**William Faversham**

Famous Actor, says

"A pipe of Tuxedo keeps me feeling physically fit and in good spirits, and, because it is mild and doesn't bite, it is pleasant to the throat and keeps my voice in good tone."

*William Faversham*

**Tuxedo Keeps You Physically Fit**

Every playgoer has remarked the virility and clean-cut vigor of William Faversham, both as an actor and as a man. No matter what part he is playing, he always presents a figure of alert strength and keen wits. His voice is especially engaging, clear, carrying and sonorous.

For Tuxedo tobacco to gain a testimonial from such a man, stating that it helps to keep him "physically fit and in good spirits" and keeps his voice "in good tone" goes far toward convincing you of Tuxedo's wholesome, all-round value to you.

**Tuxedo**

The Perfect Tobacco for Pipe and Cigarette

Tuxedo will put snap and vim into your daily work. It's an inspiring tobacco that will keep you fit as a fiddle, full of zest, hearty and happy and hale. You can smoke it all day long, and each succeeding pipeful will glow with greater cheer.

The original, exclusive "Tuxedo Process" has many imitators—but no equal.

Try Tuxedo for a week, and you'll like it forever.
