

# PENN STATE COLLEGIAN.

VOLUME 9 NUMBER 26

STATE COLLEGE, PA., APRIL 23, 1913

PRICE FIVE CENTS

## BLUE AND WHITE VICTORIOUS

Penn State in the Latter Part of the Game Wins a Slow but Interesting Contest from Dickinson.

A home run in the latter stages of the game again won for Penn State. This time it was Mason who delivered the blow which sent defeat to the visitors. Until the eighth inning the game looked like a Dickinson victory but a hard uphill fight landed the Blue and White a winner in a whirlwind finish in the eighth inning.

Hoch, of Tri State experience, was on the mound for Dickinson and was intent upon winning, but his wildness with opportune hitting proved his undoing in the seventh and unlucky eighth. Miller opened for the locals hitting to centre field for the circuit. Hoch immediately started to work harder and struck out the next six men to face him. Mason started the third with a walk and Liebert hit to right field. Miller tried to sacrifice but finally struck out and the chance to score was lost when Mason was caught off second by Hoch's quick throw to Steckel. Crawford followed with a hit but Henderson was thrown out on a nice play by Hoch.

The visitors took the lead in the fourth. Steckel singled and scored when Rowley's hit to centre took a bad bound over Miller's head for three bases. Moose struck out but Hoch worked the squeeze play scoring Rowley. With two down, Craig's wide throw put Goldstein on base and he scored when Mason let Hittner's throw of Davis' grounder get by him.

Neither team could do anything until the seventh although Komian started the fifth with a walk and stole second; he got no further, while errors put visitors on second and third in the sixth, only to be left.

Dickinson increased her lead in the seventh when with two down Price hit a homer to centre field. Penn State's hopes also brightened when Keller's would be single got away from Rowley for two bases. Komian walked and with two strikes Mason singled, counting Keller and placing Komian on second with no one down. Liebert's attempted sacrifice forced Komian at third on Hoch's quick throw to Price. Miller then singled, but kept on going to second, which station was occupied by Liebert. In the mixup Miller was caught trying to get back to first. Crawford walked and Henderson struck out with Penn State still one run behind.

Dickinson made her total five in the eighth when Komian dropped Moose's fly, Hoch sacrificed and Goldstein singled. The latter stole second but Liebert steadied and retired Davis, Potter on strikes. With a two run lead the visitors looked like winners, but the wind and Mason destroyed all calculations. Craig, first up for State, hit a high twisting fly over second base. Steckel misjudged it and by the time Rowley had picked up the ball the peppery short stop was on second. Hittner varied things by striking out. Keller was hit by a pitched ball. Craig in the meantime got in the road of a throw to catch him off second and reached third. In attempting to catch him

at third Price dropped Hoch's throw and Keller stole second. McKibben was substituted to bat for Komian but struck out. Mason then came to the rescue. With two strikes and two balls called, he duplicated Miller's opening hit and brought victory to the Blue and White. The visitors looked dangerous in the ninth. Pauxtis walked and immediately stole second. Liebert threw out Price and held Pauxtis on second. Steckel popped up to Craig as did Rowley to Hittner ending the game. Score:

### Track Squad News.

A large number of the track squad took part in the preliminary trials held last Saturday afternoon. The strong wind that was blowing down the track served to retard the distance runners while the men in the dashes were benefitted by it as is shown by the time they made.

White won both the 100 yard and 220 yard dashes in 10.1 and 22.2 seconds respectively. Dolbin took second in both of these events. Hammitt found no trouble in winning the high hurdles while Larer again led the field in the half mile run. The mile run was won by Davis.

The candidates for the mile relay team were run in pairs for a distance of three hundred and fifty yards. The winners of these heats were Michener from Seibert, Erb from Hedrick, Leyden from Denny, Piner from Reinhardt and Craig and Chamberlain from Barron. Piner and Leyden made the best time of the heats.

The summaries:  
100 yard dash—Won by White; second, Dolbin. Time 10.1 seconds.

220 yard dash—Won by White; second, Dolbin. Time 22.2 seconds.

120 yard hurdles—Won by Hammitt; second, Armsby. Time 16.2 seconds.

Half mile run—Won by Larer; second, Jackson. Time 2:17 minutes.

Mile run—Won by Davis; second, Skillman. Time 5.16 minutes.

According to Secretary Daniels, imprisonment will in the future be the punishment of Annapolis bazers, as provided by law.

## GLEE CLUB CONCERT

Entertainment Given as Produced on Santa Fe Trip. Large Audience Well Pleased With Music and Sketches.

The Glee Club gave a concert in the Auditorium last Saturday night, the quality of which has possibly never been attained before at Penn State. The performance sets a new standard which our musical organizations must strive to uphold. The entertainment was given just as the club gave it at the numerous stops on its tour across the continent by courtesy of the Santa Fe Railroad. This was the reason for the use of several selections that had been sung here before. The concert and specialties were enthusiastically received by a large audience, which demanded many encores.

The program was presented in two parts. Part one was opened by the Glee Club singing "The Old Brigade", followed by a baritone solo by C. L. Yoder, '16. Professor Robinson sang "Bonnie Sweet Bessie" and was followed by L. R. Austin, '16, the reader who accompanied the Glee Club. Mr. Austin gave several select readings which were very pleasingly delivered. Among the numerous other numbers the College Quartette sang "My Old Bango" and "A Trajic Gale", and encored with several of their characteristic humorous selections. One piece which was heartily received was the new "College Medley", combined and arranged by Professor Robinson and dedicated to Penn State.

