

INTER-SCHOLASTIC MEET

Indiana Winners of Class A— Score 129 Points. Harrisburg Tech Carries Away Honors of Class B with 35 Points.

With a slight wind otherwise a perfect day, New Beaver field was again the scene of gay festivities in the form of the sixth annual Inter-Scholastic Track Meet. Seventeen preparatory and High Schools were represented and were subsequently divided into two classes. Class A consisted of Indiana Normal, Bloomsburg Normal, and Bellefonte Academy. Class B comprised Harrisburg H. S.; Harrisburg Tech.; Milton H. S.; Phillipsburg H. S.; DuBois H. S.; Steelton H. S.; Morris T'w'p. H. S.; Bellefonte H. S.; State College H. S.; Pittsburg H. S.; West Phila. H. S.; Wilkesburg H. S.; and Altoona H. S.

The places in each event were all evenly contested for class B, Indiana not having much competition in class A. Harrisburg Tech proved to be the winners by the score of 35 with Steelton H. S. and Wilkesburg close together with 29 and 30 points respectively.

H. Barron, brother of Barron '15, from West Phila. H. S., came off with the individual high score, totalling 16 points thereby entitling him to the scholarship awarded yearly. Barron is a youngster showing much promise and it is needless to say that he would be a valuable asset to the track team for next year.

As a special event the Freshman Relay Team ran a one mile relay race with Indiana and lost by a few yards. The freshmen were represented by Whiting, Hornick, Trainer and Mason. Time 3 min 35 sec.

The other events were as follows— 100 yd. Dash, A; won by Carrol Ind.; second, Gano Ind. Time 10 1-5 sec.

100 yd. Dash, B; won by Patterson Wkbg.; second Krout Stn. Time 10 2-5 sec.

220 yd. Dash, A; won by Carroll Ind.; second Morrow Ind. Time 22 1-5 sec.

220 yd. Dash, B; won by Patterson Wkbg.; second Krout Stn. Time 22 2-5 sec.

440 yd. Dash, A; won by Morrow Ind.; second Carothers Ind. Time 57 2-5 sec.

440 yd. Dash, B; won by Chambers Stn.; second Heffelfinger Thch; Wkbg. Time 53 3-5 sec.

Half Mile Run, A won by Zener Ind.; second Brown Ind. Time 2 min. 15 sec.

Half Mile Run, B won by Sellers Stn.; second Todd Wkbg. Time 2 min 10 1-5 sec.

One Mile Run, A won by Zener Ind.; second Berger Bloomsbg. Time 4 min. 50 2-5 sec.

One Mile Run, B won by Garland Tech; second Richards Wkbg. Time 4 min. 50 2-5 sec.

Two Mile Run, A won by Steele Ind.; second Berger Bloomsbg. Time 11 min. 32 sec.

Two Mile Run, B won by P. Simonton Hbgh Cent. second Flickinger Tech. Time 10 min 41 1-5 sec.

120 High Hurdles, A won by Murry Ind.; second Wilson Ind. Time 17 2-5 sec.

120 High Hurdles, B won by H. Barron West Phila.; second Connell Wkbg. Time 16 3-5 sec.

220 Low Hurdles, A won by

Brown Ind.; second Carothers Ind. Time 29 3-5 sec.

220 Low Hurdles, B won by H. Barron West Phil.; second Connell Wkbg. Time 27 sec. flat.

One Mile Relay, B won by Altoona; second Wilkesburg. Time 3 min. 46 sec.

Putting 12 Pound Shot, A won by Siemon Ind.; second Hildebrandt Bellefonte Acad. Distance 43.5 ft.

Putting 12 Pound Shot, B won by Beck Tech; second Winkleblech Milt. Distance 44.3 ft.

Throwing 12 Pound Hammer, A won by Siemon Ind.; second Wilson Ind. Distance 140 ft. 10 2-5 in.

Throwing 12 Pound Hammer, B won by Palm Phbgh; second Crump Sn. Distance 157 ft. 8 2-5 in.

Discus Throw, A won by Siemon Ind.; second Wilson Ind. Distance 123 feet.

Discus Throw, B won by Winkleblech Milt.; second Beck Tech. Distance 103.4 ft.

Running High Jump, A won by Brickly Ind.; second Morrow Ind. Height 5 feet 3 inches.

Running High Jump, B won by Palm Phbgh.; second H. Barron West Phila. Height 5 ft. 3 in.

Running Broad Jump, A won by Leonard Bloomsbg.; second Brickley Ind. Distance 19.1 ft.

