

MILLER WINS GAME

Solid Clout in Ninth Inning Rally Ties Score and Bunt in the Twelfth Paves way for Victory Over West Virginia Wesleyan.

With two pitchers, two first basemen and a ninth inning rally we managed to overcome a four run lead, which looked like a sure victory for Wesleyan, and aided by a bad throw to first won in the twelfth. Liebert started the game for State and went good for nine innings, striking out five and issuing no passes. Neale's homer in the third started the scoring and brought in two runs. In the sixth Lambert singled, stole second and scored on Curtis' two bagger, Curtis than over-ran second making the third out. Cornwell's hit in the eighth resulted in two more runs for West Virginia for. after advancing on Neale's and Ollam's sacrifices, he scored on Lambert's three base hit, who in turn, seemingly clinched the game by scoring on Singleton's one base hit. Three put outs for Craig were registered in the next inning and when we went to bat in the ninth the score stood 5-1 in Wesleyan's favor.

Craig landed on a straight one which went for three bases and scored on Josefson's double. Weber took first on a fielders choice, stole second and Vogt filled the bases when hit by a pitched ball. Miller, the next man up pelted one for three bases tying the score and died at the plate. Hesselbacher replaced Liebert, striking out four and was also scarce with free passes. The game went three extra innings and Vogt's single in the twelfth put him on first. Hesselbacher sacrificed, Vogt moving to second. Miller then tried the same thing and his bunt was gathered up by Lambert who threw wild to first, Vogt scoring, which ended the game with Miller on third.

Cornwell's good pitching and ability to hit together with Lambert's and Neales stick work featured the play for West Virginia while for State, Miller's three base clout and star catch of Curtis' fly in extreme left center shone forth as the bright lights of the game. Josefson and Weber continued their usual hard hitting gait getting three hits apiece out of five chances. Weber proved to be especially fast on the bases having three stolen bases to his credit. No one walked the entire game, which easily shows the calibre of ball the pitchers were producing. The complete box score is as follows:—

Kiski Defeats 1917

Brilliant base-running and fielding were the leading features of a close contest on Beaver field Friday when Bulger, of Kiski, bested Cornog, of 1917, in a pitcher's battle. DeHart clinched the game for the visitors with a clever exhibition of base stealing. In the first inning he walked; stole second and third; and scored on an infield-tap. In the third inning he reached first on a hit which was too hot for Ellife to handle, and again scored after stealing two bases.

Hastings, the Kiski first baseman, scored another Kiski run after a hard hit to left field on which he could have scored, had he not been handicapped by a sprained ankle. Buddinger scored both runs for 1917. The first run came over when he beat out an infield hit, stole second and scored on Cornog's triple. He scored again on a fielder's choice and Cornog's second triple. Bachman's stop on a hard hit by DeHart was the fielding feature of the game. After the third inning Cornog held Kiski runless. He also did the heavy hitting for the freshmen, two three baggers being accredited to him. Bulger pitched good ball throughout the contest. The final score was 3 to 2.

A Campus Mass Meeting.

In years past, it was the custom here to award "S" men their certificates at a mass meeting on the front campus, but for some strange reason the practice has been abandoned. An effort is being made, however, to revive it, and a committee is working on plans for holding such a meeting before the end of the present term. A prominent man, well known to college, is to be invited to address the assemblage and present the certificates, and the band, it is understood, will do its share toward making the affair a memorable one.

1915 Class Meeting.

The junior class held a very important meeting last Thursday evening. The committee on the prom announced that the plans for having the booths in tents had been abandoned and that this particular feature would be handled much as in previous years. J. R. Mathers was elected president of the class for next year; R. M. Hutchinson, vice president; D. H. Stewart, secretary; and B. F. Smith, treasurer.

