

PENN STATE COLLEGIAN.

VOLUME 10 NUMBER 29

STATE COLLEGE, PA., MAY 13, 1914

PRICE FIVE CENTS

BASEBALL TEAM RETURNS

Creditable Record Made in Games With Leading Teams in College Circles.

The Blue and White baseball team returned Friday morning from a trip which included an invasion of New England. Of the six games played, State won two, tied one, and lost three. Unfortunately the team played its best games with the weaker teams. The first game of the trip was played with Lehigh University at South Bethlehem. The game went to a twelve inning tie with all the scoring in the first three innings. Liebert started the game but was not in shape and gave way to Hesselbacher in the fourth inning. No runs were garnered from his delivery during his sojourn on the slab.

	R	H	E
Penn State	11	10	0000
Lehigh	02	10	0000

The second game was played at Easton with Lafayette. Up to the beginning of the sixth inning State led 4-2. Errors coupled with some hard hitting scored seven runs for Lafayette, which was enough to win. The support may be judged by the eight errors committed by State.

	R	H	E
Penn State	02	10	1000
Lafayette	11	00	0710

State played the best game of the trip against the University of Vermont, winning by the score of 5-3. Vermont was both out-hit and out-fielded in an uphill battle. The game was played in a drizzling rain which no doubt aided Hesselbacher with his speed in striking out 12 batsmen.

	R	H	E
Penn State	20	20	1000
Vermont	30	00	0000

The next game found Liebert in form and the heavy hitters of Dartmouth had to be content with four hits. The fielding of Captain Miller and the hitting of Liebert were the other features of a well played game.

	R	H	E
Penn State	00	11	0030
Dartmouth	10	00	0000

State left Dartmouth immediately after the game and traveled all night to reach West Point. This long jump was a primary cause for the Cadets first State victory since 1904. Liebert repeated but eight errors again caused his downfall.

	R	H	E
Penn State	01	10	0000
Army	10	01	130x

The last and most important game of the trip was lost through our inability to hit when hits meant runs. The game was slow and poorly played by both teams. The long jumps had their effects and should be a lesson in the arrangement of future schedules.

	R	H	E
Penn State	00	11	0101
Princeton	03	04	0000

Kiski vs. 1917

The Kiskiminetas baseball team will play the freshmen, Friday, May 15, on New Beaver Field at 4:00 p. m. This team is one of the strongest scholastic teams in the state and will give us an opportunity of comparing the possibilities of our freshman athletic teams of the future with the freshman teams of our rival institutions. The game will be free to students. The lineup of the freshmen will probably be the same as the one which finished the Lafayette game.

STATE WINS LACROSSE GAME

Baltimore Polytechnic Institute Defeated in An Exciting Game.

One of the most interesting lacrosse games of the season was played on Saturday afternoon when State won from the fast Baltimore Polytechnic Institute team by a score of 8 to 5. The field was wet and soggy, but in spite of this, both teams played a fast game. The first half ended with a tie score, 4-4. In the second half, however, the State team by superior playing were able to add four more goals to its score, while the team from Baltimore secured only one goal. Farley and Gallagher played an excellent game for State, while Sellman starred for the visitors.

Next Saturday State will meet the strong Hobart team on the home grounds. Hobart has won the majority of its games, and the game Saturday promises to be a good one. Later in the season a game will be played with the famous Toronto team. This team is said to be the best in the world.

Inter-fraternity Meets.

On Saturday the trials for the inter-fraternity relays were held and hotly contested in all heats. Nineteen teams were present to start the race. The following were the winners.

First heat, Phi Gamma Delta; second heat, Sigma Pi; third heat, Delta Tau Delta; fourth heat, Sigma Nu; fifth heat, Sigma Tau; sixth heat, Theta Xi; seventh heat, Delta U (through default.)

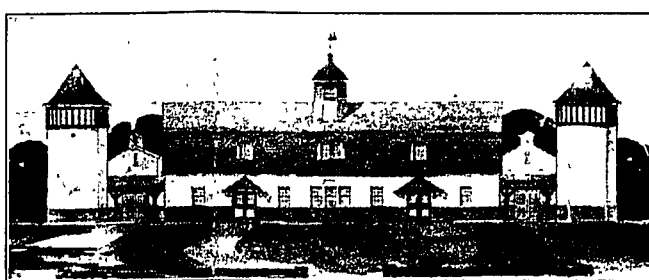

The finals of the relay will be on Saturday, May 16, and "S" men and men on the training table for the Varsity track squad will be debarred from the finals for the relay will be run in one heat, and this will take place along with the events of the inter-class meet.

On Saturday May 23 the second annual inter-fraternity track meet will be held and the Intercollegiate order of field and track events will be observed. The prizes for this meet consist of a large silver loving cup which goes to the team winning the meet to hold in their possession till the meet next year, and should the same team win the meet three times, they can keep the cups permanently. There are also 28 steins offered as prizes for first and second places. The fee for each fraternity is \$1.50 which is levied to cover the cost of prizes. All fees and entries must be handed to the manager or assistant managers before noon of Wednesday May 20th in order that the men and teams can participate.

Mandolin and Glee Club Elections

On last Friday evening the Mandolin and Glee Club elected the following men as officers for the college year of 1914-15: Seigler '15, manager; Vail '16, and Logan '16, assistant managers; Fisher '15, leader; Sauerhoff '17, librarian.

Mr. A. G. Roberts of New York, an international secretary of the Young Men's Christian Association who has charge of the rural work, addressed the various religious meetings of the college last Sunday. Mr. Roberts in a very forceful manner, presented to the students the great opportunities for Christian service in the rural communities and small towns. He made a strong appeal for college men to respond to the need in these places, and interested many men in this line of service.