Running Broad Jump, B won by Cook Bfnte. High; second Gardner Hbgh Cent. Distance 21.5 ft.

Pole Vault, A won by Murray second Befill Ind. Height 10 ft. 6 in.

Pole Vault, B won by Anderson Hbgh Tech; second H. Barron West Phil. Height 10 ft 9 in.

1917 Beats Lafayette.

In an exciting and loosely played game the freshman ball tossers managed to nose out the Lafayette High School Team last Saturday.

Craig started the game for the Freshmen and managed to hold Lafayette down till the fourth when poor support and errors netted the visitors two runs. Three more in the fifth put 1917 on the small end of a 5-3 score. Cornog then replaced Craig and blanked Lafayette for the next four innings.

A home run in the seventh by Carl tied the score and O'Donnell batted out the winning run. Another rally started by Carl in the eighth sewed up the game. Carl's home run and shoe top catch in the fifth were the star features of the game. Score:—

	R	H	E
Laf H. S.	0	0	2
Freshmen	2	1	0

1919 Wins Track Meet.

The Sophomores defeated the freshmen on Saturday in the annual dual track meet by the overwhelming score of 86 3-4 to 39 1-4. The wearers of green lids were outclassed in every event except the distance runs and the weight events. H. Clark '17 was the individual high scorer with three first places. The most interesting event from a varsity standpoint was the fast half mile by Entwistle who ran unpaced in two minutes and three seconds. Hammitt for 1916 scored 13 points. The relay race, a new feature, was won by 1916. Mason who ran third made up lost ground and Dolbin had little trouble in keeping the lead.

Boston Tech has music with its gym drill. That may help a little.

LACROSSE TEAM DEFEATED

Penn's Great Defense and Poor Passing by State Direct Cause of First Defeat.

Penn atoned for last year's defeat in lacrosse by decisively winning from State on Saturday 4 to 1. Penn obtained the ball on the draw-off but soon lost it to State. The attack carried the ball to the Penn goal where numerous shots were missed previous to a difficult goal by Hallowell from a sharp angle. Penn came back strong and scored two goals in this half which was long and tiresome.

Without detracting from the Penn victory, it must be said that State did not play up to form. Poor passing and failure to cover up paved the way to the easy Penn victory.

The strong B. P. I. team will play on Beaver field on Saturday. They lost to Swarthmore by a very narrow margin, and, while light, they are very fast and accurate passers. They have defeated Walbrook and Mt. Washington this season.

GIRLS TO ELECT QUEEN

Affair of Beautiful Costumes and Imposing Setting to be Staged Soon—Dances and May-pole Drills in Program.

Preparations are now under way for a May Day fete to be given by the fairer portion of the student body within the next three weeks. This event, which perhaps will be the most novel ever presented by the fairer element, will include light and airy music, a number of costume dances, two May-pole drills, and, to complete the whole occasion, there will be a real May Queen. Sixty persons will take part.

The pageant is to be given for the benefit of the hospital, and everything is being done to make it a success in every particular. A small admission fee will be charged.

Scholarship Cup

The Inter-fraternity Conference scholarship cup was recently formally presented by Dr. Sparks to the Phi Delta Theta fraternity for attaining the highest general average grades during the first semester.

Out of the 17 national fraternities constituting the conference, 444 men were represented giving about 26 men to each fraternity. For these men the average grade in all subjects was 72 per cent or 12 per cent above the passing grade. The average for each house was very close and in some cases only a few tenths of a point separated them.

"Damaged Goods"

Before an audience, which, considering the character and merit of the play, was all too small, Edward A. Mead play "Damaged Goods" last Saturday night, and again to a somewhat larger audience at the regular 6:30 service Sunday evening. The moral lesson of the reading was unmistakable and proved it worthy of all the commendation it has received.

Y. M. C. A. Elections

At the recent Y. M. C. A. elections, Cranston was elected president, Crawford first vice president, Cuno second vice president, and McDowell secretary. Hill was made treasurer with D. H. Steward, R. M. Hutchinson and F. F. Linger as assistant treasurers.

CALENDAR

WEDNESDAY, MAY 6

6:30 p. m. 114 Main. Student Tribunal.

FRIDAY, MAY 8

7:30 p. m. Liberal Arts Society. Ladies Cottage.

SATURDAY, MAY 9

1:30 p. m. Lacrosse. Baltimore P. I.

3:30 p. m. Baseball, Franklin and Marshall. Interclass Meet.

