A SUCCESSFUL TRIP

Blue and White Wins Three Out of Four Contests on Eastern Trip. Loses to Princeton.

The Blue and White baseball team showed its true strength on the Eastern trip during the past week by winning three of the four games played. Victories were registered against Seton Hall, Lehigh and West Point. The latter two were especially worthy of note and pleasing to Penn State followers. Princeton alone won from the Blue and White, due in a large measure to poor support given Liebert. Coach Manning is well pleased with the showing his team made and said, "The boys couldn't be stopped in those last three games."

In the second inning of the game against Seton Hall McKibben was put at short while Henderson went to left field and Vogt behind the bat. McKibben played a star game at short during the rest of the trip. He, however, did not shine alone in the field. Keller played a brilliant game at third and Hittner featured the West Point game by his defensive efforts. Miller saved the game at Lehigh by a marvelous running catch in the ninth inning. With Tapking on first Keady hit a terrific drive over Shorty's head. Running back the midget center fielder leaped in the air, intercepted the ball in its home run flight, and clung to it.

Liebert started in the Princeton game and had the Tigers at his mercy until the fifth inning when his support crumbled and when the ascension was over Princeton had eight runs to her credit. Infield errors were largely responsible for the defeat. Hasselbocher replaced Liebert at the beginning of the sixth inning and kept Princeton from further scoring. Penn State scored first in the third—Mason was hit by a pitched ball and scored on Crawford's triple. Miller's triple and Keller's single were responsible for the other tallies.

Wardwell pitched a strong game against Seton Hall. Errors helped the visitors to score in the second inning but hits by Crawford, Henderson, Hittner and McKibben scored three runs for Penn State in the fourth. Seton Hall, however, tied the score immediately with a base on balls and two hits. The Blue and White won in the seventh when after a base on balls and an error had filled the bases, Crawford hit for two bases. Crawford and Henderson featured this game by their hitting while Wardwell fielded his position in fine style.

The Lehigh game proved to be a pitcher's battle in which Liebert had the best end of the argument with Keady. Miller walked and stole in the third inning and scored on Henderson's timely wallop. An error put Keller on base in the next inning. Vogt sacrificed and the third sacker scored when Liebert reached first on an error. The Blue and White infield featured the game with their defensive work, that of Keller and McKibben being especially deathly to Lehigh's scoring opportunities. Miller has been mentioned before.

The Army game turned into a complete rout when the Blue and White with the score four to nothing in their favor, mixed hits, bases on balls, errors, and stolen bases for a total of eight runs in the fifth

inning. It was the Army's second defeat of the season and broke a string of eight successive victories. It was also Neyland's first defeat. Wardwell held the West Pointers to one hit in eight innings. He eased up momentarily in the ninth and three hits in a row produced the only runs for the locals. Every man on the Blue and White secured a hit excepting McKibben, while Miller, Crawford and Keller had two each.

CALENDAR.

- WEDNESDAY, APRIL 30
 7:00 p. m. Room K, Library. Socialism Study Society.
- FRIDAY, MAY 2
 1:30 p. m. New Beaver Field. Interscholastic Track Meet.
 7:00 p. m. Engineering Building. Meeting of Stamp Club.
 7:30 p. m. 226 Main Building. Regular Meeting of Cosmopolitan Club.
 4:00 and 8:00 p. m. Auditorium. Conference of High School Principals.
- SATURDAY, MAY 3
 1:30 p. m. Old Beaver Field. Flag Scrap.
 2:30 p. m. New Beaver Field. Baseball. Albright vs. Penn State.
 7:00 p. m. Old Chapel. Dr. Holmes speaks at Deutscher Verein Meeting.
 8:00 p. m. Armory. Military Ball.
- SUNDAY, MAY 4
 10:00 a. m. Old Chapel. Freshman Service.
 11:00 a. m. Auditorium. Sunday Chapel. Rev. R. R. Reed, Speaker.
 6:30 p. m. Auditorium. Y. M. C. A. Meeting. "Conflict Between Mohammedanism and Christianity," by Rev. C. W. Guntier.
 8:00 p. m. Auditorium. Sunday Concert by Cadet Band.
- TUESDAY, MAY 6
 6:30 p. m. Old Chapel. Y. M. C. A. Prayer Meeting.

