Annual Winter Reduction

Every Suit, Raincoat, Overcoat in the store now underpriced

SALE STARTS ON SATURDAY, JAN. 9

In conformity with our established custom of each season clearing out all unsold clothes, we place on sale Saturday next every suit, overcoat, raincoat, and separate pair of trousers in our two stores at greatly reduced prices. The clothes are not special clothes for sale purposes—They are the broken sizes and patterns left from early Fall and Winter selling. As near Perfect as materials, trimmings, tailoring and best style designers can make them. They are the kind of goods that are generally wanted by the kind of customers we have, but there is necessarily some surplus. We are going to dispose of it.

These low prices will do it

Suits, Overcoats, Raincoats		Trousers	
\$12 50	Grades Reduced to \$9 85	\$3 50	Grades Reduced to \$2 35
