

## Varsity Track

### SCHEDULE.

Prospects are bright for a Successful Season, Many State Records in Danger.

The track schedule as announced by Manager De Voe shows that State has taken a step forward and has won a place in a higher class of athletics. Every meet this year promises to have more class than any of last year. The dual meets with Carlisle and Pitt will be closely contested. Pitt has in her freshman class many men of collegiate calibre, notably McMasters who competed in the State Intercollegiate last year.

Each day in McAllister Hall for five or six hours there is a continuous string of men around the track. The underclassmen has shown a keen interest but there might be more men out from the upper classes.

In the 100 yard dash Dolbin has made a marvelous improvement. Under skillful coaching his form is practically perfect. Lamb is also receiving much attention in the sprints. In preparatory school he was credited with having done even time. These two men with Piner and White will take ample care of the sprints.

In the quarter mile Mason, Hunter, Piner and White and Brown give promise of bettering 52 seconds. This will make possible a new State record for a mile relay team at the Penn Relays.

In the half mile Leyden, Entwistle, Michener, Hormick and Lewis should produce a two mile relay which will average close to two minutes.

The milers however show the greatest promise. From present indications a new intercollegiate record will be required to defeat our four mile relay team. Without a single star, the team is so well balanced that a average better than 4:30 should be reached. The most promising men are Leyden, Entwistle, Horst, Schroeder, E. Davis, Garland and Captain Keyser.

The two mile event will be well cared for by Keyser, E. L. Hunter, Henning, Staiger and Larer.

The promising candidates in the other events are as follows:

Hurdles; Hammitt, Whiting, Barron. Highjump; Elliott, Pickett, Brown, Smith. Broadjump; Palmer, Hammitt, Bennett. Pole Vault; Page, Foster, Carpenter, Hays. Weights; Lamb and H. Clark.

The outdoor schedule follows:  
 April 25, Penn Relays.  
 May 2, State Intercollegiate.  
 May 9, Interclass meet, which will decide men for the Carlisle meet.  
 May 16, Carlisle at Home.  
 May 23, Western Penna Intercollegiate at Pittsburgh.  
 May 29-30, I C A A A.  
 June 8, Pitt at Home.  
 Spring Cross Country meet, date undecided.

Owing to the accident to the heating system at St. Paul's Methodist Episcopal Church early Saturday morning no services could be held Sunday, so the pastor could not meet in the evening the students who, signing cards during the Eddy Campaign, gave the Methodist Episcopal Church as their preference. He will meet them at close of the service next Sunday evening, February 22.

### Interclass Basketball

The two interclass games during the past week were the surprises of the season. The sophomores defeated the senior's combination Wednesday night in a fast hard fought game. Both teams had their strongest lineup and the best team won.

Friday evening the juniors got away from their hoodoo through the kindness of the freshmen. The upperclassmen played the better game in all departments and won easily. Thus far the freshmen have a clean slate.

## Thespian Production

To be Given in the Auditorium March 27—Western Trip Scheduled for After Easter.

For their seventeenth annual production the Thespians are going to stage a musical comedy written in two acts entitled "The Innocents". It is an old Penn Mask and Wig show with the second act entirely reconstructed and with all new songs. The words were written by Warren F. Martin and the lyrics by C. L. Downing who has coached the Thespian productions for the last six years and who is again in charge of the play.

The show is very amusing and consists of the story of a wealthy old Colonel who has been disappointed in love six times and has taken six sons all of the age of twenty at the time of the play as his adopted children. They have never seen or heard of women and the plot revolves around their actions when they see a woman for the first time. It affords many comical situations and without a doubt is one of the best productions ever staged by the Thespians.

During the last two weeks the cast and chorus were selected by a careful process of elimination and are now rehearsing for the first performance to be given in the Auditorium, March 27.

The cast consists of the following: Colonel, Cort; Jack and Bob, sons of Colonel, Welty and Bemus; Peggy, demure debutante, Kiestler; Eifi, soubrette, H. G. Miller; Peggy's chaperone, Liebacher; aviator, Thatcher; lieutenant, Houtz.

The chorus will consist of Freeman, Gauthier, McEvilla, Albert, Fleming, Wilson, Graham, Thomas as men; Rishell, Munhall, Schanche, Ashbrook, Kressly, Liebenschberger, Moyer and Engle, as girls.

The trip to be taken by the organization the week after Easter is made up of an entirely western tour appearing at the following towns on the accompanying dates: Uniontown, April 13; Greensburg, April 14; and then to the west coast where they will have ever had.

### Dr. Shosuke Sato.

Through the kindness of the Carnegie Foundation, Dr. Shosuke Sato, President of the Sapporo Agricultural College of Japan, has been secured to speak at the college. On February 24, at 8.00 p. m. in the Auditorium, Dr. Sato will speak on the subject, "From Feudalism to Imperialism in Japan"; on February 25, at 4:20 p. m. in the Old Chapel, on "Rural Credits and Rural Sociology". All are invited to hear these addresses.

Dr. Sato is Carnegie Exchange Professor for America, 1914; he is a graduate of Johns Hopkins University, and speaks English fluently. The Emperor of Japan has honored this distinguished scholar by conferring upon him the Order of the Sacred Treasure.