The second part of the program was a sketch entitled "A Glimpse of College Life" in which were introduced a number of college songs and various comic specialties. The club appeared on the stage in negligee attire. Gillespie, '16 and Armstrong special, in their minstrel attire and dialect gave a minstrel selection that caused much hearty laughter and a deserved round of applause from the audience. After two hours of most pleasing entertainment the club closed its most successful evening by singing Professor Robinson's arrangements of the "Alma Mater".

The entire Glee Club and management deserves much credit for the manner in which the exceptional program was arranged and rendered. Those who heard Saturday's entertainment will not wonder that our Glee Club was received so favorably throughout the West.

### Lacrosse.

The Penn State lacrosse team has arranged a game with the University of Pennsylvania, to be played on May 24th.

Last Saturday there were 16 men out for the team. More men are wanted however, and it is urged upon men inclined to favor this sport, to come out for the team. The chances are good for all who wish to compete.

On the whole the prospects for a successful season looks good. Although the sport is new here, it has met with speedy recognition.

Following a procession of three thousand students, Ex-president Taft made his entrance into the ranks of Yale University instructors on April 9 as a first professor of law.

Anniversary of Class of 1863.

For some months past, a faculty committee has been engaged in securing information in regard to all those men who were ever enrolled as members of the class of '63. There were six graduates and thirty-five non-graduates in the class, many of whom were here but a short time prior to their leaving to join either the Union or Confederate forces at the outbreak of the Civil War.

It is hoped that this year's reunion will eclipse those successful gatherings which we have had in former years and a pressing invitation is extended to all living members of the class of '63 to return here next commencement, June 10 and 11, for the fiftieth anniversary of their graduation.

The following are names of members of the class of '63 concerning whom we have no information. In event that any of our readers know the whereabouts of any of these men, kindly communicate with Prof. E. L. Waterman, State College, Pa.

G. W. Burton, W. B. Carville, E. L. Cauffman, J. Clark, B. L. Crompton, C. E. Etting, J. Griffith, J. H. Griffith, W. H. Hart, J. Jefferies, F. T. Marter, J. M. Martin, G. K. McMiller, J. W. Rothrock, J. D. Whittemore, G. E. Salisburg.

Keep Off the Track.

The track management requests that the students, with the exception of the officials and competitors, keep off the field during the trials that will be held from now to the end of the term. Another evil that seems to be growing is the carelessness that some students seem to show in walking across the track before runners or loitering around the jumping pits in the way of the men participating, before crossing the field to the baseball grandstand. Fellows, remember this for the next time.

### Druid Elections.

The following members of the class of 1916 have been elected to membership in the Druids:

W. A. Craig, W. J. Devine, E. P. Hammitt, W. C. Jameson, F. L. Kellar, J. R. Kessler, E. D. Maltby, R. A. Moyer, W. J. Sarver, W. C. Schroeder, G. L. Smith, G. F. Unger, W. B. Walton.

## TEAMS FOR RELAYS

Final Selection Still Undecided Penn State Team Draws Pole in One Mile Relay.

Our four mile relay team which leaves for Philadelphia this week to take part in the Penn Relays finds itself pitted against some of the fastest college teams in the country for that distance. The line up from the pole will be as follows; Univ. of Penna., Princeton, Dartmouth, Ohio State, North-western, and Penn State.

The team remains still unpicked due to the fact that several of the men are running in so nearly the same time that the choice cannot be made until the last moment. The average time made by the men last Monday was 4.40 which speaks well for Coach Martin's effective work thus far.

The one mile relay team meets the following colleges reading from the pole, State, Carlisle, Fordham, Georgetown, Ohio Wesleyan, Worcester, Polytechnic, and Swarthmore.

The men composing this team are Piner, Leyden and Erb. The fourth man will be either Michener or Liebert from which a choice at present seems hard to make. Last Monday showed these five men to be running around 53 sec., with two of them below. This is the fastest time ever recorded on New Beaver for a relay team at this time of the year and it is fully expected that they will give a good account of themselves on the coming Saturday.

### Interclass League Opening.

The seniors defeated the freshman in the first game of the Interclass League by score of 11 to 7. Very won the game in the seventh with a home run with the bases full. Line ups: 1913—Wiggins 3b, Reel 1b, Adams 2b, Murphy p, Hoffman l. f., Jones c., Linn s. s. Kepner c. f., Very r. f.

1916—Watson r. f., Josefson l. f., Zimmerman c. f., Laing 1b, Kistler s. s., Burns 3b, James 2b, Miller c, Baughman p. Score by innings:

	R.	H.	E.
1913.	2	0	3
1916.	0	2	0

Schedule: April 24 '14 vs '16; April 26, '13 vs '15; April 29, '15 vs '16; May 3, '13 vs '14; May 6, '14 vs '15; May 10, '13 vs '16; May 15, '13 vs '14; May 17, '15 vs '16; May 21, '13 vs '15; May 24, '14 vs '16; May 27, '14 vs '15.

### Civil Service Examination.

The United States Civil Service Commission announced an open competitive examination for Logging Engineer, for men only.

Eligibles resulting from this examination will be certified to fill vacancies in the position named in the Forest Service, Department of Agriculture, at salaries ranging from \$2400 to \$3000 per annum.

An application blank and circular announcement showing the requirements may be obtained from Secretary, Third Civil Service District, Philadelphia, Pa.

There is one matter of the greatest consequence to this paper, and the adjustment of which is absolutely necessary for its welfare. We are modest and do not like to lay much emphasis upon the subject, but assume that the benevolent reader will take a gentle hit.
