person off third. The visitors could do nothing against Liebert while Penn State was powerless in the eighth. Miller led off in the last half of the ninth. With two strikes called, the little left hander drove one for over McLaughlin's head in left field, and although he fell in rounding first base he completed the circuit before the sphere could be returned. Score by innings.

MINING NOTES.

The Junior Metallurgists in charge of Professor C. E. McQuigg visited lead, zinc and copper smelters, gold and silver refineries, plants in Eastern Pennsylvania, New Jersey and New York from March 15th. to March 29th.

At the same time the Junior Miners and Mining Geologists in charge of Mr. C. A. Garner were making a survey of the Osceola Mining Company, Mine No. 5, near Philipsburg and visited several other mines in that neighborhood.

Dr. E. S. Moore was in Washington, D. C. recently visiting the U. S. Geological Survey with a view of taking up geological work in this section of the state in co-operation with the U. S. Geological Survey.

New Times, New Things
The old fertilizer formulas are giving way to the new. At every farmers' meeting one subject should be the fertilizer formula that will furnish a balanced ration to the crop and keep up the fertility of the soil. To do this the fertilizer should contain at least as much

as Phosphoric Acid. Our note book has condensed facts essential in farmers' meetings and plenty of space to record the new things that you hear. Let us send one to you before your Institute meets. A supply of these is furnished by request to every institute held in several states. We will be glad to send a supply delivered free of charge to every Institute, Grange or Farmers' Club Office on request. It contains no advertising matter.

The Educational Butter Contest for dairy butter has been started by the Dairy Husbandry Department. Pennsylvania is one of the foremost States in the production of farm made butter and it is the purpose of this contest to assist in improving the quality of this class of butter. The samples are analysed and judged and prizes and certificates will be awarded.

Professor W. H. Tomhave, of the Department of Animal Husbandry, will attend the First National Conference on Marketing and farm Credits in Chicago from April 8th to 10th and give a talk on "Co-Operative Livestock Marketing". He will also visit Purdue University and Ohio State University on this trip.
