

## LAFAYETTE DEFEATED IN SECOND HALF

Entry of Lamb in Last Half Turns Tide of Game—Both Teams Badly Crippled—Tobin's Absence keenly Felt. Clark and Kratt Star—Ewing Returns to Game.

Playing an open game, Penn State kept up its brilliant record of the year, when, after failing to score in the first half on Saturday at Easton, they piled up a total of 17 points on the Lafayette team which tied Penn earlier in the season. The tackle and end play of both teams were of a high order. Kratt practically played a game of All-American caliber while Maxfield was nearly as good. Barron at end found very little trouble in boxing Kelly, the Lafayette tackle. His ability in this respect made possible the numerous runs around that end.

While Kratt played a fine line game, he was also a star at line plunging. In the first half he carried the ball 60 yards by a series of line plunges to the Lafayette 20 yard line where a fumble lost a probable touchdown. Ewing seemed to be the only man on either team capable of circling the ends for long gains. The punting duel between Kelly and Clark was keenly contested with honors even. Weldon, Lurch and Maxfield were easily the best players for Lafayette.

While State could not score in the first half, her goal line was at no time seriously threatened, except when Welty caught a Lafayette forward pass on our 25 yard line.

In the third period Lamb replaced Fleck. This charge seemed to work wonders in the State fighting spirit. He kicked off to Lafayette's 23 yard line and the ball was returned 17 yards. After three unsuccessful attempts to pierce the State line, Kelly kicked to State's thirty-yard line. Morris made seven yards; then a forward pass, James to Yerger, carried the ball to Lafayette's 46 yard line. Clark gained 5 through the line and another forward pass, James to Barron carried the ball to the 32 yard line. Welty added 5 more yards and then "Levi" made an attempt at a field goal which missed by a scant 2 feet. Given the ball on their 20 yard line, Kelly immediately kicked to James on our 43 yard line and a little later Lafayette recovered a fumble on State's 47 yard line. They made 7 yards on three tries and then lost the ball on downs. A successful forward from James took the ball to Lafayette's 48 yard line.

Clark got away for 22 yards and Yerger made 3 more. James then heaved a forward which Morris

carried for 24 yards to Lafayette's 4 yard line. Three attempts by Clark, Kratt, and Yerger put the ball on the one yard line. Lafayette was penalized 6 inches for side line coaching and Kratt went the

remaining 6 inches for a touch-down. Lamb kicked the goal.

Lamb kicked off to Lafayette. The ball went over the goal line and was put in play on the 20 yard line. The third period ended with the ball in State's possession on Lafayette's 40 yard line.

After an interchange of punts in the final period, Kelly kicked to James on State's 28 yard line. Welty made one and James added 7 yards on a kick formation. Ewing was substituted for James, and, on a fake kick, made 50 yards by some wonderful open field running which brought the ball to the 15 yard line. From there Clark made 5, but State was penalized 5 yards for off-side. Clark was given the ball and on three plunges took the ball first to the eight, then to the one yard line and finally over for the second touchdown. Lamb kicked the goal.

Lamb again kicked off and again the ball went over the goal line. Kelly kicked to Welty on Lafayette's 45 yard line. From there Lamb tried a field goal which went to the side. After Kelly had kicked to State's 20 yard line and Yerger had made 7 yards, Ewing, who had replaced Clark at full, made a spectacular 55 yard run to Lafayette's 15 yard line, where Lamb tried and made a field goal. From this point on practically the whole scrub team was substituted before the end of the game.

Barron put up a wonderful game at right end and Clark consistently showed his ability to make gains when they were needed. A summary will give some idea of the relative strength of the teams; Lafayette made 2 first downs the first half and State made 2; Lafayette did not make a single first down the second half while State made 11. In the whole game State made 7 successful forward passes for 88 yards, Lafayette made none. State was penalized 4 times for an aggregate of 65 yards; Lafayette twice for a total of 20 yards.

## INDIANA DEFEATS FRESHMEN

Costly Fumbling by Entire Back-field Deciding Factor in 16-0 Defeat—Game Hard Fought. Team Badly Battered. Bellefonte Here Saturday.

The score 16-0 by which the Indiana Normal defeated 1918 at Indiana Saturday does not indicate how closely the two teams were matched. Out-weighted the freshman, aside from fumbling, outplayed Indiana in every department of the game. Eighteen first downs were registered by 1918 to seven scored by Indiana.

