**Lacrosse Team Opens Saturday**  
 The practically newly constructed lacrosse team will open its season next Saturday at Lehigh, last year's champions of this state. This game will furnish a sure test for this strongest team that has ever represented Penn State. The team carries more weight this year than last and together with the speed of the individual players and the increased experience of the game over last year we are sure of a winning team.

Although most of the men are veterans from last year, several new men have shown up well in the late practice and from present indications will be seen in the line-up.

At present not a senior is in the line-up and only one freshman is showing up well. This is attracting no little attention as all the men in the present line-up will be eligible next year.

There are some positions that are still uncertain. Mathews, Watkins and Olmstead are putting up a great fight for the position of first attack and the one to make the trip is undecided. Dunkle seems to be playing the best game at first defence but Fisher, Barber, and Koons are pressing him close for the positions. The other positions seem certain and the probable line-up will be; outside-home Fisher, inside-home Baer, first-attack Fisher, Watkins or Olmstead, second-attack Capt. Farley, third-attack Hallowell, center Hewitt, third-defence Yerger, second-defence Jordan, first-defence Dunkle, Barber, Fisher, or Koons, cover-point Wood, or M'dowell, goal Ballou.

**Freshmen Business Managers.**  
 All freshmen who desire to try-out for the position of assistant business manager of the Collegian will report in the Collegian rooms in the basement of the library on Thursday evening at 6:30 o'clock. At this time the conditions of the competition will be made known. This is an opportunity for some 1918 man to get in line for the position of business manager during his senior year.

**CARUSO**

World-famous Tenor, says:

"Tuxedo completely satisfies my tobacco taste. It is mild and has delicious flavor. Most important of all from a singer's standpoint, Tuxedo does not irritate my throat."

**"Tuxedo Does Not Irritate My Throat"**

The non-irritating quality of Tuxedo which Caruso praises is due to the original "Tuxedo Process" by which the tobacco is treated. This process refines the tobacco and absolutely removes all bite and sting.

Many thousands of men think they cannot smoke a pipe, for fear the tobacco might burn or parch their mouths. Tuxedo has done away with any such possibility. You can smoke Tuxedo all day long, without any irritation whatsoever—indeed with increasing pleasure.

**Tuxedo**  
 The Perfect Tobacco for Pipe and Cigarette

is made from rich, mild, fragrant Kentucky Burley—acknowledged to be the finest pipe-tobacco in the world—aged until it is pipe-perfect and smokes coolly and slowly.

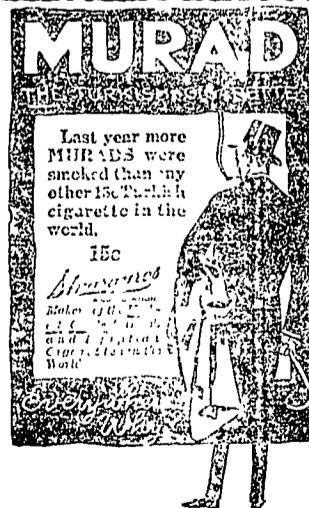

You cut off an inch of inspiration and real joy every hour you stay away from Tuxedo. Because it's so good, so true, so delicious, so fragrant, its memory lingers every time your smoke-appetite gets tuned up.
