

STATE SMASHES RECORD

One Mile Team Again Wins Relay As Record Falls—Hammit and Whiting Third in Hurdles—Lamb Places in Pentathlon.

Each of the seven track men, who wore the blue and white last week at the Penn Relays, rendered a good account of himself.

Our relay team, composed of Post, Brown, Mason and Dolbin, easily won the one mile relay in the record time, for the class, of 3:29.1-5, with Swarthmore, Pittsburgh and Fordham finishing in order. This time would probably have been lower if Mason or Dolbin had been pressed.

Brown took the lead, and by running his quarter in 52 seconds, he

lead on the home stretch and winning in the fast time of 55 seconds, with Cronly, Virginia, second and Whiting third. Whiting is steadily improving, and much can be expected of him in the future.

Lamb finished fourth in the pentathlon. Berry, Pennsylvania, winning with 9 points, Worthington, Dartmouth, second 15 points, McMasters, Pittsburgh, third 16 points, Lamb fourth 17 points. All the events were closely contested. In the broad jump, Lamb was decidedly off form, taking sixth place at 18 feet, 2 inches. Lamb took second place in the javelin, throwing it 140 feet, 6 inches. In the 200 meter race Lamb tied for third. Time: 23 second. In the 1500 meter run he took fourth place. Time: 4:41 3-5. Lamb won the discus, throwing it for a distance

LEVI L. LAMB

finished 8 yards ahead of the garnet runner. Brown and Post were over anxious in passing the baton, and in the confusion lost 5 yards. So with a 3 yard lead Post did his best to regain the lost margin. He recovered a yard of this, giving the baton to Mason 4 yards ahead of Swarthmore. He was timed at 53 1-5 seconds. Mason ran well, and had little trouble increasing the lead to 15 yards. Time of quarter: 52 seconds. With this lead Dollin contented himself in equalling Mason's time, and broke the tape 20 yards to the good, thus breaking the class record, and winning for the second time in two years the one mile relay for State.

In the 120 yard hurdles, Hammit won his heat. Kelley of Southern California, the record holder, won the final in a fast and close race, with Simpson, Missouri and Hammit at his heels. Time: 15 3-5. Since this was the fastest field in this country, Hammit did well to land third place.

On Friday Whiting kept well in the front by taking third place in the 440 yard hurdles. This race was hard fought from start to finish, Ferguson, of Penn, taking the

of 113 feet. Lamb deserves great credit for this showing, since he had very little time for training. "Bill" Martin is well pleased with the showing of the boys in this meet, and from the way he has the entire team in hand, much can be expected from our track team in the remaining meets. On Saturday, May 8, Lehigh comes to New Beaver for a dual meet, and the students, for the first time this year, will be able to see our strong track team in action.
