# Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the favorite tobacco of the majority of critical smokers in this country. It is smoked and publicly endorsed by thousands of famous Americans—lawyers, doctors, athletes, statesmen, scientists, singers and business leaders.

The "Tuxedo Process" of treating the finest, ripest leaves of selected Burley tobacco has never been successfully imitated. Tuxedo positively cannot "bite"—it soothes the most sensitive throats and tongues—and has a delightful mildness, fragrance and flavor that affords complete enjoyment. There is no other tobacco like Tuxedo—as a trial will prove to you.
