PENN WRESTLERS EXPECT TO WIN

Opponent Finished Second in Inter-collegiates Last Year—Lamb-Dorizas Battle Attracts Wide Interest in East—Dorizas Much Heavier.

The wrestling meet in the Armory next Saturday night will be the only contest between State and Penn this year. Manager Miller was very desirous of scheduling a baseball game but found it impossible. The wide publicity given the contest between Lamb and Dorizas has subordinated the meet as a whole, however, the strength

to see the contest. The usual reservations have been made for ladies and different classes in college in order that the best seats may be given to the upper classes. The sale of seats will be held on Thursday and Friday night at the Toggery Shop at 6:30.

The Penn team, which won every bout with Lafayette will line up as follows: 115 pound class, Sherman; 125 pound class, Wooley; 135 pound class, Mitchell; 145 pound class, Captain Lazwell; 158 pound class, Milligan; 175 pound class, Statler, heavyweight, Dorizas.

INDOOR TRACK

Coach Martin Developing New High Jumper

By introducing the California system of high jumping, Coach Martin has taken a freshman, Jeffries, and in two weeks time has made a first class man out of a mediocre one. On both Friday and Saturday of last week Jeffries cleared six feet. This gives promise of a big scorer in high jumps in coming meets.

The entries for the first indoor meet at Baltimore are still undecided. Hammitt will run in the 50 yard hurdles. The relay team will be picked from Dolbin, White, Mason, Cottom and Entwistle. Each man will also enter some handicap event. Dolbin will run the 440 yard dash; White the 50 yard dash; Mason the 600 yard dash; Cottom the half mile and Entwistle the mile.

Student Fire Company Benefit

A benefit for the Student Volunteer Fire company will be given on Monday, February 15, both afternoon and evening, at the Nittany theatre. The price of admission will be 10 cents and a good show well worth the price will be given. Everything helps. All out and help boost a good cause.

The Student Volunteer Fire company has raised to date \$100. Since the college has promised to duplicate the amount of money raised by the members, the company will be able to order a two wheel twin tank chemical engine almost immediately.

A Correction

The college dispensary in charge of Dr. Warren E. Forsythe is well prepared for work and its purpose is rapidly being realized by the students.

CAPTAIN TAZEWELL, U. of P.
of the Penn team promises a strong
er fight in every weight.

The sport at Pennsylvania has received a greatly increased interest due possibly to the coaching of Joh Craig who has had great success since taking charge. This year over 150 men responded to the call for candidates and six of last year's team were in school for a nucleus.

CAPTAIN LAMB, Penn State

The strength of the team is shown by the fact that every man finished third or better than that in the intercollegiates last year.

A MODEL CAMPAIGN, SAYS DR. MOTT

Great Christian Leader Expressed Himself as Well Satisfied With Work at Penn State.

SOCIAL SERVICE EMPHASIZED

The religious campaign conducted during the past week by the Y. M. C. A., has come to a close and, in the opinion of the leaders, it was one of the most successful affairs of its kind ever held in the eastern colleges. Dr. Mott, when interviewed by a Collegian reporter, commented most favorably on the spirit manifested by the students toward the campaign.

"In my opinion" he said, "the State College student body has shown a heart interest in the work that is truly remarkable. It is a tremendous thing to have the student body of a big college cooperate so zealously in Christian work".

Among other impressions that the distinguished leader of the Y. M. C. A. had of Penn State was the open-mindedness of the students as regards religious affairs. There was no cynical indifference and everyone seemed imbued with the idea of learning as much as possible from the leaders here.

Dr. Mott's last point was that the campaign brought out the idea of social service. There was manifested no selfishness, and individualism was lost in the general idea of social service.

Varsity Baseball Practice.

FIRST MUSICAL CLUB CONCERT OF YEAR

Combined Musical Clubs in an Entirely New Program Next Week. Recent Trip a Big Success. New Trips Planned. Band to Give Concert. Charitable Work.

The first concert by the combined Glee and Mandolin clubs will be given in the Auditorium on Friday evening, February 19. The great success of the club on its recent trip, which included concerts at Erie, Corry and Jamestown, shows that it has lost none of its ability to provide the best of glee club music.

At every concert of the trip the press comments were highly complimentary. In view of these facts, together with the fact that the program is to be made up of new numbers, the student body should give its undivided support to an organization which is bringing Penn State a very large amount of free advertising.

At present a concert has been arranged to be given in Danville, March 5. This week a concert will be given in Bellefonte, the proceeds of which will be devoted to the Bellefonte hospital fund. A trip to Chicago is also under consideration which will include concerts at Lock Haven, Scottdale and Chicago.

During the first week in May, the club will sing in the Wanamaker store and on the same trip dates may be arranged at York, Harrisburg and Lower Merion.

The band is fast taking a conspicuous place among the bigger Penn State organizations and the concert of February 21 in the Auditorium should be better than any previous one.

Mr. Crandell will take the Panama Canal trip in place of Mr. Robinson. The glee club program for next week follows:

Twilight, Buck, Glee Club.
