

Y. M. C. A. News.

We are to be favored with the presence of "Bob" Gailey, General Secretary of the Association, in Peking during the last three days of this week. "Bob" is undoubtedly a man who has something to say and we trust that everyone will take advantage of the opportunity to hear him in the Old Chapel at 7:30 next Thursday evening.

It might be interesting to know that Mr. Gailey is a Pennsylvanian. He graduated from Princeton College and Seminary, finishing in '98, and in both college and seminary he was a leader in scholarship, in athletics and in Christian work. Three times he was chosen all-American centre. Few men in American football have surpassed him. In 1898 he went to China and for seven years was General Secretary in Tientsin. He went through the Boxer siege of 1900, and led in the rescue work during the Revolution of 1912. For the past eight years, he has been General Secretary in Peking. He enjoys the personal confidence of Yuan Shi Kai as of most of the national leaders of China. With his wealth of experience and observation, he makes an extremely interesting speaker and his inside knowledge of China and conditions there qualify him to speak authoritatively.

He will make but one address while here. The greater part of his time will be given to private interviews and visits to "frats". All out, fellows, Thursday evening!

There will be a Bible Study meeting at the Y. M. C. A. meeting next Sunday evening led by "Bob" Reed and "Walt" Whetstone.

The Civic Club.

The Civic club held its first meeting for this year in Room 222 Engineering Building last Thursday evening. After preliminary business had been dispensed with the elections for the offices of vice president and secretary-treasurer, both of which are filled by juniors, were held. The officers of the club for the coming year are: president, S. P. Jones; vice president, J. P. Rugh; secretary-treasurer, R. M. Decker. The Executive Committee consists of the officers and two members appointed by the president, Messrs. Dimmit and Skillman. Three members of the faculty who comprise the Advisory Committee will be chosen later. The president was instructed to appoint a committee to bring the recommendation made by the club at the end of last year regarding the conducting of all-college elections to the Student Board and Student Council. The program for this term was discussed at some length and various improvements were suggested.

For the benefit of those who are unfamiliar with the character and purpose of the club, it might be well to state it is a student organization, the aim of which is to create a more general interest in problems of good government and good citizenship. The membership is made up of 60 upperclassmen, 30 seniors and 30 juniors. Applications for membership are made through active members, the signatures of three being required on the written proposal. The non-payment of dues or failure to attend the meetings of the organization leave vacancies in the roll which are filled by men who have already made application for membership. There are at present vacancies in both classes.

The program for this coming year promises to be a good one both in interest and helpfulness and it is hoped that all who are interested in this particular work will take advantage of the opportunities afforded them to get and keep in touch with it.

SUSIE SAYS OUR CHOCOLATES are just fine and she is right. They couldn't be any finer if we charged twice as much for them. All kinds of cream, nut and fruit flavors and so delicious that the memory of their taste will linger long with you. Take a box home with you to-night. You'll wish it was bigger, no matter how large a one you buy.

GRAHAM ON THE CORNER

Across the Way

Lucy Kemmerer '14, has a position in the Bellefonte High school teaching domestic science.

Evelyn Ancona '13, is head of the department of domestic science in the Reading High school.

Eunice Williams '14, is teaching domestic science at Ridley Park, Pa.

Mildred E. Ride '14, is assistant extension secretary at the Y. W. C. A. of Baltimore.

Anna Hauser '14, is head of the domestic science extension work at Rutledge College, N. J.

The engagement of Elsie E. Ernst '14, to Harvey Werner '13, has been announced. Mr. Werner is teaching in the Agricultural College of North Dakota.

Anna Cohen has left school to obtain practical experience in agriculture on an experimental farm owned by the Pennsylvania Railroad at Long Island. H. B. Fullerton is conducting the farm. Miss Cohen expects to return to State College next year to complete her course here.

Marjorie Lyon '11, is conducting a lunch room in the Y. W. C. A. of Nashville, Tennessee, and is teaching classes in domestic science. Her engagement to a physician in Savannah has just been announced.

Katherine Kessler Corbett '11, has gone to California for her health.

Nan Strode '12, is teaching domestic science in the West Chester high school.

Sibyl Davis, non graduate '14, is teaching domestic science and domestic art in Havre de Gras, Md.

Julia Krumrine '13, was married September 17 to James Fields '12. They sailed for Australia September 26 where Mr. Fields will do engineering work.

Martha Davey '14, is teaching domestic science and domestic art in a township high school under the State Department of Agriculture at Montrose, Susquehanna county.

Senior Dances

The first of the series of Senior Dances will be held on Saturday, October 17, at 8 o'clock in the Armory. The subscription will be the same as that in former years, one dollar. Programs may be secured prior to the dance at the Toggery Shop.

Mr. Lewis will be reinforced this year by Mr. McLain of the Springfield Training School. It is the intention of the department to feature more of the indoor sports such as boxing and gymnastic work during the present school year. To get things started and well under way, all men who are interested in the gymnastic end of the affair are asked to report to Mr. Lewis in his office at seven o'clock Friday evening. Those who can take advanced work are urged to come out.

The Oliver Ditson Company, of Boston, has published a hymn-anthem arrangement of "The Son of God Goes Forth to War" by Professor C. C. Robinson. It is dedicated to the Chapel Choir of The Pennsylvania State College.

A book entitled "Educational Hygiene" will soon appear written by Dr. Repeer, Professor of Education at The Pennsylvania State College. The book will be published by Charles Scribner, of New York.

President Sparks has received notification from the Assistant Commissioner for Higher Education of New York that the Bachelor of Science Degree of The Pennsylvania State College will be registered in the City of New York as conforming to the order of the Court of Appeals. This means that any student completing the pre-legal course will be given a credit of one year of advanced standing in any law school in the State of New York. Also a degree of Bachelor of Arts in Education will be honored in securing a teacher's license in New York.

President Sparks will spend a part of the month of October in the West, speaking at the State Teachers' Association of North Dakota, the Northwestern Teachers' Association of Minnesota, and the State Federation of Women of Wisconsin. Last week the President spoke at Bucknell University and at Sunbury.

Hairdressing, manicuring, facial massage and scalp treatment; both sexes. Terms reasonable. Mrs. Spyker, 104 1/2 East College avenue, over Krumrine's drug store, Commercial phone.—Adv.
