PITT FIVE FRIDAY

The First Inter-Collegiate League Game of the Season Will Be Held Here Friday Night.

The first game of the Western division of the inter-collegiate basketball league to be witnessed in State College will be played here Friday next at 7:00 p. m., at which time the strong team of the University of Pittsburgh will meet Captain Binder's speedy five.

In the western division of this league W & J, Pitt and Penn State battle for first place, which place is at present held down by Penn State. The chances for staying there are good, but hinge on the outcome of the next two games, both of which are to be played here, the one with Pitt Friday night and the other a week later (March 7) with W & J. Penn State defeated the Pitt team on the western trip, but only after a hard fought and so closely contested a game that the victory was not assured until the tap of the final bell. Should the team by chance be the victors in this western division, post season games will be played with the winners of the central and eastern divisions for the championship of the state.

The team just returning from the eastern trip after playing and defeating the representative teams of the eastern division on their own floors are in fine shape to give Pitt the merriest chase on record, and finally to give the winners of the central and eastern divisions of the league a still merrier one.

In the number of games won basketball this year has been a marked success, but financially it has not been successful. Unlike other sports basketball is self-supporting and in order to continue so it must have the support of the student body as a whole. So far the games have been poorly attended and the interest has not been what it should have been, but with the two biggest games of the year before us, everyone should turn out and support the team.

The time for the game has been set at 7:00 p. m. so that it will not interfere with the Y. M. C. A. show to be held later the same evening. The show will not start until the game is over, thereby giving everyone a chance to see both.

The sale of tickets will begin Wednesday noon at the Toggery Shop continuing until the night of the game, after which time they can be had at the door. The price of admission will be twenty-five cents.

Special seating facilities will be arranged for, thus insuring comfort to all and no one will be required to stand during the game. The side entrance will be open for the use of the ladies.

Professor J. A. Moyer will address the Mechanical Engineering Society of Bucknell University on February 23, 1914. His subject will be "Recent Developments in Steam Turbine Engineering". He will also explain the advantages of membership in the American Society of Mechanical Engineers, as the formation of a student branch of that society at Bucknell is being considered.

LEHIGH NEXT.

Brown and White the Attraction Next Saturday Evening.

The Lehigh University wrestling team will be the next opponents of the Blue and White matmen. The meet will be held in the Armory, on Saturday evening at 7:15 sharp.

The Brown and White has been noted for turning out good wrestling teams and have always put up a good exhibition against the Blue and White. Lehigh's record this season is somewhat hard to use as an estimate of her strength. Her team defeated Columbia University four out of seven, but lost every bout to the Navy. This however does not mean an easy proposition for Penn State. The Lehigh men have had two weeks rest since their defeat at Navy and will no doubt come prepared to give us a meet worth while.

The admission will be the usual charge, 35 cents for reserved seats and 25 cents for general admission; and with the experience gained at the last meet the management will be enabled to handle the crowd to even better advantage. The tickets will be on sale at the Toggery shop Thursday and Friday evenings at 6:30 each night and at 2:00 p. m. on Saturday. If you want the best seats come early and avoid the rush—Benefit yourself and help the management.

Freshmen Lose to Harrisburg

In a poorly played game the freshmen lost to Harrisburg High School last Saturday night in the armory. Neither team had much advantage on the other but the Harrisburg boys showed the punch at the critical time.

The first half ended after a rough session with the first year men leading by five points. The visitors found themselves in the final period and ended the game in a whirlwind fashion winning with the score of 15 to 20 in their favor. Lineup:

Freshmen	Harrisburg
Linderman	f Rote
McClintoc	f Yoder
Miller, R. W.	c Gerges
Hoffman	g Fast (Capt.)
Miller, C. L. (Capt)	g Fisher

Substitutions. Freshmen—Burns for Linderman. Field goals—Linderman, Miller, Yoder, Gerges, Hoffman 2, Miller, C. L., Rote, Fisher. Foul goals—Hoffman, 5 out of 10; Fast, 6 out of 8. Referee—Armsby.

L. H. Rodgers, 1911 E. E., has been promoted to the position of Assistant to the Engineer of Inspection and Tests with the Union Switch Company, at Swissvale, Pa. B. J. Crotsley, 1913 E. E., is also in the employ of this company.