1917 Class Meeting.

The freshmen at their class meeting last Thursday evening nominated men for the class officers of next year. The candidates are as follows: for president, Richards, Fair, Sauerhoff, Hollowell, Bray and Kelly; for vice president, Freburn, Edgerton, Henderson, Burns; for secretary, Thompson, Dunkle, Buddinger, Roberts, Farrell; for treasurer, Swanger, Hoffer, West, Hufford, Kester; and for Student Council, Thomas, Humble, Morey, and Bennett.

1916 Elections.

The class officers for the Juniors of next year will be as follows: president, Yerger; vice president, Jameson; secretary, Frantz; treasurer, W. R. Skillman. The members of the class who will represent 1916 in the Student Council next year are, R. E. Gary, R. A. Love, A. R. Palmer, H. R. Pickett, R. H. Olmstead, G. H. Dippe, B. M. Brown, J. W. Towson, and E. T. Hammit.

FAST TIME IN INTERCLASS MEET

Hammit Breaks Two College Records—Lamb Surprised in Discus Throw.

The sophomores won the annual interclass meet last Saturday with 59 2-3 points which was 27 points more than 1915 scored, who were second. The freshmen, who were third, scored five points less than 1915.

By far the most remarkable performance of the day was Hammit's hurdling. With a slight wind at his back he equalled the intercollegiate high hurdle record without touching a hurdle. In the longer race, he crossed the finish in 24 3-5 seconds which equals any time made this year and breaks the State record. Entwistle in the half mile, though hampered by a strong wind on the back stretch, was timed in two minutes two and two-fifth seconds. Thomas, ex Ohio State, lived up to his reputation by winning the broad jump.

The results are as follows:

- 100 yard dash—First, Dolbin '16, second, White '16; third, Ludwig '16. Time 10 seconds.
- 220 yard dash—First, White '16; second, Ludwig '16, third, Mason '16. Time 22 2-5 seconds.
- 440 yard dash—First, Mason '16; second, Dolbin '16; third, Leyden '16. Time 54 4-5 seconds.
- 880 yard dash—First, Entwistle '16; second, Humble '17; third, Michener '15. Time 2 minutes 2-5 seconds.
- One mile run—First, Koyser '14, second, Schroeder '16; third, Leyden '14. Time 4 minutes 36 2-5 seconds.
- Two mile run—First, Hunter '17; second, Harold '16; third, Fisher '15. Time 10 minutes 34 seconds.
- 120 yard hurdles—First, Hammit '16; second, Brown '16; third, Whiting '17. Time 15 1-5 seconds.
- 220 yard hurdles—First, Hammit '16; second, Brown '16; third, Whiting '17. Time 21 3-5 seconds.
- Broad jump—First, Thomas '15, 21 feet 8 3-4 inches; second, Palmer '16, 21 feet 8 1-2 inches; third, Page '17, 20 feet 3 3-4 inches.
- High jump—First, Elliot '15, 5 feet 8 1-4 inches; second, tie between Lamb '15, Pickett '16, Houtz '17, at 5 feet 7 1-4 inches.
- Pole vault—First, tie between Welty '17 and Page '17, height 10 feet 6 inches; second, tie between Hays '14, Burdek '16 and Foster '14, height 10 feet 3 inches.
- Shot put—First, Lamb '15, 39 feet 8 inches; second, Clark '17, 36 feet 5 inches; third, Locke '16, 35 feet 4 inches.
- Hammer throw—First, Lamb '15; 139 feet; second, Clarke '17, 118 feet 8 inches; third, Jester '15, 110 feet.
- Discus throw—First, Jester '15, 107 feet 5 inches; second, Lamb '15, 106 feet 7 inches; third, Clark '17, 95 feet 8 inches.
- Point score—1916, 59 2-3; 1915, 32 1-3; 1917 27 1-3; 1914 6 2-3.

The Freshman Stunt

The annual freshman stunt is being pushed forward with all haste. This year's affair is in line with the movement started not so long ago to make the stunt something of lasting benefit. It is the intention of 1917 to present to the college a large chair, carved with the college insignia, to be used by the president at the graduation exercises.

