There's no way to describe the lively, smart styles of these new overcoats so that you'll get a really good idea of them. Even the best illustrations don't do the clothes full justice. You've simply got to see the goods if you want to "get a line" on them.

The Sim Store

has produced the best overcoat styles this season you have ever seen; unless you have a look at them you'll miss the smartest lot of stuff in the market; and we're sure you don't want to do that.

You can find plenty of good looking clothes everywhere; but there's more than looks in these. There's quality in them; fine fabrics, fine tailoring, fine finish. They're the clothes you want.

New styles for young men; new belt-back models; new colors and weaves.