THE PENN RELAYS

That Penn State did not place better than fourth last Saturday at the Penn Relays was due more to hard luck than to any other element.

In the one mile relay the men ran well. Especially was this true of the last two runners, Leyden and Piner, who largely made up between them fifty of the fifty-five yards lost in the early part of the race.

The four mile team showed up creditably considering it was their initial appearance and were running against the fastest combinations for that distance in the country. Hammit, in the high hurdles, proved that his reputation is well founded by winning his preliminary heat and running the semi-final in 15 3-4 seconds.

Deutscher Verein.

On Saturday, May third, in the Old Chapel, 7 p. m. Dr. Holmes will talk in the regular meeting of the Deutscher Verein on the subject of German Philosophy and the Influence of Different German Philosophers. The lecture will be serious and instructive but those of us who know Dr. Holmes are sure that it is not going to be at all dry. Some singing and possibly some other music will be minor features of the social meeting which will be followed about 8:30 by a short business meeting. Everyone is welcome.

NEW FLAG SCRAP

Old Flag Scrap Revised and Modified, so that New Scrap Results. The Contest Will Take Place on Old Beaver on Saturday.

The committee appointed by the President of the Student Council, as provided for in the last mass meeting, has formulated a new flag scrap, which will go into effect this next Saturday. The rules and regulations governing the scrap are as follows:—

Section 1. The purpose of the flag scrap is to determine whether or not the Freshmen are to have a class flag throughout their college course.

Section 2. This scrap shall be held Saturday afternoon, May 3 at 1:30 p. m. on Old Beaver field.

Section 3. All the preliminary preparations as enumerated in this section shall be made before the scheduled time of the scrap.

a. The Freshmen shall furnish a wooden pole, not to exceed 22 ft. in length, smooth and free from forks. Grease, varnish, shellac or any other preparation shall not be put on the pole to make it difficult to climb.

b. A hole at least four feet in depth shall be prepared by the freshmen at a spot designated by the judges in any manner the freshmen may see fit, so long as there is no possibility of unnecessarily endangering the safety of the contestants.

c. The flag furnished by the Freshmen, bearing the numerals of their class and of such design as they may choose, shall be fastened to the top end of the pole by its short edge only.

d. The field shall be laid off by Freshmen under the supervision of one of the judges in the following manner:—One hundred yards from the pole there shall be lined off a line one hundred ft. long tangent at its center point to a circle whose center is the pole hole and whose radius is 100 yds. All Sophomore contestants must be on the opposite side of this line from the pole hole when the starting signal is given. Between this line and the pole there shall be another line but of indefinite length, parallel to the first line and 5 yds. out from the pole hole. The Freshmen contestants with the exception of 20 picked men, whose purpose shall be to plant the pole after the starting signal is given, must be some where between these two lines.

Section 4. The scrap shall begin on a signal given by the judges and shall continue for 15 minutes at the end of which time the judges will give another signal, terminating the scrap.

Section 5. At the instant the starting signal is given, the pole must be lying on the ground near the hole, but the 20 picked men may arrange themselves in any advantageous position they may see fit. In raising and planting the pole after the starting signal is given, no implements or instruments other than the hands and feet may be used.

Section 6. In order to win this scrap and the privilege of having a class flag the Freshmen must plant their pole, flag attached, according to the rules laid down in

the previous sections and must retain their flag intact on the planted pole throughout the entire scrap.

Section 7. The Sophomores, in making their attack on the Freshmen, shall use no mechanical means, neither shall the freshmen in protecting their flag use any mechanical means. However the Sophomores, if they wish to, may throw soot and flour but nothing else.

Section 8. All contestants shall wear tennis shoes; those wearing other kinds shall be debarred from the scrap either by the "cops" or judges.