Registrar's Notice

At the end of the second semester official notification of any failure in examination will be sent out as soon as the grade is received, and such notices will be mailed to the student's State College address until Monday, June 8, inclusive; after that date these notices will be sent to the student's home address.

Any student who leaves State College on or before June 8 should therefore leave his summer address at the postoffice, with a written request that his letters be forwarded. The postmaster is required by law thus to forward letters upon request.

If any student intends to be at State College for a week or two after June 8, and wishes notice sent to his State College address after that date, he should leave a written request to that effect at the registrar's office.

If any student has changed his home address since he filled out his matriculation blank in the registrar's office, he should call at the office immediately and furnish the registrar with his correct home address. This change of address should be attended to not later than June 1.

There is little likelihood that these important notices will go astray if every student takes pains to have his letters sent to the proper address.

As heretofore, but a single grade report will be made out for each student at the of the second semester, and this report will be mailed to the student's parents or guardian.

The Liberal Arts Society.

The last meeting of the Liberal Arts Society for the present year was held at Dr. Stecker's residence last Friday evening. Harris was elected president for the coming year; Miss Whalen, vice president; Miss McNamara, secretary; Prof. Barber, treasurer.

Library Notice

All books should be returned to the library on or before June 1. Books needed by instructors for summer school work will be recharged, but all books out on loan must be accounted for before June 1.

WHO WILL BE QUEEN?

Queen to be Crowned at Sunset Hour—Band to Furnish Carnival Music.

The first annual May Queen festival to be given by the girls of Penn State will be held next Friday evening, May 22. The sunset hour (6:30) has been chosen as the time for the crowning of "The Queen of the May" in her own surroundings on the front campus. There will be a number of fancy dances by which the various beauties of Mother Nature will be symbolized. The music for the merry costumed dancers will be furnished by the college band. Not only will the stage setting, the music, costumes, and dancing be in keeping with the beauty of "The Queen of May" and her pageant but also the fund toward which the admission will go; which is none other than that of sweet charity—to provide for the needs of our hospital.

Seats will be arranged for the spectators. The general admission will be 15 cents; reserved seats are now on sale at 25 cents. Tickets can be bought from the following: Cranston '15, Hesselbacher '16, Humble '17, Roth & Robbins store, Gilliland's and Krumrine's drug stores, and the Co-op.

Honorary Chemical Society

The installation committee of Phi Lambda Upsilon, an honorary chemical society, will install a chapter at this college on Thursday May 21. Dr. H. L. Fisher, national secretary, from Columbia University, will have charge of the ceremonies.

The national society chooses its members on a basis of good fellowship and high scholarship in chemistry. Its members are elected from the graduate students and the seniors and juniors in their second semester.

The local petitioning body was known as the Penn State Chemists Club, and was composed of the following members:

- G. L. Sumner, O. J. Vogel, D. G. Mechling, J. R. Silver, Jr.; J. L. Beatty, H. E. Brillinger, C. A. Lord, J. H. Olewine, H. W. Klinger, H. N. Lyons, N. D. Devlin, G. H. Gleason, G. R. Thorn, D. Williams.

Noted Speaker at Cottage.

Dr. Rachel Williams, of Philadelphia, was house guest at the Woman's Building, May 16-18. On Saturday afternoon she gave a talk to a gathering of country people at Center Furnace school house, in which the preventatives of many bodily ills were explained.

The present Junior nursing class and also that of last year were fortunate in hearing Dr. Williams on Saturday evening. On Sunday she spoke to all the girls on the common ways by which people show their lack of appreciation for the body by indulgence in eating and in habits of life and by lack of sleeping.

Dr. Williams is a sister of Mrs. Strawbridge-Brophy, who lectured before the Agricultural students late in December, 1912. We find both to be capable and earnest in the giving of their talents and advantages for the betterment of humanity.

Senior class dues payable at Claude Smith's Toggery Shop any time.
