

VICTORY IN ELEVENTH

Hesselbacher's Pitching, With Gilt Edge Support, Combined With Ursinus' Errors Enable Team to Win Out in Tight Battle.

In the best game of the year, the final punch which has been exhibited by our ball tossers all season, again asserted itself. The game was a pitchers battle between Johnson and Hesselbacher two of the best college twirlers in the east, with honors about even. Despite the fact that the team had just returned from a strenuous western trip on which Hesselbacher pitched two consecutive games, they gave the rooters the best exhibition of the season.

The game opened with Hesselbacher striking out Kennedy, the first man up. Diemer lifted one out to Miller. Mitterling singled and Bedenk, with a terrific drive over Miller's head, went for three bases scoring Mitterling. Johnson, their hard hitting pitcher, drove a clean one between short and second scoring Bedenk, and Reiff struck out ending their half of the inning with a two run lead. Miller fanned and Crawford's drive along the third base foul line went for two bases. Weber singled, stole second and Crawford scored on Craig's sacrifice. Josefson flied out.

Hesselbacher tightened in the second retiring the side. Robinson started our half with a drive to Stugart who fumbled and then advanced to second on Bedenk's error. Blythe sacrificed, Robinson taking third. The squeeze was then worked, Robinson scoring from third and Hesselbacher struck out. Score 2-2.

In the fifth Hesselbacher issued three passes filling the bases with one out, then tightened and struck out Bedenk while Johnson lifted one to Josefson, thereby spoiling Ursinus' chance to score.

We evened matters up in the sixth when Crawford took first on Bedenk's weak throw and advanced on Weber's sacrifice. Craig's two base lunge scored after Josefson struck out and Robinson tappered to Adams.

The eleventh proved to be full of thrills, and errors on the part of both teams brought in their respective tallies. Reiff opened the half for Ursinus with an infield fly to Craig. Stugart took first on Weber's poor throw to Robinson and Bettler's two base hit scored Stugart. Bettler made the third out at third when Miller caught Adams' fly, relaying it through Craig to Blythe. In the last half, Johnson walked Vogt who advanced to third on Adams' error which placed Hesselbacher on second. A wild pitch from Johnson scored Vogt, Hesselbacher brought in the winning run on Bettler's error which placed Miller on third with no outs. Final score 5-4.

THE NEW LIBERAL ARTS BUILDING

LIBERAL ARTS BUILDING

New Building to Conform in General Appearance to Library—To be Fireproof Throughout.

The work on the southern wing of the new liberal arts building is rapidly progressing and the masonry has almost reached the first floor. The building when completed will contain 21 recitation rooms, five offices and a lecture room. It consists of three floors, a ground floor built of limestone and two upper stories constructed of light brick similar to that of the present library. The trimmings consist of stone, with a terra cotta cresting, capped with a copper cornice surrounding the slag roof. Just below the cornice in the terra cotta cresting, panels are to be placed containing the names of the world's greatest men such as Chaucer, Dickens, Burns, Homer, Socrates, Moses, Shakespeare, St. Paul, Dante, etc. Ample space has been allowed for windows and the building will be well lighted, several windows being placed in each classroom. The floors and partitions are fireproof and the building is modern in every detail.

The main entrance will face the road in front of the library which will later be blocked off as the rest of the building becomes completed. In entering the building one will ascend three banks of bluestone steps which lead to the first floor from a concrete portico raised slightly from the present elevation of the ground. This will form a majestic effect and is one of the new ideas constituting the general plan of construction of the unit. The ground floor and first floor contains 10 rooms each with eight recitation rooms on the former and seven on the latter. The second floor contains six recitation rooms and a lecture room 47 by 50 feet. For the present the Mathematics, English, German and French departments will occupy these rooms and will relieve the existing crowded conditions in Old Main.

It has become the policy of the board of trustees in erecting new buildings to erect them well and instead of putting up structures that will have to be replaced in a few years they intend to build something that will both last and look well. With this end in view they selected the Day and Klauder firm of Philadelphia as architects while the H. L. Brown company of the same city was awarded the building contract. The structure will be finished next fall.

The May Queen Pageant

The long expected May Queen pageant was presented by the girls of the college on Saturday evening and promises, if continued in the future, to be a very beautiful custom. This first effort on the part of the girls was well received, and since the proceeds went for a good cause all the participants are to be commended for their untiring efforts to make the affair a success. The scene of the pageant was exceedingly well adapted for its production and the trees, shrubbery and costumes of the nymphs helped to transport the audience back to "Ye Olden Days". The dancing was good, the solo was exceptional, and the different parts showed careful training. The whole pageant reflected credit on the girls and their director.

W & J BADLY DEFEATED

Hesselbacher Continues Great Pitching—Bachman Injured. Third Pitcher Missed.

