### Thespian Managers

Manager Dowd, of the Thespian Dramatic club, has issued a call to sophomores who wish to compete for the managership of the Thespians during their senior year.

The plan is the same as used by the Athletic association. All sophomores who wish to try for the position should hand their name to Manager Dowd not later than April 10. There will be three sophomores chosen from the number trying out. These three men will serve during their junior year and will be carried on the annual trip during Easter vacation next year. At the May meeting of the Thespians a manager will be chosen from these men who served as assistant managers during their junior year.

The change is being made so that the high efficiency of this department in the past will be certain in the future.

### Alumni Banquet

The Pittsburgh alumni held their annual banquet in the English room of the Fort Pitt hotel last Saturday evening. R. H. Smith, graduate manager of athletics and alumni secretary, spoke on "New Era Athletics at Penn State". Dick Harlow also attended and gave an interesting talk on next year's football team. A large crowd attended and the banquet was a success, although all were disappointed because of the absence of President Sparks.

Leaders at Dickinson are strongly advocating an honor system.

### Juniors, Notice

The junior prom committee, in order to successfully carry out its plans, finds it necessary not only to have available at an early date the \$1.50, general class assessment, but also to have an estimation of the number of juniors to attend the dance. Therefore the work of collecting the assessment will be started the week following the close of the Easter vacation by a systematic canvass of the members of the class. In view of the facts it is hoped that each man will be prepared to pay his assessment when called upon and at the same time give an expression as to whether or not he expects to attend, and thus very materially assist the committee in its work.

### Girls Give Gym Exhibition

The girls' gymnastic exhibition was largely attended and was considered a success by all. The most important feature was the interclass basketball game won by the freshmen with a score of 2 to 0. Cora Hoffman, the freshmen center, shot a field goal. The sophomores fouled once and the freshmen three times. The privilege of wearing numerals is granted to those who played three fourths of the game. The lineup was as follows:

Freshmen	Sophomores
Cora Hoffman c	Edna Davis
Cecil Dixon rg	E. Triembath
A. Hunsberger lg	Lyda Wentzel
Pearl Yeager rf	Hazelle Byers
Norine Webster lf	Carrie Hassler
