TEAM-WORK IMPROVED

Muhlenberg, Unable to Break up State's Interference, Defeated 22-0—Coaches Pleased With Improvement of Past Week—Many Positions Still Unsettled.

The work of the coaches during the past week in developing a strong offense was clearly evidenced on Beaver Field Saturday in the improved team-work. Numerous places on the team are still unsettled and many errors have to be corrected but the coaches are satisfied that a State team has been started in the direction of a most successful season.

Lamb kicked off to Muhlenberg who immediately called on her giant fullback Stipp. He made a first down on two plays but was call-

ed on to punt after three unsuccessful attempts. Starting on her 25-yard line, State commenced a march down the field. James made first down from a kick formation. On a similar play Higgins added another 10 yards. Clark made six yards off tackle and Lamb added 18. James made four yards and Clark a first down. A tackle play by Tobin and a forward pass from James to Lamb carried the ball to Muhlenberg's 15-yard line. Tobin made seven and Clark a first down. On the next play Tobin went over for a touchdown. Lamb failed at a goal.

A second touchdown was scored in the second quarter. Stipp was thrown for an eight yard loss by Higgins and kicked out of bounds on State's 40-yard line. Ewing was substituted for James and immediately opened up the play. A forward pass to Higgins netted 35 yards. On this play Higgins cross-

ed the goal line after a beautiful exhibition of dodging but the referee ruled he had stepped out of bounds. On the next play a pass from Ewing to Lamb added six points. The half ended shortly after Welty missed a goal.

Muhlenberg opened with a rush in the second half. Stipp ran the kick-off back 30 yards. Steele made eight and Stipp 16 in two plays. Higgins stopped the rush by recovering a fumble on a beauti-

ful dive. After an exchange of punts Muhlenberg was pushed back to its goal line through a number of bad passes by its center. Caskey was hurried in getting off a kick and Clark caught it on the 15-yard line. Tobin made a first down and Clark scored in two plays. Lamb kicked the goal. A field goal by Lamb ended the scoring.

In the backfield the battle between James and Ewing was left undecided. Both men ran well with the ball but generally had to rely on Captain Tobin for selection of plays. Welty played a fine game, resembling his form of 1912. Clark was a great improvement. His snatching interference, running with the ball, and kicking recalls to memory "Pete" Mauthe.

Only a few minor injuries were inflicted during the game. Locke was removed in the second quarter with an injured shoulder. The position at right end is causing a great battle between Barron, Morris, Thomas and Swain, with Barron and Thomas having a slight lead. At guard the coaches are still undecided who is the best man, Locke being a slight favorite. Kratt still has first call at left tackle.

The lineup:
STATE: MUHLENBERG
Higgins t Hubbard, Capt.

Goal from touchdown: Lamb. Field goal: Lamb. Penalty: State, 15 yards for holding.

Civic Club

As per the calendar, there will be a meeting of the Civic Club in room 202, Engineering Building, next Thursday evening at 6:45. Professor G. F. Zook will speak on "Causes of the European War", and there will be a discussion of current events by Doncaster, '15, and Hodges, '15. To those who desire membership, be it known that applications are kept in case there is no vacancy at the time; and when a man does drop out, these applicants are given first consideration. Just now six juniors are wanted. All applications must be signed by three active members of the society and should be in the hands of president S. P. Jones before next Thursday evening.

CROSS COUNTRY TALK

Elaborate Schedule Planned by Manager. Squad Largest in History of the College. Successful Season Anticipated.

A squad of 60 men reported to Coach Martin when the first call for cross country candidates was made. Numerous speeches by old men worked up a great amount of enthusiasm and plans for the season were discussed. Last year under the direction of Martin, who was assisted by Director Lewis and Professor Wright, cross country received a great impetus. Handicap runs were held throughout the year and a strong varsity team was developed.

Through the effort of Manager Denithorn, the University of Pennsylvania will compete against the varsity team at State College on October 24th. Other meets are pending with Lehigh and Lafayette on the days of the football games with those colleges.

With these trips and the recent ruling on insignia as added inducements to college interest, every man who has ever been a runner should lend his hand by joining the squad.

Entwistle, Schroeder and Hunter, are taking the squad for daily runs of two miles or more. Four places are open to new men.

The track trials on Saturday lacked interest because of the small number of contestants. Wilson and Shea jumped well and Page seemed to be in good shape in the pole vault. The track trials were very slow.

Fall Baseball Practice.

