

**INDIANA UNIV. TUMBLES**

**Blue and White Matmen Win Fourth Straight Victory—Bouts Hard Fought—Score 5 to 0.**

Before the largest crowd that has ever attended a Penn State wrestling meet and in one of the hardest fought meets ever seen here, Penn State defeated Indiana University in wrestling on Saturday evening by the score of 5 to 0. Judging from the score Penn State won easily, but the score is misleading for Indiana came here with a good team and were not easily defeated. The fact that in twelve six minute bouts only three falls were recorded shows how closely each bout was wrestled and how hard Indiana fought for each and every point.

The meet was held under a compromise between Eastern and Western Intercollegiate rules. This resulted in a decision going to the winner of the best out of three six-minute bouts.

Jones in the 125 pound class had little trouble in his two bouts in getting his man to the mat, but he was unable to score a fall in either bout.

Fulkman secured the first fall of the meet by means of a half-Nelson and body hold. In his second bout he again assumed the aggressive and won easily on decision after six minutes of fast work.

Drollinger put up one of the hardest and fastest matches of the evening against Captain Shollenberger. The first bout ended in a draw, the men spending most of the time wrestling from the stand. In the second bout there was more action. After going to the mat Captain Shollenberger became the aggressor and two seconds before time was called secured a fall. No decision was given in the third bout but the match was awarded to Shollenberger on his fall of the second bout.

Very, wrestling in the 175 pound class, showed himself to be in prime condition when he kept Demmon on the defensive throughout their two bouts. The first was won by Very on decision but he took the second on a fall resulting from a body lock.

Lamb, in the heavyweight event, came nearest meeting his match in Davis, the All-Western football tackle and Indiana's captain for next year. The first and second bouts were draws. In the third Lamb succeeded in throwing Davis to the mat, the decision going to Lamb after 18 minutes of hard wrestling.

**TEAM ROUND-ING TO FORM**

**Team Learns Inside Baseball. Selections Made for Southern Trip. Coach Pleased With Team.**

Plans are now completed, the men picked, and everything rounding into shape for the baseball team's annual southern invasion.

The men who will take the trip, together with the coach and Manager Vosburg are Whitney, Wardwell, Hasselbacher, Henjerson, Vogt, R. Craig, W. Craig, Keller, Crawford, McKibben, Miller, Liebert and Kern.

Coach Manning has been drilling the men thoroughly on inside baseball for the last few days and it is safe to say that our team will go south this spring with more baseball technique in their possession than has any Penn State team previous to this time.

The coach is endeavoring to overcome the handicap that the team has undergone of having no outdoor practice thus far by giving them a mastery over the finer points of the game and for this line of work a more capable instructor would be hard to find.

The trip will serve its usual double purpose. It will help season the team for the strenuous schedule that confronts it on the return and it will give the coach a good idea of the mettle of the new men, especially the infield.

From indications in the infield Kern will be found at first, W. Craig at second, Keller at third, and R. Craig at short. The rest of the team will be composed of old men with the exception of "Shorty" Miller, who will quite likely perform in center field.

**THESPIAN PRODUCTION**

**The Yankee Brigands Scores a Hit. Cast and Chorus Good—Stage Setting and Music Original.**

The Thespians showed to a crowded house here last Friday, the quality of past Thespian performances and the expectation of another good original musical comedy assured a large audience. Over a thousand saw the play, and none were disappointed.

"The Yankee Brigands," a two act musical comedy, is concerned with the adventures of two enterprising American youths who are at the head of a band of Grecian brigands, and whose up-to-date innovations in the way of time clocks, cash registers, bell boys and the like are very amusing. Their difficulties begin when two American girls and their mother, with whom one of the boys is acquainted, fall into the hands of the brigands and are held for ransom.

Dan E. Welty '15, as Jack Henshaw, handled his part in a very creditable manner, and both his acting and his singing were greatly enjoyed. L. S. Raynor '16, as Tom Brooks, the other American youth, was the comedian of the show, and was very successful in amusing the audience.

W. B. Brush, Sp.; and H. M. Black '16, "The King" and "The Colonel", outlawed and noble brigands, played their different roles very capably.

The singing of M. E. Kressly '15, as Dimitri, was very enjoyable.

The part of Mrs. Livingston-Coles, a charming but haughty widow whose "conquests" during the play were very amusing, was well acted by L. H. Shultz '15.

Her charming daughter, Dorothy, was H. G. Miller '15, whose success as a musical comedy "queen" is undisputed. W. C. Jameson '16 was very pleasing as Dorothy's sister, Gwendolyn.

Violetta, a passionate and temperamental Gypsy maid, was represented in a realistic manner by F. G. Ashbrook '14.

The chorus of this year's show was remarkably good, and some of the best parts of the play were at times when the chorus was on the stage. Voices, dancing, and appearance combined to make a very pleasing effect. The girls were Messrs. James, Munhall, Trotter, Wilson, Rodgers, Townsend, Liebensberger and Whetstone; the men, Hooen, Clark, Darragh, Gauthier, Deane, Patterson, Graham and Clarke.

An unusual and pleasing feature of "The Yankee Brigands" is that all the music, as well as the book and lyrics, was written especially for the Thespians, the former by Victor Lecoq, the latter by Prof. J. S. Crandell. The Thespian Orchestra, directed by Prof. Crandell, has become a very capable organization. Much of the scenery also was made for the show, and the stage setting and lighting effects were very good, as well as costumes and appearance of the cast and chorus. The show should make a successful trip at Easter time.

