The Tennis Squad.

At a meeting of the Association held on May 13th the following regulations were made regarding the tennis squad.

The squad shall consist of all members of the previous years' team, and of any men showing ability and picked by coach Lewis. The squad shall constitute ten men, who shall be rated according to their ability. The tennis team shall be chosen from the squad according to the judgement of Coach Lewis.

Any man not on the squad may challenge in an official match the man rated as tenth on the squad for his position.

The Tennis Association also announces that entries are now being taken for the Stevenson Cup Doubles.

Freshman-Sophomore Track Meet.

Owing to the fact that no classes will be held on Friday afternoon, May 30, the annual scrap has been scheduled for that time.

Any member of the two lower classes is eligible, excepting those who expect to be taken on that date to the inter-collegiate held at Boston.

As both classes contain a number of good men in the various events an exceptionally hard meet can be expected. The admission fee will be ten cents, and it is the desire of the managers that a sufficient crowd will turn out to make the meet not only a success but also a financial benefit to the class treasuries.

Inter-Fraternity Track Meet.

Immediately after the La Crosse game, Saturday, a track meet will be held among all fraternities in college desiring to enter. The meet will consist of the fourteen regular events and will be conducted in regular track meet order. The limit of entrants from a fraternity for any particular event is two.

All fraternity men are eligible with the exception of those eating at the track table and former varsity men, who have not responded this year for track work.

Steins will be awarded to winners of first and second places and a banner will be given to the fraternity scoring the highest number of points.

Eagles Mere.

It is a decided advantage to pay your registration fee of \$5.00 at your earliest convenience. It insures better accommodations and also saves time at the conference. The special fee of \$1.75 for the Junior civils is only payable here. This is a decided reduction and was granted by special action of the committee.