Section 9. The judges shall consist of the Senior and Junior class presidents and one other, (a member of the faculty or an alumnus) chosen by them. Aside from supervising the laying out of the field and officiating at the scrap, the judges shall have the power of interpreting these rules and of making temporary rules to cover unforeseen conditions.

Section 10. Each of the two upperclass presidents shall select ten members of his class to act as "cops", whose duty shall be to enforce fair play among the contestants and to keep the onlookers back a proper distance.

Committee: J. H. Shollenberger, Chairman; Philip Fryberger, N. S. Grubbs, Miles Horst, E. S. Ross.

Tennis.

Of the three Armory courts the one nearest the Armory has been assigned to the use of the Tennis Association and the other two for student practice and tournament with preference to the latter.

Of the four courts back of the Mining building the two nearest the road belong to the University Club and the other two have been assigned to student use.

The court back of the Ladies Cottage nearest the road known as the Jackson court, Dean Jackson has agreed to share with the ladies from the cottage, others must keep off. The rule for the use of courts is that players are entitled to the use of a court for only one set in a forenoon or afternoon if others are waiting.

The prospects for a good college team are very bright this spring. There is much interest shown in the tournaments and entries are more numerous than they have ever been before. Interest is strengthened probably because of the fact that medals given by the Gilliland Drug Store will be presented to the winners of the two tournaments—the college open singles and doubles.

Entries for the college doubles can be made now with the manager, his assistants or Director Lewis. A man, who plays very ordinary tennis should enter and get the tournament practice.

The girls at the Ladies' Cottage have organized and will have two tournaments this spring—college singles and doubles. Dean Jackson and Miss Lovejoy will give trophies to the winners of these tournaments, but in order to retain these trophies the contestant must be the winner of a tournament three times.

On Monday, May 4, a mass meeting will be held at which nominations will be received for three assistant baseball and three assistant track managers, also for regular officers of the Athletic Association. Election follows a week later.

THE INTER-SCHOLASTIC MEET

Entries Continue to Grow—Valuable Prizes and Scholarships to be Awarded—Prospects for a Successful Meet Look Good.

Among the most prominent high schools thus far entered in Class A are: Harrisburg, Altoona, Milton, Williamsport, York, Chester, Gettysburg, Sewickly, Wilkesburg and Harrisburg Tech.

In Class B the leading ones to date are Mercersburg, Kiskiminetas, Indiana Normal, Bloomsburg Normal, Lock Haven Normal and Bellefonte Academy. Other entries are in but are not yet recorded and more are expected.

The feature of the meet promises to be the State Championship Relay race. This race is open to every high school in the state. Gold, silver and bronze medals will be awarded to the winners of first, second and third places in the various events while the school winning the highest number of points will be presented with the J. G. White trophy, a magnificent sterling silver cup measuring over two feet in height. This cup is to be held for one year by the winning team and the team winning it in three different years secures permanent possession.

Two scholarships for the four year courses at Penn State furnish prizes that should be hotly contested.

The Principals' Conference is held in conjunction with the Interscholastic Meet. This also shows a steady growth over former years. Sixty principals have signified their intention to attend and this number will doubtless be largely increased within the next few days.

Glancing over the entries and bearing in mind the performance of many of these teams at Penn, Saturday, we feel justified in predicting that Friday will prove a fatal day for our previous Interscholastic records.

Interclass Baseball.

The spectators were treated to some very weird ball playing when the senior and sophomore teams met last Saturday afternoon.

Both pitchers were hit freely for long drives, this, together with erratic fielding enabling both teams to score almost at will. The final score was 17 to 11 in favor of the seniors.

The freshman won their first interclass game last Thursday evening when they defeated the Juniors on Old Beaver field by the score 6 to 3.

The game was one of the best of the series thus far. The freshmen team showed form that indicates that they will give some one a hard battle for the championship this year. Josephon's timely two bagger for the Juniors and the fielding of Bierer and Tevlin for the freshmen featured.

Military Hop.

The annual military hop given under the auspices of the officer's club will take place next Saturday evening May 3, in the Armory at 8 o'clock. All officers are urged to attend this hop. Programs and refreshments will be provided for.
