Tuxedo is the favorite tobacco of the critical pipe smokers of America and is enthusiastically endorsed by thousands of famous men.

Tuxedo is made of only the finest Burley tobacco grown in Kentucky—carefully ripened, cured and aged until perfectly mild and mellow. Then treated by the secret "Tuxedo Process" that removes the last trace of "bite" and bitterness, and develops the wonderful fragrance of the Burley leaf in a way that no other tobacco has ever successfully imitated.

Take advantage of this *free* offer and try Tuxedo—pure, mild and absolutely *non-biting*—soothing, healthful and thoroughly enjoyable.

FREE Take advantage of this Free Offer today and avoid disappointment. Dealers have only a limited supply of these French Briar Pipes and cannot get more. Look for Free Offer sign in a dealer's window—get a 40c tin of Tuxedo and ask for the French Briar Pipe, FREE.

Musical Notes
A between semester Glee club trip is in preparation, in the Erie district. The Club makes the return trip this year in that territory on the strength of their success last year. Jamestown and Erie have both written letters to Director Robinson, asking if it be possible for the Club to give concerts at

those places.
The male quartet is in active preparation, rehearsing four times a week, to be prepared for any "big things" that loom up, where State can shine. They have a new repertoire of good comedy, and their program will be equally as strong as last year. The personnel of the Varsity Quartet is as follows.
Bacon, Ag.; 1st Tenor, Saurhoff,

'17 2nd Tenor, and Reader, Gillespie, '17 1st Bass and Vail, '16. 2nd Bass. Substitutes, Bear, '16 or Gill, '18, 1st Bass, Cope, '17, 2nd A substitute in the first Tenor, and one for second Tenor will be selected. These men will be coached on the program as well, to be ready to jump in at a moment's notice as the occasion demands. The possibilities for the quartet

this year are very bright. Those that heard them the other Sunday evening can only feel that they will represent State fittingly, whether in Panama or Belgium.
The Girl's Club is progressing satisfactorily. Their program will be a good one, and they will in all probability have a trip this year. They showed off to good advantage on Pennsylvania Day last and by

their good work, have established themselves as a permanent institution of the college. The Club has been cut to 34, and will be further "trimmed" if necessary, in order to obtain the best results.
Earl Moffatt, Agronomy '13, has accepted a position as manager of several government farms. He was formerly employed by the state in a survey.