THE NEW MODERN COLLEGE BARN

STATE TRIUMPHS OVER. F & M.

Errorless Ball and Hard Hitting Feature Home Team's Return. Hesselbacher Fans Eleven.

The baseball team, after returning from its annual trip east, easily defeated Franklin and Marshall Saturday on new Beaver field by the score of 6-2. Shorty Miller reached second on Mylin's error in the first; went to third on Crawford's sacrifice hit and scored on a passed ball. Two came over in the fourth. Josefson doubled and came across on Weber's three-base hit. With Vogt at the bat, the squeeze was worked. Weber scored and Vogt died at first. In the next inning Crawford stroled; advanced to second on a sacrifice and scored when Mylin fumbled Craig's hit. Robinson flew out to center, but Josefson walked and Weber scored Craig on a single.

Franklin and Marshall scored in the fifth and eighth by bunching two hits in each frame. Weber, Hesselbacher, and Josefson were the leading hit-smiths, while Hesselbacher continued as a strike-out artist, breezing eleven. The improved inside play of the team was one of the most pleasing features of the game. Nearly every man can lay down a perfect sacrifice when the occasion demands it. Captain Miller's bunt in the sixth inning could not have been better placed.

The score:

	R	H	E
Penn State	10	02	2100
F. & M.	00	01	0010

	R	H	E
Penn State	10	02	2100
F. & M.	00	01	0010

Two-base Hits: Josefson, Hermann, Brenner. Three-base Hits: Weber, Crawford. Stolen Bases: Vogt, Walker. Bases on Balls: off Hesselbacher, 4; off Waller, 4. Struck out: By Hesselbacher, 11; by Waller, 4. Wild Pitches: Waller. Umpire: Jones.

Library Notice

All books should be returned to the Library on or before June 1st. Books needed by Instructors for Summer School work will be recharged, but all books out on loan must be accounted for before June 1st.

CALENDAR

WEDNESDAY, MAY 13

SUNDAY, MAY 17

10:00 a. m. Old Chapel. Freshman Service.

11:00 a. m. Auditorium. Chapel Service.

6:30 p. m. Auditorium. Y. M. C. A.

TUESDAY, MAY 19

Regimental Inspection.

Soccer Review

The varsity soccer team closed one of the most successful seasons ever enjoyed in that sport. Manager Gregg arranged a very attractive schedule, and the Blue and White won a big majority of their games. The game with West Virginia University, which was intended for the spring season, was cancelled by them at a late date.

An application was made last Saturday for admission into the Intercollegiate Soccer League which held its annual meeting at Columbia University on May 9. If we gain admittance, an even greater stimulus can be looked for in that sport, and it will give Penn State a chance to compete against such colleges as Harvard, Yale, Princeton and Columbia.

Only Captain Savery and Buchanan will be lost to the team by graduation; these two places will be hard to fill, but after the creditable showing of this year's team, and a good promise of an extensive schedule for next season, a larger number of men than ever should report for the team next year.

Two games have been played in the interclass league. The sophomores defeated the freshmen who in turn defeated the juniors. The sophomore-freshman contest was closely contested throughout, the work of Smedley '16 and Cope '17 being of particularly high order. The closeness of the score promises a great game on the underclass athletic day of Commencement week.

NEW BARN TO BE MODERN

Plans Drawn up by Head of Dairy Husbandry Department. Will be Completed by September 1.

The new Dairy Barns now being constructed in the rear of the present barns located east of the Agricultural Building are expected to be completed this summer and will better the present equipment of the Agricultural Department. The plans call for three separate barns connected with each other by eight foot closed passage ways. The main building, the Feed Barn, will be 100 feet long and 36 feet wide.

At right angles to this the Dairy Barn, which will house 63 milk cows is to be built, 129 feet by 41 feet. The third building or the experimental barn which is 36 feet by 80 feet will complete the U shaped plan of placing the barns. All three buildings are to be constructed with hollow tile with red brick window sills and stucco exterior. The roof is to be of red asbestos shingles.

The Cow Barn is to be sanitary and up to date, all corners to be round and the interior all white. No sills or ledges will be built, even the windows and the interior all white. No sills or ledges will be built, even the windows are to be placed flush with the wall and are to be doubly constructed affording warmth in the winter and coolness in the summer. It is to be equipped with sanitary stanchions and stalls and special carriers for conveying feed and liter will be built. At each end of the Feed Barn two 18 foot silos will be placed, the design of which will conform with that of the other buildings.

The college has carried on the building of the barns under the supervision of Mr. Miller who built the Horticultural Building and the Presbyterian church. All purchasing is being done by F. K. Hofstetter, the college purchasing agent. The architectural Department prepared the plans under the advisement and direction of Prof. Larsen and are out of the ordinary in general arrangement and grouping. Instead of the hay being stored above the animals, the hay and grain barn is separate making it more sanitary and at the same time preventing loss of the animals in case of fire. The co-operation of the different departments in construction and preparing the plans is a step in the right direction and not only lowers expense but insures better results.

Team to Go West

Next Saturday the baseball team will play West Virginia Wesleyan on Beaver Field. This team has been playing in hard luck but has won the majority of its contests to date. On Monday night the team leaves for its Western trip. On Tuesday W. and J. will be played at Washington. This team is easily one of the best college clubs in the East, having defeated Lafayette and Pittsburg handily. On Wednesday, Pitt will be played. They are very strong in the box and on comparative scores appear to be about our equal. They have lost to Princeton, Lafayette and W. & J. in well played games. The last game of the trip will be played on Thursday with Carnegie Tech.