Hard hitting and Hesselbacher's good pitching resulted in a 11-1 victory over W. and J. in the first game of the western trip. All of the offerings of the W. and J. pitchers were easy for State. Twenty-one hits and 11 runs were garnered from W. and J.'s three pitchers.

The following day Hesselbacher again pitched against Pitt. He was effective until the eighth inning when hard hitting produced four runs, enough for the 6-3 victory. Eliffe played at third and Bachman at second. Craig's presence was badly missed at second base.

On Thursday Liebert pitched against Carnegie Tech. Inability to hit at the opportune times was directly responsible for the 5-2 defeat.

Bachman, who played at second, broke his leg sliding and is now in a Pittsburg hospital. The young man is working his way through college and depends to a large extent on his summer earnings. It is to be hoped that some special action will be taken in his case in order that his injury will not interfere with his scholastic standing.

Inter-Class Baseball.

The Freshmen took the lead in the baseball league on Saturday when they defeated 1916 in a ragged fielding and hard-hitting game by the score of 14-10. Baughman pitched well except in the second inning when eight runs were made off his delivery.

The best league game thus far was the 1914-1916 contest last Thursday. A pitcher's battle between J. Craig and Binder resulted in a Sophomore victory. The afternoon before the Freshmen won from the Juniors 12-8.

INTERCOLLEGIATE CHAMPIONS

Numerous Records Broken in Track and Field Events—Lamb Stars.

In the annual western intercollegiate track championships on Saturday in Pittsburg, State scored 96 1-6 points winning by 32 points over their strongest competitor, Pitt.

Keyser broke the two mile field record, and Leyden the quarter mile, covering the distance in 50 4-5 seconds which also breaks the State record. Our relay team lowered the field record by three seconds and finished more than 100 yards ahead of their Pittsburg rivals. Hammitt showed by his performances that he is in first class condition for the Harvard meet. He was disqualified in the high hurdles for knocking over three sticks; two watches caught him in 15 1-5 seconds. In the low hurdles he finished in 25 seconds. Lamb was high scorer with a first in the hammer, second in the shot, third in the discus, and tied for fifth in the high jump.

The greatest surprise of the meet was when a Tech man defeated White in the 100 yard dash in 10 2-5 seconds. Palmer surprised everyone in the broad jump with a leap of 22 feet 5.3 inches. State took seven out of a possible fifteen firsts, eight seconds, five thirds and four fourths. The team scores were as follows: State 96 1-6; Pittsburg 64 1-6; Tech 30 1-2; Allegheny 18 1-2; W. and J. 12 1-2; Westminster 6.

State Loses to Pitt in Tennis

The varsity tennis team lost to Pitt on May 21 by the score of 5-1, but the meet was much closer than the score would indicate. Nevin lost a hard match to McElroy, of Pitt, and Hay and Nevin in the doubles scored State's only point. Carnegie Tech was easily defeated, 6-0. The meet with the Westinghouse A. C., at Wilkensburg, on May 23 was closer, and several good matches resulted, the Nevin-Lloyd match being the most interesting. The final score was: State 4, Westinghouse A. C. 2.

Baseball Batting Averages

The team has recovered from its early batting slump and is now hitting the ball clean and hard. Miller is in a slump at present. The individual averages are as follows:

R. Craig	.360	Liebert	.273
Josefson	.348	Miller	.255
Bachman	.333	Hesselbacher	.219
Weber	.303	Vogt	.191
Crawford	.287	Robinson	.186
Blythe	.285	Kominars	.142

Hesselbacher Draws Attention.

When Wardwell left college, an impossible task seemed to confront the coaching staff in respect to pitchers. The one hope was in Hesselbacher. Beginning with the Trinity game he has more than fulfilled the hopes of his greatest admirers. In 11 games he has won eight, lost two and tied one. In nearly every battle at least 10 men have struck out while few teams have had more than six hits. His work has commanded the attention of big league owners and many offers have come his way. It is hoped that he will be able to turn down these bids until he has made two more yearly records at State.

State at Harvard.

Five men will go to Harvard next Thursday with Coach Martin to compete in the annual intercollegiate track championships. Hammitt appears to have the best chance to score, and if Palmer jumps up to form he will score at least a third place. Keyser should score in the two mile event while Leyden should do something in the half mile. Lamb's best opportunity will come in the hammer throw.

Interfraternity Meet Will Contested
The Sigma Pi fraternity with two men scored five first places which was enough to win the annual track meet held on New Beaver Field. Theta Xi were second with nineteen points and Alpha Zeta third with eighteen points. Thomas, of Sigma Pi, was high individual scorer with first place in the jumps and low hurdles.

1917 Elections.

The freshmen at a class meeting held last Tuesday evening, elected the following men as officers for the coming year: president Sauerhoff; vice-president, Burns; secretary, Dunkle; treasurer, Hoffer. Humble will represent the class in the Student Council.