Numerous times the freshman marched down the field only to lose the ball on a fumble when a score seemed imminent. Eaton was the offensive star for the freshman although a 45 yard run by Cabbage with his line plunging should be mentioned. Lamadie was the defensive star. For Indiana, White and Springer were the individual stars. Klinger and Sneiderman, received sprained ankles while Seaman and Lamadie were both bruised.

The touchdowns scored by Indiana were the results of what appeared to be incomplete forward passes. While the game was full of arguing with officials, the team is loud in its praise of its treatment at the hands of the Indiana management and student body.

Lehigh Threatens Trouble  
After 13 years State will resume football relations with Lehigh next Saturday at South Bethlehem. In 1901 State defeated Lehigh 39-0, but no such score seems probable this year. When the season started faculty rulings seemed to have ruined their chances but these restrictions have been removed and the team's strength can be fully realized by their easy triumph over Muhlenberg. In their game with Yale fumbling was the only thing that beat them. Every Yale score came from a Lehigh fumble. Their team is in good shape and our game has been greatly advertised. The management expects a crowd of 10,000 at the contest.

The effect of the mass meeting before the Harvard game was fully evidenced by the score and another such meeting is all that will be needed for a State victory. The meeting will probably be held Wednesday and the team will leave Thursday at 5:45 p. m. The coaches urge every man to be out both Wednesday and Thursday evenings.

## Debating Question Chosen

The question for the league debates will be: Resolved, that the United States should abandon the Monroe Doctrine." All men who desire to enter the competition for the varsity debating team should commence work at once as the trial will be held in the very near future. This year Penn State debates Franklin and Marshall at home and Dickinson at Carlisle. The negative team always remains at home while the affirmative team takes the trip. A plan is being worked up whereby the seniors who are interested in debating will be sent throughout the state to arouse greater interest in the high schools. Interscholastic league may be formed with prominent men as judges for the debates and it is hoped that by this means Penn State will be able to get better debating material. This plan has succeeded admirably in Ohio and while it may take some time to work it up in this state, we may feel assured that eventually it will succeed. Professor Marshman will have charge of debating this year. He is well known in the middle west for his work along for-nsic lines and we are indeed fortunate in having his services as coach.

A competition is open to the artists of the college to submit designs for the medals for varsity debaters. All who have any ability in drawing are urged to submit designs to Professor Marshman as soon as possible.

## Notice to Ag. Students.

The Penn State farmer is going to give a \$10 prize to the Agricultural student who secures the greatest number of subscriptions before November 21. H. S. Kjellman will give particulars to those who address him at the Alpha Gamma Rho house.

## PENN RUNNERS WIN CROSS COUNTRY MEET

Humble Individual Winner Batters Mark of Last Week. Well Balanced Team Secret of Penn Success. Team in Training for Intercollegiates at Yale.

The Penn cross country team duplicated the feat of the Penn State 1912 team when they defeated the varsity on Saturday over the Penn State course by the score 22-37. While Penn came here with a victory over Dartmouth, Coach Martin expected a closer race than was shown on Saturday. The race was late due to the push ball scrap and it was 2:50 p. m., before Ray Smith sent the runners on their way.

The entire first part of the race was a battle for leadership. The first furlong has all the appearances of a half mile race. Lieberman, of Penn, took the lead and ran the first mile in 5 minutes and 5 seconds. At the Co-op the men were still bunched and the time 5 minutes, 34 2-5 seconds. On the run up hill on Barnard street Humble took the lead and the Penn State runners moved up. This lead did not change until Allen street was reached when the Penn runners challenged the varsity men and passed them.

The race between Humble and Colton was keen. They ran nearly neck and neck to the Auditorium when Humble took the lead and finished 10 yards in front of the man who won at Dartmouth.

Summaries:  
First—Humble, State. Time, 28.40 2-5.  
Second—Colton, Penn. Time, 28.51 2-5.

## Nittany Theater Rewards Players

Manager Blackford, of the Nittany Theater, broke all records for generosity when he showed his delight over the Harvard score by presenting a season ticket to every State man, including substitutes, who played in that game. The tickets will be honored at any performance until the last day of June, 1915.