### 1915 vs. Academy

The junior basketball team last Saturday evening played the Bellefonte Academy five on the Y. M. C. A. floor in Bellefonte in a game described by local fans as the closest seen there in years. The outcome was never certain, but the Academy finally managed to land the victory, 34-28. Thomas, the junior center, scored 24 out of his team's 28 points in field and foul goals.

## Everywomen.

Miss Marjory Lacey gave an artistic and forceful interpretation of that most wonderful morality play "Everywoman". The play consisted of four acts, in which a varied number of characters were represented with great skill by Miss Lacey. The performance proved interesting, and the play as interpreted by Miss Lacey set forth a lesson that could well be received by every man and every woman. This performance constituted the last of the Y. M. C. A. series, and it was certainly apparent, that the 14; Johnstown, April 15; Altoona, April 16; Clearfield, April 17; Bellefonte, April 18. This means a trial of a new field as The Thespians have never gone further west than Altoona and the trip eliminates Lancaster and Harrisburg from the schedule.

From the present outlook, this promises to be a banner year for the Thespians, as the show is not lacking in cast or quality and we can readily expect an all star production.

### Liberal Arts Society.

On Friday, February 13, the Liberal Arts Society held a very successful meeting. After a brief business session, Mr. Owen began the social program by a reading Hugo's "Les Miserables." This was followed by a Pennsylvania Dutch reading by Mr. Klingbeil, and the program was closed with a selection from Elbert Hubbard, given by Miss White. This year it has been customary to appoint critics to criticize those who take part in the program, and the criticisms are very profitable.

Membership in the society is not confined to students in the School of Liberal Arts, and the organization would gladly welcome more members, especially from the freshman class.

### Dean Weber Honored.

At a meeting of the State Teacher's Association held recently in Pittsburgh, Dean S. E. Weber, of the School of Liberal Arts, was appointed a member of a committee to investigate rural schools in Pennsylvania. The other members of the committee are Harlan P. Updegraff, of the University of Pennsylvania, Dean W. Grant Chambers, of the University of Pittsburgh, Superintendent of Schools Samuel Hamilton, of Allegheny Co., and Superintendent Bruce Milnor, of Clearfield Co.

### Band Concert.

The Cadet Band will give a Sunday evening concert on February 22 at 8:30 p. m. in the Auditorium. Following is the program: March, "Semper Fidelis"; Overture, "Stradella"; Selection, "Sweethearts"; March Concerto, "March Slaves"; Descriptive, "Summer Evening in the Alps"; Glee Club, "Three Fishers"; Clarinet Duet, "Two Thoughts"; College March "Victory".

### John Mott Coming

John L. Mott, the son of the great Christian leader, will arrive in State College next Thursday and will be here over Sunday. Mr. Mott will probably address a Y. M. C. A. meeting on Sunday.

### Mining Faculty

Dr. E. S. Moore recently delivered an illustrated lecture on his Alaskan trip before the Library Association of Lock Haven.

## Pitt on Saturday

Penn State Grapplers Will Meet Blue and Gold in First Home Meet of the Season—Lafayette Likely to Fill a Later Date.

The Penn State matmen will meet Pitt on Saturday evening in the Armory at 7.00 o'clock in the first home wrestling meet of the season. Thus far each team has had one meet this season, the Blue and White having won a great victory over the Navy while the Blue and Gold lost to Pennsylvania. The latter team also has a victory to her credit over Columbia so that it is hard to dope out the strength of the Pitt matmen from comparative scores. One thing is certain, the natural rivalry existing between the representatives from the western end of the state and the Blue and White in athletics is bound to make the meet on Saturday evening an interesting one.

The regular prices of 35 cents for reserved seats and 25 cents for general admission will be charged for this meet. The seating plan has been arranged to better advantage so that almost 1400 seats are available. Due to the fact that we are for the first time hiring a coach who is devoting all his time to the team it is necessary that we get the support of the whole student body. The tickets will be on sale at the Toggery on Thursday and Friday evenings from 6:30 to 9:00 o'clock and on Saturday afternoon from 2:30 until time for the meet to start. No tickets will be sold at the door on the night of the meet and you will help yourself as well as the management if you secure your tickets early.

Lafayette canceled her engagement for a meet here last Saturday at such a late date that it was impossible to secure any other attraction. The cause seems to have arisen from a misunderstanding between the management and the faculty, for the latter refused to grant leave of absence to the team after apparently all arrangements had been perfected for the meet. The Lafayette athletic authorities have shown the proper attitude toward remedying the affair by asking if it is not possible to arrange a later date. An attempt will be made to do this and it is hoped that we will yet be able to see the opening of athletic relations with Lafayette on the mats in the near future.

The local lineup for Saturday's meet with Pitt will be: Bantam weight, Long or Noble; special weight, Brown; light weight, Kirk; welter weight Hill; middleweight Yerger; light heavy weight, Sayre, and heavy weight, Lamb.

### State Y. M. C. A.

The forty-sixth annual convention of the Young Men's Christian Association of Pennsylvania will be held at Indiana Friday, Saturday, Sunday and Monday, February 20-23. A large Penn State delegation is desired to attend this convention. Anyone interested in going consult with Messrs Buchman, Fiske or Gold.

### Bible Study.

Chaplain Reed will teach, on Thursday evening, a class for the instruction of Bible class leaders. There is an urgent need for such teachers any interested should hand their names immediately to Lum in the Y. M. C. A. office.