SUNDAY, MAY 10

10:00 a. m. Old Chapel. Freshman Service.

11:00 a. m. Auditorium. Chapel Service.

6:30 p. m. Auditorium. Y. M. C. A.

TUESDAY, MAY 12

7:00 p. m. Forum Society.

VALUABLE ACQUISITION

To Faculty. New Professor of Horticulture Noted for Work in Agricultural Lines.

Professor Maurice G. Kains, Associate Editor of the American Agriculturist, has been appointed Professor of Horticulture at The Pennsylvania State College and will report for service August 1st, although two weeks will be spent at the College during the month of June.

Professor Kains graduated from the Michigan Agricultural College in 1895; he spent the following two years at Cornell University, pursuing post graduate work, and obtained at that institution the degree of Master of Science. After the completion of his work at Cornell University, he served three years in conducting special crops investigations for the United States Department of Agriculture. During this period he made a thorough study of special crop problems along the Atlantic Seaboard, and also made several trips to Bermuda to investigate problems which were being studied by the United States Government. In 1900 he accepted the Chair of Horticulture at the School of Practical Agriculture and Horticulture at Briarcliff Manor, New York, where he taught, in addition to horticulture, botany, entomology, and some other subjects. After two years of teaching, he became horticultural, agricultural and botanical editor of the New International Encyclopedia, and later chief horticultural contributor to the Cyclopaedia American. In 1904, he was chosen Associate Editor of the American Agriculturist, and has served in that capacity during the past ten years.

Professor Kains is well known by the leading horticulturists of the Eastern States. He has taken an active part in the programs of many state meetings, and has also served as judge at many of the Eastern Fruit Shows. He is especially familiar with the fruits of the temperate zone. During his connection with the American Agriculturist, he has served as editor of a large number of agricultural and horticultural books, and he is the author of books entitled "Ginseng Culture", "Culinary Herbs", and "Making Horticulture Pay".

Professor Kains' ability as a teacher, speaker, investigator, and editor, together with his knowledge of eastern conditions and his acquaintance with eastern horticulturists, make him unusually well qualified to head the Department of Horticulture at The Pennsylvania State College.

THE FLAG SCRAP

Freshmen Employ Unusual Means in Winning Colors. Rules Need Revision. Fight a Farce.

There has probable been no scrap within the past three years or more whose outcome has aroused so much criticism as the contest last Friday morning. The freshmen won through a ruse that, although clever, has laid bare a loop hole in the flag scrap rules that it will be well to fix before the next scrap is staged.

When the gun was fired, the two sophomore wings swung around to form a wedge, splitting the freshmen, and allowing the central body to pass through unchecked. The cloud of soot and flour had scarcely cleared away when a '16 man climbed the pole and tore down the burlap sack which hung over its top and it was only six minutes after the starting signal when the fake colors wrapped tightly about the top of the pole were thrown down among the struggling fighters. Then it became known that the real colors were inside the top of the pole, and the remaining 14 minutes were spent in a vain attempt on the part of the ambitious sophomores to scale the pole now slippery with water, for a fourth time. At the conclusion of the scrap the officials decided that the ruse was within the rules governing the scrap, thus settling the question of its legality.

Debating Team Loses

State's debaters journeyed to Westminster last Thursday and were defeated, the woman's suffrage question being the bone of contention. The debate was the first one of the three remaining on State's schedule, the other two being with W. and J. and Pitt on May 21 and 22. The Westminster orators upheld the affirmative and based their argument upon the rights of the question while the negative team, composed of Geary, Carpenter and Lininger, declared that the expediency of granting the suffrage was the vital point in the controversy. The failure of the negative to fully discuss woman's right to the ballot spelled their defeat and formed the basis upon which the judges rendered their decision.

Rural Credits Authority Coming

A. E. Roberts, secretary of the International Committee for Y. M. C. A. County Work, who has just recently returned from an interesting trip on the National Commission to study rural credits and who, as a member of this commission, has been entertained by all the leading societies and monarchs of the continental countries, will be here next Sunday to speak at both chapel services and at the Y. M. C. A. meeting at 6:30 in the evening.

Mr. Roberts will also devote part of the time during his visit to conferences with men who are desirous of entering the county work field. If you are interested, call and arrange for an interview at the Y. M. C. A. office.

Any student so desiring may have his La Vies finished with gilt edges for an additional charge of 25 cents. Your name engraved in gold on the outside cover for a charge of 15 cents extra. All orders must be in by May 10.
