MASS MEETING

Reports of Committees and New Resolutions Made.

At the mass meeting held in the old chapel last Wednesday evening several reports of committees were received and accepted. The committee which investigated the advisability of raising the number of points necessary to win the varsity "S" in track reported that under the present system the letter is rather difficult to earn and if it was made more so, men would be discouraged in coming out for the team. As we have it now a man must take at least two firsts in order to win his letter; three seconds will avail him nothing and at present we have only two dual meets and the inter-collegiate in which to participate. At Pennsylvania the varsity "P" is awarded to men taking a first place in the meet with Cornell.

The committee on revising the managerial system investigated the systems of other large colleges and suggested a new one modeled slightly after that used at Harvard. They proposed to set a definite time of at least two months previous to the opening of a season for the purpose of freshmen or sophomores registering and putting in their names to try out for positions as second assistant managers. They would then be tagged or some suitable means of keeping track of them would be instituted and they would work on an equal basis throughout the season. At the end of that time three of their number would be picked to act as first assistant managers and their duties would correspond to those of the present assistant managers. Those failing to be picked would be given a season returns ticket as a mere token of appreciation of their services. These three assistants would then act throughout the next season, and at the end of which, one of their number would be selected as manager. The remaining two would constitute the senior returns committee and would take the trips with the team. This system might at first reading look complex but in reality it is a very logical and practical method of handling the matter.

The corrections and changes of the constitution concerning the graduate manager and the elimination of treasurer as stated in a previous motion of several weeks ago was passed and will go into effect next year.

Owing to the desire of some of the managers to adopt a new form of managers' insignia differing slightly from the regular varsity letters a committee suggested that for the major sports an "S" underlined with a bar be adopted as a managers' letter; and for the minor sports a same sized "S" with the bar and smaller letters as WT and BB directly under the bar be adopted. The resolutions were accepted and laid on the table to be voted on at the next mass meeting.

The resolutions concerning the awarding of the varsity "S" for men winning at least four bouts in regularly scheduled meets was passed and goes into effect this year.

Resolutions concerning the one year rule were laid on the table and

are to be voted on at the next mass meeting.

Baseball Lineup Uncertain

Coaches Manning and Haverstick are still shifting the lineup in an effort to get the smoothest and fastest combination possible. This week Craig was returned to the outfield and Eliffe alternated with Bachman at second.

The team is in sore need of batting practice. Should a lineup be picked today the only positions certain would be Miller leading off, Crawford second man and Craig clean-up hitter. It seems probable that there will be six or seven left handed batters on the team.

Liebert and Tobin are ready to face any team. They have plenty of speed, while Liebert had a fine curve working on Saturday.

The makeup of the southern squad is uncertain but will be picked from Vogt and Buddinger, catchers; Liebert, Tobin, Hesselbacher, Oberle and Craig, pitchers; Robinson, Bachman, Weber, Blythe, Eliffe and Golden, infielders; Miller, Craig and Crawford, outfielders.

Minor Sports Elections

The wrestling association on Saturday afternoon elected Lamb captain, Horner manager, and Brown, Breniser and Dale assistant managers for the ensuing year.

In the evening the season was formally closed with a banquet served in the track house. The speakers of the evening were Porter '12, Ray Smith, Derl Hess, Captain-elect Lamb, Manager-elect Horner and Captain Jones.

Much credit is due retiring Manager Hess for the efficient manner in which he conducted his office. Already meets have been practically closed with Harvard, Yale, Lehigh and Navy for next year.

The team is to be congratulated on the election of Horner. That he will ably fill the office vacated by Hess is evidenced by his interest this year.

Sharp was elected basketball manager for next year but due to the illness of Flagg, the present manager, the election of assistant managers was postponed.

Penn State vs. Harvard

Harvard has offered Penn State a place on her lacrosse schedule and the date will be accepted if a few games can be arranged in New York to defray the expenses.

The progress of the game here is shown by the starting of a training table. Practice will be held every afternoon and just as fast as men show promise they will be taken on the table.

Those who are on the training table are Baer, Barber, Cuno, Fisher, Gallagher, Munhall, Mehard, Johnson, Peters, Olmstead, Hallowell, Smith and Captain Farley.

Lieutenant Lowe's Departure

Penn State students gave former Commandant Thomas H. Lowe their farewell college yell last Monday. Lieutenant Lowe will join his infantry regiment on the Texas border after a year and a half of efficient service at the head of the Penn State regiment.
