Soccer Trip Completed

The soccer team finished the fall season last Wednesday when it returned from a successful trip to Philadelphia. Greatly handicapped by the absence of Captain Savery who is the keystone of the team, and Tobin, another star, State made a showing of which her followers may be proud. One victory in three contests does not give any idea of the strength of the team. Three games in four days against fresh teams is a great strain. In this case the Westtown game was exceedingly rough and the players in no condition to play one of the best teams in the country on the following day.

The Westtown Academy game was lost one goal to nothing. The field was heavy and the referee lenient in imposing penalties. As a result, the contest resembled a football game with men being taken out from behind every minute. The ball was in Westtown's territory the major portion of the game and State, aside from the one goal, played better than did her opponents.

Tired and crippled from this hard game, State met Haverford on the following day. Haverford, well coached and with a well balanced team, outplayed State. The lineup for State was the same as that published last week for the Girard College game.

Just what will happen when Haverford is played again with Tobin and Savery in the game and the team fresh, is hard to say; but those who know expect a close, cleanly fought game when the teams meet in the spring. A recess will be taken from now until early in the second semester when preparations will begin for the spring schedule. With Haverford and Harvard playing on New Beaver, the championship may be decided before State rosters. The team has the material and if a coach can be secured, State will be in the running.

Basketball

Regular daily practice is rapidly developing several of the second string basketball men of last year into players who promise to fill the shoes of those lost by graduation.

The serious losses occurred at center and guard. Former Capt. Hartz and "Pete" Mauthe were men whose equals cannot be developed at once but by present indications these places will be filled by men who will by no means materially weaken the line-up.

At present Wilson '15 and Jester '15 are the most likely men at the pivotal position. Both are fast and hard players and at present it appears a toss-up. Hay and Metzgar of last year's team are again out as guards and will doubtless

give the other candidates for these positions a severe battle to replace them.

Capt Binder and Park '15 remain as forwards with several new men on their trail for these honors, Gockley '14 in making a strong bid for this position as are several of the Sophomore candidates.

The first training table selection consists of Capt. Binder '14, Gockley '14, Hay '15, Wilson '15, Park '15, Jester '15, Metzgar '15, Hartman '15, McCoy '17, Davidson '16, Shelley '16, Beshop '16, Bowes '16, Neely '16 and Nissley '17.

The manager again wishes it emphasized that this is not the complete or final selection and that men whose names are here given will be supplanted, by others if their work on the floor merits it. Or the names will be added and at least four more will be selected for the training table.

Interclass Cross Country

The annual handicap cross country run will be held next Saturday at two o'clock. Any student in a four year course is eligible. The race will be run over the old course of five miles and will start and finish on New Beaver Field. All entries should be handed to Manager DeVoe or Coach Martin before Thursday morning. Any man failing to enter on time will not be permitted to run.

The score of classes will be recorded in the usual manner and the members of the winning team are usually awarded their numerals. Prizes are offered annually by the business men in town. The handicapping will be liberal and afford ample chance to any man who is in any way capable of running to win a prize.

The Glee Club

The Glee Club is working and is getting into shape for its proposed trips during the course of the winter. So far, little definite can be said. Arrangements are under way for a short excursion to Altoona and Tyrone between semesters, and for a more extended trip to Philadelphia, Camden Ardwick sometime during the second semester. Probably about the middle of February, the annual Glee Club concert will be given here. The well known "College Quartet" will leave for Panama on the sixteenth of this month, sailing the following day. After the favorable mention we had in Pittsburg we are looking for big things from our singers.

Cathedral Choir Saturday

The third number of the Y.M. C. A. entertainment course the Cathedral choir will be the attraction at the Auditorium Saturday evening. There are eight performers in the company and the concert promises to be one of unusual merit.