**NOTICE.**

All those who have paid for the Collegian, and have lost their receipt may secure a Directory at the Toggery Shop any night this week between 6:30 and 8 o'clock.

**INTERCOLLEGIATE DEBATING**

**Negative Team Defeats Swarthmore by 3-0, While Affirmative Team Loses to Dickinson by 3-0.**

The varsity debating teams of this institution in their recent intercollegiate debates, scored a decisive victory at home, and at the same time suffered a defeat abroad.

The debate in our Auditorium last Saturday evening was closely contested, and both teams showed up to good advantage. The question was "Resolved, That judges should be subject to recall by their electorate. Constitutionality conceded. The Swarthmore team, which was composed of Raymond T. Bye, C. Claude Smith, and W. Russell Green, put forth strong arguments, but the main asset of this team was its oratory and method of presentation.

The Penn State team, which was made up of D. Barto, M. Horst, E. S. Ross, and J. R. Bracken, alternate, probably brought out the strongest points of the evening, although its delivery was not as good as that of its opponents.

The refutation was good in both instances, and the Negative scored a point, when it demanded its opponents to give a definite plan for putting its system into operation.

It may be said that our team suffered the natural difficulties under which the affirmative was laboring, and that was to secure good authorities, and at the same time to advance a feasible plan of institution.

Both our teams, however, deserve credit for their efforts, and as this question was possessed of peculiarly intricate conditions, it could hardly be hoped that we should have been successful on both sides.

**HOUSE COMMITTEE HERE.**

**Study Needs of the College—Pledge Support.**

In conjunction with an earlier visit made by the Senate Appropriation Committee on February 20th, the Committee on Appropriations consisting of Messrs. S. T. North, chairman, Jefferson county; H. N. Body, Berks county; C. M. C. Campbell, Allegheny county; R. S. Frey, York county; G. S. Moses, Cambria county; A. S. Moulthrop, Clearfield county; H. Neel, Westmoreland county; F. C. Reese, Schuylkill county; C. A. Shaffer, Columbia county; W. D. Walton, Lawrence county and W. F. Whitman, Crawford county; visited us on Friday, March 7th, for the purpose of studying our needs and the existing adverse conditions at this institution.

Accompanied by President Sparks and several members of the faculty, this Committee made a tour of inspection of several buildings and departments of the College and were given the opportunity to see under what handicap the students were placed in their work. At 11:20 the members of the faculty and the entire student body assembled in the Auditorium to welcome our visitors and hear what they intended to do toward the furtherance of our appropriation for this year. May we hope that the promises which we listened to will be fulfilled and that Old Penn State will receive the appropriation which she so urgently needs.

**OFF FOR THE COAST**

**The Glee Club Leaves Saturday for California—First Concert in Pittsburgh—A Big Honor for Penn State.**

The Glee Club's western trip begins next Saturday at 12 o'clock, when the members leave for Chicago. On that evening they will give a concert in Pittsburgh for the senior class of the Pittsburgh High School, in the high school building.

After leaving Chicago on Monday the club will be in charge of the Santa Fe Railway, and will follow a schedule as prepared by the company. Though all points to be visited are not definitely known here, following is a tentative outline of concerts to be given: in Chillicothe, Ill.; Chanute and Wellington, Kan.; Amarillo, Tex.; Albuquerque, Gallup, and Raton, New Mexico; Williams, Arizona; Needles and Barstow, Cal.; on the return trip, in La Junta, Col.; Dodge City and Newton, Kan. The terminus will be San Francisco or Los Angeles.

The trip is being undertaken with the purpose of promoting the name and welfare of the college. While the club members are fortunate personally in securing this opportunity, the best feature is the publicity accompanying such an affair; individual pleasure must be sacrificed to a schedule which must be rigidly followed. The trip is being looked upon as "for Penn State," and not "for the glee club."

The following will leave for California on Saturday: Mr. and Mrs. Robinson; Manager N. S. Grubbs '13; Leader G. W. Moffatt '13; H. W. James, J. W. Lewis, J. D. Pharo, and A. I. Underwood '13; A. M. Underhill, E. N. Sullivan, S. J. Keister, H. J. Webner, J. D. Hogarth, J. W. Freeman, R. L. Myers, J. A. Leyden, F. H. Lucas and R. R. Jenkins '14; G. J. Kuhlman, E. A. Siegler, E. F. Ottmeyer, R. A. Kester and G. M. Smith '15; H. M. Harvey, R. Moore, A. L. Gillespie, H. G. McCartney, C. L. Yoder, H. P. Vail, R. R. Albert and C. M. Logan '16; R. Musser and P. G. Armstrong, specials. The club will be joined at Chicago by H. G. Hollister, Penn State '11, who was instrumental in securing the trip for Penn State.

**Phi Chi Delta Fraternity.**

The Delta Chapter of the Phi Chi Delta Fraternity has been established in the Pennsylvania State College. It is a Latin-American fraternity and began locally with the following members: F. Vaillant '14, E. Rodriguez '15, R. Menendez '15, I. Bartolomei '16, M. Rosich '16, A. Solters '16, T. Colan '16, V. Colan '16, M. Rodriguez '16, and M. Cardero '16, Porto Rico; C. H. Caravedo '16, Peru.

**COLLEGE NOTES**

The members of District 8 of the United Mine Workers of America are raising a fund to provide scholarships for sons of Miners who graduate from high schools in the vicinity of Du Bois and Clearfield. Dean Holmes spoke at Cornell University on Sunday.

The civil service examination for Forest Assistant on the National Forest will be held in the Forestry Bldg. Wednesday and Thursday of this week. This position pays an initial salary of \$1100.