Varsity baseball practice has been started with a view to getting a line on the new material for the Spring trips. A number of freshmen are showing up decidedly well in practice, Johnson, a south-paw pitcher from Du Bois, Jameson, a Mercersburg infielder, and Brown, an out-fielder from Kiski look good. "Ed" Moore, a Chambersburg back-stop, should prove a valuable help to Capt. Vogt.

Among the Sophs, Bachman, Elliffe and Scollins look best. Scollins' leg which was broken last year seems to be mending well. "Doc" Crawford's leg has not yet healed perfectly, but should be in good condition by the time spring practice begins. This leaves only two places to be filled in last year's lineup: those of Capt. Miller and Craig. Practice is being held during the week at 4:00 o'clock and at 1:00 o'clock on Saturday and candidates are urged to report at those times.

Girls Clee Club.

Last Wednesday evening the Girls Glee Club organized for the ensuing year, and the following officers were elected: Manager, Marion S. Loag; Assistant Manager, Laura Unger.

With an active organization of 45 girls under the efficient leadership of Professor C. C. Robinson, the prospects for a real live year are exceedingly bright.

An alcove has been established in the Library which contains all the books having a bearing on the present European war.

Notice!

It has been the aim of the Board to place an issue of the Collegian in the hands of every member of the college during the year. Such policy has been adhered to, insofar as possible, but it is quite evident that the paper cannot be furnished to those having no intention to subscribe.

Notice should be sent to the Manager by those who have not subscribed, if it has not already been done, stating whether the paper is to be continued or not. Names of those failing will be dropped from the mailing list.

The rate of \$1.25 holds good until October 15th, from which time it will be \$1.50. Check may be made for the amount until that date. Receipts will be given at C. W. Smith's Toggery Shop, or at the "Collegian Office"—West College Ave.

Gettysburg Saturday

Gettysburg, coached by O'Brien of Swarthmore, will arrive Friday evening at Lemont to play the third game of its schedule. Although they have lost Mauthe '12 as coach, O'Brien has a good coaching record and a fine nucleus from last year's team. Hoar at quarterback is a star particularly, in the open field. Left tackle Sheffer, who was captain last year, is still remembered by our old varsity men and was considered by Mauthe to be one of the great tackles of last year. Mercer, a new guard who weighs 212 pounds, has added strength to the line. The game will call for State's best efforts to win.

Soccer News

Soccer practice is being held on Beaver Field daily at four o'clock except Saturday, when practice begins at half past one. Over 35 candidates are reporting daily and much good material is in evidence. Yen, from Cascadilla School, has made a fine impression at half-back. He is sent here by the Chinese government. Many good games are pending and Manager Vollmer is also hoping to arrange two trips. No thought has been given to selecting a team and new men reporting now will be given every consideration.

Comic Editors Wanted.

There are several vacancies on the editorial board of the Penn State Froth and all freshmen and sophomores desiring to try out for such positions should report to Room 423, Main Building, Wednesday evening October 7 at 7 o'clock.

THE CIDER SCRAP

Sophs Take First Scrap of the Year. Injuries Few in Number of Contestants.

The Cider scrap, substituted for the Pushball because of the poor condition of that implement of warfare, happened last Saturday afternoon; and, being the first scrap of the year, victory perched on the banners of our brave and valiant sophomores. There was the usual scrapping around the edges and the usual struggle over head. The freshmen failed to take advantage of the opportunity to get on the barrel in the first few minutes of fighting, and the chance never came back. For a time it seemed as though '17 was being forced back but the final score 80 to 38 shows that little ground was lost. Some 38 freshmen who had been held in reserve in the Armory, rushed out after the first 10 minutes, went up over their classmen and for the most part were barrel men. Both classes attended rather well although there is still room for improvement in this regard.

Lacrosse

With the loss of but two men by graduation the lacrosse prospects for this year appear to be very good. Candidates were called out Monday and a number of old men reported.

In addition to the yearly sophomore-freshman scrap game, a series of interclass games is being arranged for this fall. A schedule of six games is being considered for next spring when only inter-collegiate games will be played. There will be two trips of perhaps two games apiece and two home games. One trip will probably take in games with Cornell and Hobart; while the other may be either a trip to Swarthmore and Penn or games with John Hopkins, Baltimore Polytech. and the Baltimore City College. The inter-class series offers a good chance for new men to win their numerals and a hearty response to the call for candidates is expected.

It is hoped that the underclass scrap-game will be postponed until spring, in order to give the freshmen an opportunity to become familiar with the game.
