

A BIG MASS MEETING

Many Important Things Brought Up and Discussed Last Wednesday.

The mass meeting held in the Auditorium last Wednesday evening was one of great interest and importance to students of Penn State. The One-Year Rule was carried, a new system for the election of student managers for the varsity teams was adopted, the recommendations for minor sport insignia were accepted and the much talked of honor system voted down.

The Athletic Association business was carried out first, because the required quorum for the adoption of the honor system was not present. The minutes of the previous mass meeting were read and a report of the committee on insignia was called for. In the report it was recommended that the minor sport's letters should be given definite dimensions, and various suggestions as to the work required to win them were given. As finally amended and adopted, the requirements are as follows: The 1St shall be awarded to any lacrosse player who has played a full half in three-quarters of the lacrosse games scheduled, provided there are no less than eight games; the aSb shall be awarded to all men who play three-quarters of all the regularly scheduled soccer games when there are at least six scheduled; the cSc shall be awarded to the first five men who finish in the intercollegiate cross country; and the track S shall be awarded to those who finish tenth or better; the fSb shall be awarded to all members of the football squad who take two trips and who have played one quarter in three-fourths of the regularly scheduled games, and the letter shall not be worn until the junior year; the aSa shall be worn by track men while competing in intercollegiate meets, and shall be awarded to men who make five points in a regular meet.

The One-Year rule, which provides that all men playing on varsity teams shall have been enrolled for one year in one of the four year courses of the college, was brought up and carried. The rule will go into effect at the beginning of the 1915 football season.

By the time this business had been finished, the number present was thought sufficient to act on the question of the honor system. The system as devised by the student board was read and various amendments added to it, and it was decided that two-thirds of the number of men then present should be enough to pass the system. After a great deal of discussion, the question was put to a vote by secret ballot, and was lost by a vote of 767 to 428.

The Liberal Arts Society.

The meeting of the Liberal Arts Society, to be held next Friday evening at 7:30, in the Ladies Cottage, promises to be one long to be remembered by its members. The program which has been arranged is one that promises an evening at once entertaining and instructive. The most notable feature will be the farewell address of Dean Weber who will leave in the course of the next 10 days, to take up his new duties as head of the Scranton Schools.

Miss Jessie Fields popularly known through the entire country as "The Corn Lady", is to visit State College, May 9, 10, and 11, under the auspices of the Y. M. C. A. She will address the agricultural students at their one o'clock lecture on Friday, will meet the Agricultural Education class, and will give special instruction to the Girl's Country Life Class at the
