activities, the Pennsylvania Day Dance will be held in the Armory at 8:30. As most of our eminent guests expect to be present at this function, it will be a most excellent climax for the day. The dance will cease promptly at 2:00. a. m.

Penn State, with its two thousand students, its enthusiastic faculty, and its environments, probably never before was as anxious to welcome its guests as it is at present. These men come to State College to get acquainted with the life of the student and with the college generally. Each man should make it his duty to see that this desire is fulfilled. Every man should be on hand in time for the mass meeting. Every seat in the Auditorium should be filled. County Clubs should escort their respective representatives around the college.

Let's make the day a big success.

The Sunday Evening Concert.

On Sunday evening, November 24th, the combined Orchestra, Band, Mandolin and Glee Clubs will render a program which has been specially prepared for this occasion as follows:
