

Continued from page 1

line which started against Harvard, only one position must be filled. Zarny and Sutton both weigh over 190 pounds and should make good tackles. Seamon and Parrish also give promise of developing into good men.

The placement kicker will probably be selected from either Sutton or Rand Miller.

The backfield problem will be the biggest for the coaches to solve. Clark is of course sure of a place. Berryman will be eligible next year and will be played at quarterback. He is a sure catch of a punt, a good kicker, open field runner and defensive man. He is also a good left handed forward passer. Should Whetstone prove a good substitute end Higgins could be played in the backfield. There he would probably be a greater star than at end. He would have every chance to show his defensive ability and the additional chance of running the ball. With him in the backfield there would be three men, Clark, Berryman and himself who could either punt or run the ends from a kick formation. This leaves but one position to fill from all the backfield candidates present this year.

Class Grapplers Ready.

In a two ring performance, the four classes will be represented by wrestling teams for the third annual interclass meet on Friday evening at 7 o'clock.

The freshman class has shown exceptional interest this year and have a number of promising candidates. Four men who wrestled in the freshmen-sophomore meet were defeated in trials and in their weights four new men will appear.

If experience can be judged as indicative of advantage it would seem that the juniors will be the favorites, although the sophomores have given exhibitions of their ability within the past month. The line ups will be as follows:

1915—115 pounds, Radcliffe; 125, Rhoads; 135, Black; 145, Smith; 158, Schlatter, 185, Raiber; heavy, Stecker.

1917—115 pounds, Hoffer; 125, Ostermayer; 135, Fritz; 145, Goetz; 158, Kriebel; 175, Griffiths; heavy, Johns.

1916—115 pounds, Baird; 125, Brown; 135, Klingensmith; 145, Straw; 158, Chambers 175, Wakeley; heavy, Dale.

1918—115, Smoley; 125, Dale; 135, Lorg; 148 Shoulis; 158, Elwood; 175, Parish; heavy, Balbach.

La Vie Honors.

Saturday, December 19, is the last date for handing in honors to appear in the 1916 La Vie. All juniors and seniors should write out the following information and place it in the La Vie box, on first floor of Old Main before the above date. Name, course, home-town, class, fraternities, offices, campus societies, organizations,

1917—Class banquet at Washington, D. C., between semesters.

Special trains direct to Tyrone and Lock Haven, Tuesday between 11:30 and 11:45. Possibility of a special from Lemont.

A Freshman's Opinion

The Bellefonte Central was given a boost by one of the aspirants to the Collegian staff this week. The article in full follows:

"The Bellefonte Central station is a wart on the face of the campus. It is not a necessary evil. In consideration of the privileges of cutting through private property the Bellefonte Central should help to beautify rather than mar the appearance of the college premises.

"Contrast the campus facing College avenue between Allen and McAllister streets with that extending between Frazier and Atherton. The proper authorities should take upon themselves the responsibility of keeping the grounds between the tracks and College avenue in good condition.

"Let us get at the root of this matter. Those who are to blame should respond to the will of faculty, students and borough residents. After box cars have been emptied, they should be sidetracked at the Y and not serve as a blot on the landscape of College avenue. The renovation of the station will entail a little expense. This expenditure, however, will be directed in the right channel and will serve to further the slogan for a 'spick and span' State College."

Warner to Coach Pitt

Glenn S. Werner, famous coach of the Carlisle India football team and previous to that head coach at Cornell University, was December 5 elected coach of the University of Pittsburgh football team. It is stated that Warner has a three year contract with the university to direct the football forces. J. M. Duff, Jr., Princeton man, who has had charge of the team for the past two years, did not seek re-election. He is a student in the law school of the university and desires to devote all his time to his legal work as he is a senior next year. He leaves the team after turning out two winners and giving the university a standing never before obtained by the Gold and Blue in football.

Barba Visits College.

C. E. Barba, Assistant Engineer for the Pennsylvania railroad spoke to a number of interested students at the Engineering building on Friday of last week. Mr. Barba dealt with the practical side of railroading and gave some interesting data on car building and maintenance. The motive power club was responsible for bringing Mr. Barba here and is to congratulate on getting a man so well versed in this line of work. It is to be hoped that more men of like calibre can be scheduled to speak here.
